Shit - Paradise in 2017 Trevor Martinson, 2018-01-14 I started 2017 with high hopes and so much positivity My aim was to document the positives during the year the small positives that in our busy lives so often get overlooked In one way the year was a build up to my climb of Kilimanjaro in September which the HR Manager s Tale records However the reality soon came to be that there was so much more happening during the year a lot of which challenged my ability to find the gold amongst the shit But find it I did and I persevered with this project despite the problems and negativity I saw for others and felt in myself To me this made this year long project even more worthwhile and even more real *Finding Columbus's Gold* Howard Yasgar, 2022-07-11 In 1966 an old friend invites Matt Vercair to Port au Prince Haiti to assist in disassembling and selling a now defunct Haitian railroad acquired under unusual circumstances Once in Haiti Matt is introduced to chief archeologist Dr Marc Blanchet Blanchet is an expert on Christopher Columbus and everything he did on the island of Hispaniola According to Blanchet the history being taught about Columbus is a fraud Instead of exploration Columbus s true intentions were to amass gold and sell as many slaves as he could to finance his travels Blanchet knows where a large cache of Columbus s gold has been hidden in Haiti for five hundred years With the help of a map Matt now embarks on an incredible journey to recover the gold traveling across previously unexplored terrain The railroad is of little concern as they search for hidden treasure but it s possible Matt is about to find a lot more than riches in the beautiful but dangerous wilds of Hispaniola *How to Find Gold*, 2013-02-21 This is targeted towards beginner prospectors who are new to gold panning This book will cover the places where gold tends to get deposited and the tools you will need to prospect for it *Gold!* Ian Neligh, 2017-10-03 Uncovers a centuries long story of obsession that often included murder gun fights deadly accidents overnight fortunes and even cannibalism Neligh is a practiced writer whose style mixes history and modern realities seamlessly *Colorado Country Life Gold* brings together the story of this metal s glittering legacy in the Centennial State and the madness murder and mayhem that came along with it The book examines the rich history of the miners and treasure hunters who came to face danger and hardships in the unforgiving Rocky Mountains This story is unique in that it takes a look at the phenomenon of gold the treasure hunters both modern and historic and brings them to life in a detailed and sharp narrative Author Ian Neligh spent a year meeting with experts and enthusiasts hearing their stories and trying to understand why it is they continue to do what they do often in the face of extreme hardship Modern day gold miners profiled include Al Mosch Bill Chapman Ken Reid and Chad Watkins *Gold* is the story of an unusual subculture on the rise in the mountains of Colorado fueled by a delicate balance of hope greed and loss It tells the story of men mostly forgotten by the world as they go in endless pursuit of an impossible fortune It follows miners working their small dangerous gold claims in mines over a hundred years old to modern day prospectors trying to strike it rich and counterbalance the weight of a struggling economy The book also examines if those who spend their lives in search of riches ever actually strike it rich This book will appeal to both history buffs as well as fans of modern day reality shows like *Gold Rush* **McNeils Travels in 1849 To, Through,**

and from the Gold Regions in California.
