Finding a Replacement for the Soul Brett Bourbon, 2009-06-30 Approaching the study of literature as a unique form of the philosophy of language and mind as a study of how we produce nonsense and imagine it as sense this is a book about our human ways of making and losing meaning Brett Bourbon asserts that our complex and variable relation with language defines a domain of meaning and being that is misconstrued and missed in philosophy in literary studies and in our ordinary understanding of what we are and how things make sense Accordingly his book seeks to demonstrate how the study of literature gives us the means to understand this relationship The book itself is framed by the literary and philosophical challenges presented by Joyce's *Finnegans Wake* and Wittgenstein's *Philosophical Investigations* With reference to these books and the problems of interpretation and meaning that they pose Bourbon makes a case for the fundamental philosophical character of the study of literature and for its dependence on theories of meaning disguised as theories of mind Within this context he provides original accounts of what sentences fictions non fictions and poems are produces a new account of the logical form of fiction and of the limits of interpretation that follow from it and delineates a new and fruitful domain of inquiry in which literature philosophy and science intersect Table of Contents Preface Note on Abbreviations Introduction What Are We When We Are Not Part I The Surface of Language and the Absence of Meaning 1 From Soul Making to Person Making 2 The Logical Form of Fiction 3 The Emptiness of Literary Interpretation 4 To Be But Not To Mean 5 How Do Oracles Mean Part II Senses and Nonsenses Joyce's *Finnegans Wake* and Wittgenstein's *Philosophical Investigations* 6 A Twitterlitter of Nonsense *Askesis* at *Finnegans Wake* 7 The Analogy between Persons and Words 8 The Human Body Is the Best Picture of the Human Soul 9 The Senses of Time 10 Being Something and Meaning Something Bibliography Acknowledgments Index This is an adventurous and unusual book Bourbon moves back and forth between literary and philosophical contexts with ease showing in multifarious ways how the one can often in unexpected ways illuminate the other Throughout these wide ranging explorations Bourbon uncovers a good deal about both the nature of literary meaning and our distinctive if tellingly irreducible relations to literary texts Garry L Hagberg author of *Art as Language* Wittgenstein *Meaning and Aesthetic Theory* and *Meaning and Interpretation* Wittgenstein Henry James and *Literary Knowledge*

The Persistence of the Soul in Literature, Art and Politics Delphine Louis-Dimitrov, Estelle Murail, 2023-12-28 This book analyses the evolution of literary and artistic representations of the soul exploring its development through different time periods The volume combines literary aesthetic ethical and political considerations of the soul in texts and works of art from the seventeenth to the twenty first centuries spanning cultures and schools of thought

Drawing on philosophical religious and psychological theories of the soul it emphasizes the far reaching and enduring epistemological function of the concept in literature art and politics The authors argue that the concept of the soul has shaped the understanding of human life and persistently irrigated cultural productions They show how the concept of soul was explored and redefined by writers and artists remaining relevant even as it became removed from its ancient or Christian origins

Crossing the Soul's River William O. Roberts, 2009-10-01 Moving articulate and insightful this book is a welcome exploration of men s spiritual journey at midlife Written by an author with his own extraordinary middle passage the book provides practical insights for men while offering women an invaluable window into men s souls Allan Chinen author of *Beyond the Hero Classic Stories of Men in Search of Soul* Lively and unembarrassed written with great psychological acumen *Crossing the Soul s River* is a major contribution to our understanding of men at midlife This is the conversation men need to have with another man when their familiar old assumptions and priorities no longer make sense Give it to a man you really care about Give it to a woman who wants to know men at the core Stephen Bank coauthor of *The Sibling Bond* *Crossing the Soul s River* is one of the second generation of men s books that are trying to chart concrete steps men can take to do the work we need to do to become more self actualized and therefore more responsible partners citizens and churchmen Roberts s articulation of men s needs for the wisdom of Sophia is the clearest I have ever read Stephen Boyd author of *The Men We Long to Be Beyond Lonely Warriors and Desperate Lovers* William O Roberts s compelling book puts the male midlife crisis into its deepest context the growth of ourselves as spiritual beings In so doing it moves well beyond treatments which focus solely on the psychological dimension of this process though Roberts details these too with a sharp insightful eye honed by his own personal experience Most helpful is his detailing of various rites of passage designed to help men navigate through this difficult time In this the book is of practical as well as intellectual use I found the book deeply insightful and altogether illuminating Brian Fay author of *Contemporary Philosophy of Social Science A Multicultural Approach*
