Finding Your Own Truth Reed R. Critchfield, 2010-03-01 In these tumultuous times who among us knows how to cope or where to turn With all systems on overload what can we do as individuals to stem the tide of financial crisis geopolitical upheaval and ecological disaster As the potentially apocalyptic date of December 21 2012 approaches what can you do to prepare Who can help How can you help yourself and those you love If you are searching for help it is here for the taking Please help yourself And when you do that you help us all The content of this manuscript represents over 30 years of personal research study prayer and life experience Reed relates When I started it was just about me putting my own house in order Then it occurred to me that perhaps other people are struggling to find the Truth too This book was written to help those people seeking to find their path in life leading to peace and happiness It is for those who are looking for the Truths that help them give meaning to their existence and give them the deeper reasons for why they are on the earth at this particular point in time If you have ever wondered who you really are why you were born to this era and how you can fulfill your individual purpose of your existence this book can help When enough of us figure this out we become a catalyst to help the human race collectively fulfill its destiny This book can open your mind and heart to new ways of looking at your mortality and for ultimately finding true happiness from within It will assist you in awakening to your relationships with others with the Earth the Cosmos and God

Wisdom of the Shamans Don Jose Ruiz,2019 For generation after generation

Toltec shamans have passed down their wisdom through teaching stories. The purpose of these stories is to implant a seed of knowledge in the mind of the listener where it can ultimately sprout and blossom into a new and better way of life. In *The Wisdom of the Shamans: What the Ancient Masters Can Teach Us About Love and Life*, Toltec shaman and master storyteller don Jose Ruiz shares some of the most popular stories from his family's oral tradition and offers corresponding lessons that illustrate the larger ideas within each story. Ruiz begins by explaining that contrary to the stereotypical image of witch doctor, the ancient shamans were men and women who fulfilled several roles within their communities: philosopher, spiritual guide, medical doctor, psychologist, and friend. According to Ruiz, their teachings are not primitive or reserved for a chosen few initiates but are instead a powerful series of lessons on love and life that are available to us all. To that aim, he has included exercises, meditations, and shamanic rituals to help you experience the personal transformation these stories offer. The shamans taught that the truth you seek is inside of you. Let these stories, lessons, and tools be your guide to finding the innate wisdom that lives within.

Stone, 2014-11-28 Trillions of existences wiped out in a single moment. The remaining worlds left battered and bleeding. At the centre of the disaster stands Gwynn Dormath. He has been called both a hero and a harbinger of the end of all things. A single boy thrust unwittingly into a game of old gods and ancient horrors. Now injured both in body and mind, if he hopes to save the ones he loves, he must undertake his most perilous and strange journey. Between all things lies the Veil Home of the souls of humanity and the power source for all. Anunnaki, it is a place of great power and even greater danger. If Gwynn is to move forward, he must plunge into its murkiest depths and face not only its own guardians but the darkness within himself. Meanwhile, the former members of Suture fight to find their own place in these damaged worlds. As alliances are formed and new enemies battled, they inch forward to a conflict only prophecies and myths could predict or hope to understand.

Abrie, 2010-04 A surfer named Jonathan Lightfoot who is accustomed to charming his way through life is suddenly attacked by a Great White off the coast of Pleasure Bay, a small resort town that accommodates a large number of vacationers. Jonathan is the new guy in this holiday town and he wants revenge on the shark that assailed him. In order to settle the score and support some of his other more hidden agendas, Jonathan needs a boat. He uses his skills as a con artist to invite people aboard his vessel, expose them to the Great White, and involve them in financing his shark hunting project. His innocent victims do not realize that he also uses the same boat to further his drug dealing efforts. When the shark realizes that humans are after her and want to kill her, her survival instincts force her to fight back. Author Will J. Abrie uses a shark as a metaphor for corporate greed. He was inspired to write this book by people and events in his life. Abrie works as a financial manager. He grew up in Benoni in South
