Tough Truths for Tough Times, 2011-04-25 Today we do not experience great manifestations of God as Moses did many years ago God has not spoken to us out of a burning bush and neither have we heard His voice as He walked in the cool of the day in the Garden of Eden We have not looked up over our house of worship and seen the Shekinah glory of God in a visible way But God does reach into our hearts and into our life and speak to us through His holy Word One of the outstanding characteristics of Jesus while on earth was His keen skills of observation He possessed what we sometimes refer to as a homiletic mind and saw sermon illustrations at every turn As He lifts up some simple happening and draws insights from it we feel refreshed by His words and they speak directly to our own condition The twenty one tough truths for these troubled times that furnish the content of this book do not originate with the author but extracted from the storehouse of God's inexhaustible truth found in both Old and New Testaments The insights speak to the soul with urgings to rise above the petty to the significant the secular to the sacred and the finite to the infinite
