Finding Spiritual Peace:

Finding Spiritual Peace Lex W. Adams, 1999-08-01 **Finding Peace through Spiritual Practice** Pastor Don Mackenzie, PhD, Rabbi Ted Falcon, PhD, Imam Jamal Rahman, 2016-08-16

If we want to heal our personal and planetary problems we have to move beyond talking to spiritual practice. Pastor Don Mackenzie, Rabbi Ted Falcon, and Imam Jamal Rahman, who have become known as the Interfaith Amigos, believe truly effective interfaith dialogue can inhibit the demonization of any religion. Their work together, which began with the horrors of 9/11, aims to help us see all authentic spiritual traditions as sacred avenues to a shared Universal Reality. When we achieve this, the healing of our shared personal and planetary problems begins. In this, their third book, the Interfaith Amigos look at the specific issues we face in a pluralistic society and the spiritual practices that can help us transcend those roadblocks to effective collaboration on the critical issues of our time. Focusing on the interconnection of spirituality and authentic interfaith dialogue, they examine:

- How Spiritual Awareness Can Heal Our Own Traditions
- Beyond Polarization
- Confronting Our Most Personal Obstacle
- Spiritual Paths to Environmental Stewardship
- Spiritual Paths to Social Justice
- How to Make Spirituality a Way of Life

This book helps awaken readers to the spiritual consciousness within each of us that provides the foundation for much needed healing. Each chapter includes spiritual practices to aid us in reclaiming the deep spiritual truths of our own being.

Spiritual Awakening

Compass: Finding Inner Peace Through Consciousness and Quantum Philosophy Boreas M.L. Saage, Spiritual Awakening

Compass offers a balanced approach to spirituality for the modern skeptic, bridging ancient wisdom with quantum philosophy and practical daily applications. This guide navigates the complex terrain between scientific understanding and spiritual experience, providing evidence-based perspectives on consciousness expansion while honoring the mystical dimensions of human experience. Rather than asking you to abandon critical thinking, this book shows how rational inquiry can enhance your spiritual journey. Discover how to:

- Develop personalized daily rituals that create inner peace amidst life's chaos
- Understand chakra systems through both traditional wisdom and contemporary energy concepts
- Access the akasha universal consciousness field through guided meditations and intuitive practices
- Navigate the often challenging relationship between money and spirituality with practical ethics
- Integrate quantum philosophy principles into your spiritual awakening process

The book offers a comprehensive framework for spiritual growth, organized into practical sections:

- foundational spiritual practices
- consciousness expansion techniques
- energetic dimensions, including detailed chakra work
- spirituality in social contexts and the integration of modern science with spiritual concepts

Whether you're experiencing the first signs of spiritual awakening or seeking to deepen your existing practice, this compass provides orientation through:

- Morning and evening rituals that anchor your spiritual connection
- Meditation techniques specifically designed for consciousness expansion
- Practical approaches to chakra balancing and energetic protection
- Strategies for aligning financial decisions with spiritual values
