[Finding God in a Galaxy Far, Far Away](#) Timothy Paul Jones, 2010-06-30 Nothing in Your Life Is Ordinary Your present world isn't supposed to be this small. You were made for something much bigger. And no, you don't have to be an astronaut or even a Star Wars fan to live it. Finding God in a Galaxy Far, Far Away is not about space travel or even a movie. It's about rediscovering your sense of wonder, something we adults have successfully squelched from our everyday lives. But God never meant it to be that way. Timothy Jones, by way of an astounding eye-opening study of the spiritual parallels found in the Star Wars saga, will make you a kid again. You'll be marveling at the mysterious, laughing anew at life's coincidences, and remembering above all the Creator for which you were made. May the True Force be with you. Remember when Star Wars first captured your imagination? How your longing for adventure propelled you to distant worlds and transformed you into a Jedi knight faster than you could say Luke, I am your father? This same longing, once sparked by John Williams's triumphant score and fanned by Darth Vader's sweeping black cape, is your ticket to life's greatest adventure. Join Timothy Paul Jones on an astounding eye-opening exploration of the spiritual themes in the Star Wars saga, and the truth will become clear. Like young Luke Skywalker, you were also made for more. Rediscover awe. Revel in the wonder of every moment. And pursue all you were meant to be. It is your destiny. The Force is strong with this one. I could not recommend it more. Joshua Griffin, Editor/Owner, TheForceNet, Manager, Purpose-Driven Youth Ministry. If you own a lightsaber or a Bible, you're sure to benefit from reading his book. Kevin Miller, author and reviewer, HollywoodJesus.com. Awe: some reading that both delights and challenges us. A fun and thoughtful book for Christians who consider and enjoy popular culture and media. Robert W. Pazmino, Valeria Stone, Professor of Christian Education, Andover Newton Theological School. Story Behind the Book: The night I first saw Star Wars from the backseat of my parents' Ford Pinto was the first night I experienced awe. It sent me on a quest that continues today. There is in every one of us a longing to touch the forever, to sense the magnitude of the vastness in which we live. This universal longing explains why we ride roller coasters and tell scary stories. This universal longing for awe also explains why, after nearly thirty years, the popularity of the Star Wars saga shows no sign of subsiding. I wrote this book to inspire readers to relish awe and wonder because God did not only create us to long for awe but also to live in it. Timothy Jones.

**Where Is God When it Hurts/What's So Amazing About Grace?** Philip Yancey, 2009-12-15 Award-winning author Philip Yancey takes you for a soul-searching look at two of Christianity's most important topics. WHAT'S SO AMAZING ABOUT GRACE. In

this critically acclaimed bestselling book Philip Yancey explores the church's great distinctive grace at street level. If grace is God's love for the undeserving and if Christians are its sole dispensers, then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy? Offering compelling true portraits of grace's life-changing power, Yancey searches for its presence in his own life and in the church. And he challenges us to become living answers to a world that desperately wants to know: What's So Amazing About Grace? WHERE IS GOD WHEN IT HURTS? If there is a loving God, then why is it that you've heard that question perhaps asked of yourself? No matter how you complete it, at its root lies the issue of pain. In this award-winning book, Philip Yancey reveals a God who is neither capricious nor unconcerned. Using examples from the Bible and from his own experiences, Yancey looks at pain—physical, emotional, and spiritual—and helps us understand why we suffer. Where Is God When It Hurts will speak to those for whom life sometimes just doesn't make sense. And it will help equip anyone who wants to reach out to someone in pain but doesn't know what to say.
