Tijs Theijsemeijer, 2021-12-22 This book was written to help people grow closer to and participate more fully in their personal relationship with God The road to spiritual maturity is often a long and involved process which I believe is outlined for us in John's Gospel John says at the end of his Gospel in 20:21 But these are written that you may believe that Jesus is the Christ the Son of God and that by believing you may have life in his

name The life he is talking about is our spiritual life Our spiritual life starts when we begin to truly believe in Jesus and accept him as our lord and Saviour It comes to ultimate fulfillment when we cross over from physical death into eternal life in Heaven In between is a long and often difficult but rich and involved journey On this Road to Holiness we learn many things We learn to give up old ways that are not life giving and to adopt a more deeply true spiritual outlook I believe we go through various stages that I have outlined in this book and as found in the Gospel We learn to recognize the presence of the Holy Spirit in our lives as wonderful new opportunities present themselves As we grow in our spiritual maturity we develop new spiritual strength that helps us to overcome a whole variety of obstacles and difficulties that would have previously sent us running for cover Our ability to love deepens and is enriched so that we can appreciate and enjoy all of God s creation and creatures in a new way Spiritual growth may take a lot of work at times but the rewards are definitely worth the effort As we gain a solid faith in our own worth in the sight of God we also begin to participate in the unfolding of the Kingdom of God in our midst This helps us to discover new ways to prepare for our eventual arrival into the Kingdom of Heaven **Gladys**
