Committee on Education and Labor,1954 Athletic Journal ,1925 Vols 9 10 include proceedings of the 8th 11th annual meeting of the American Football Coaches Association and of the 3d 6th annual meeting of the National Association of the Basketball Coaches of the United States Art, Agency and the Continued Assault on Authorship Simon Blond,2022-10-31 This book presents a counter history to the relentless critique of the humanist subject and authorial agency that has taken place over the past fifty years It is both an interrogation of that critique and the tracing of an alternative narrative from Romanticism to the twenty first century which celebrates the agency of the artist as a powerful contribution to the wellbeing of the community It does so through arguments based on philosophical aesthetics and cultural theory interspersed with case histories of particular artists It also engages with a second issue that cannot be separated from the first This is the question of what the role and purpose of art is in society This has become particularly important since the 1990s because of the social turn in art in which it is claimed that the only valid role for art was one that had explicit social consequences This book argues that a political role for art is valuable but not the only one that can be envisaged nor indeed is it the most obvious or most important Art has other social roles both as a means to engender empathy and community and to re enchant a world bereft of meaning and reduced to material values The book will appeal to practising artists as well as scholars working in art history philosophy aesthetics and curatorial studies **Character Is Not a Statistic: the Legacy and Wisdom of Baseball's Godfather Scout Bill Lajoie** Bill Lajoie,Anup Sinha,2010-01-21 Bill Lajoie just had it When it came to drafting ballplayers and building a World Series club few in baseball history can match his extraordinary success The lessons of Lajoies illustrious career and the brilliance of his philosophy are put to print in Character is Not a Statistic After a playing career that fell achingly short of the major leagues Lajoie returned to Detroit to become a teacher in the mid 1960s But his unyielding passion for baseball and desire to atone for a broken dream pulled him back to the game as a scout From there he went on to build World Series Championships from scratch by finding players who possessed the very character he lacked as a young athlete Starting as an area scout for the Cincinnati Reds in 1965 Lajoie later moved up the ladder with the Detroit Tigers and was the architect and general manager of their 1984 World Series crowning Lajoie would then be instrumental as an assistant GM for two more franchises who dominated their decades with championships and titles the 1990s Atlanta Braves and the 2000s Boston Red Sox Perhaps no one alive has scouted more baseball over the last 50 years or has better
