

A dirt path leads through a forest of tall, thin trees. The path is illuminated by a bright light source at the end, creating a strong perspective. The trees are mostly bare, suggesting autumn or winter. The overall mood is serene and contemplative.

The greatest discovery in life is self-discovery. Until you find yourself you will always be someone else. Become yourself.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
