Finding God Among our Neighbors, Volume 2 Kristin Johnston

Largen, 2017-02-01 For too many students Christian theology is learned in isolation from other religions traditions With this the second volume of her important work Kristin Johnston Largen returns to expand the systematic theology she began in the original volume Largen places the work of Christian theology soundly within the interreligious dialogue that is the defining feature of our time In doing so she prepares students of theology for the task of understanding and articulating their Christian beliefs in the context of a religiously and culturally diverse world In the original volume Largen focused her work on three loci God Creation and Humanity In this second volume she expands the project to include salvation the Church and the Holy Spirit As before each locus is set within the broader context of interreligious dialogue by considering how the varied beliefs of the world's religious traditions inform our understanding of our own tradition This volume explores indigenous religions Sikhism Confucianism and Daoism in particular

Finding God Larry Crabb, 2010-06-01 In today's psychological culture we have become a people more concerned with solving our problems than finding God Suffer low self esteem Get counseling Unfulfilled in life Join a recovery group But solving problems is not the point argues Dr Larry Crabb In fact whenever we place a higher priority on solving our problems than on pursuing God we are being immoral Dr Crabb demonstrates that our deepest problem and worst sin is doubting God When we doubt God's goodness when we think that God cannot be trusted with the things that matter most we will quietly but with tight lipped resolve take over responsibility for our own well being with disastrous results In his most compelling book since Inside Out Dr Crabb upsets the cozy Christianity of the modern believer He reveals anew God's top priority not our comfort and gratification but His glory

the culture at large Discover that Veritas transcends philosophy or religion and instead brings us to true life **Finding God's Will** Gregg Matte,2010-11-25 Pastor Gregg Matte writes God's will is not the needle in the haystack discovered only by Navy SEALs for Jesus it is actually the hay in the haystack to be found by every believer This is great news for any Christian who has ever wondered about finding and living in the will of God Through an extensive intimate examination of God's encounter with Moses in the burning bush Finding God's Will invites readers to shift their understanding of God's will from an event to be experienced to a process to live God's will is what happens when we seek him Readers will discover how to be on the lookout for their own burning bushes how to focus on pleasing Thee not they and how to expect God's power as they seek his will They may also be surprised to find that as they seek a deeper relationship with God his direction and guidance become clear A life centered in God's will is a promise offered to every believer and every Christian can learn how to receive that gift Finding God in the Darkness Bradley Gray,Chad Bird,2023-07-18 Suffering engulfs our lives in an unavoidable darkness leaving answers and explanations obscured like a sorrowful fog The gospel of Christ however gives us something infinitely more valuable than answers or explanations Finding God in the Darkness Hopeful Reflections from the Pits of Depression Despair and Disappointment is not an attempt to decode or decipher every nook and cranny of sorrow and suffering It is a journey wherein faith hope and love are unexpectedly found along the way in the midst of darkness Much to our surprise that's where God shows up too **iJesus** Nadim Nassar,2023-02-15 iJesus explores the relationship between the culture of God as Trinity in relation to our highly complex digital cultures and reflects on how followers and disciples of Jesus Christ can live in a world shaped by digital communication connectivity and artificial intelligence *Finding God Beneath the Ashes* Chuck Wright,2009-11 Finding God Beneath The Ashes is unique in style Each chapter has a section of Bible verses in a poetic form with occasional comments to encourage or explain placed like stepping stones across a flowing mountain stream A foundation for the book is laid by presenting quotes from the Founding Fathers their acknowledging their need of God in giving birth to our nation When all seemed lost they called upon God In our nation's first stepping stones they wrote the words We are endowed by our Creator with certain inalienable rights This book is to help you to recover that God In the dangers of our present time in the aftermath of the ashes of 9 11 where and how are we to find God It is written with the purpose of helping you to discover God by pondering Biblical themes and comments as helps to you along the way The verses were collected much the way you would gather brightly colored leaves on a Fall day freely picking and choosing leaves of different shapes colors and sizes The collection then is gathered into clusters about God to speak to your mind and heart This Book is not intended to be a quick read It's like a walk in the woods It's sitting on a ledge looking across a great canyon In places it is a trip down the rapids It's a place where you can argue with God about what is written a place to share your sorrow or loss where you can cry out why It is a place where you can find quiet pastures along a gently flowing stream or safety through the valleys of the shadows of death It's designed to help you find the peace of God This book begins with

the silence of God before time or space through His mighty words and deeds in history From beginning to end it covers the major themes God in the chaos of the beginning His giving of safe boundaries for living the strong things God stands for like love and justice The book introduces you to the names of God which will show you what He is really like what we are to call Him His name introduces Him to us and the wonder of who He is We come to Jesus as our Friend Like the fireman at 9 11 He gave His life in the smoke and ashes to save us In Jesus we see God come down to earth The ending of the book gives lines from the poetry of The Psalms with indicated places to pause and be alone with God and with your own thoughts without comments by the writer What else can you expect from within these pages You can expect explanations on how the Bible is put together illustrations and examples from the lives of people who are living their faith with others how to live out the model of Jesus through friendship with others The Book can be used over and over again a chapter at a time a section now and then It can be used with others in groups or with just two or three together It s a book designed for you a place to find God in the dangers brokenness in the joys and in the ashes of living *You Can Find God's Best* , Finding God in a Broken World John R. Clarke,2015-10-13 There is no doubt that we are entering the final stages of the history of this world Lawlessness abounds terrorism is on the increase and wars and rumors of war abound Natural disasters such as tsunamis volcanic eruptions cyclones floods and tornados are also becoming more common as the earth struggles under the burden of humankind's rebellion So what does the future hold for the beloved of Christ Finding God in a Broken World provides insight into the steps to remaining free in Christ during the turbulent days ahead The book explores seven key areas from embracing the love of God finding God's purpose for our lives and overcoming the world to living the victorious Christian life and remaining free in Christ regardless of the circumstances we find ourselves facing in the coming days Author John R Clarke's scientific background gives him a distinctive insight into the Bible and the Word of God and it allows for a different perspective on the events of the end times and Christian living than those normally provided by theologians Although the times of the last days can be fraught with tension unease and even hostility it is important for Christians to know that by understanding the difficult aspects of God's teachings his positive purposes and his plans for eternity will come into better perspective By meditating on these teachings the hope and prayer is that believers can find inspiration comfort and blessings
