**Broken Hallelujah** Jack Butler, 2013-03-01 Jack Butler's Broken Hallelujah New and Selected Poems is a celebration that refuses to explain away pain and trouble or to oversell the very transcendence it seeks. Its poems are always musical whether formal improvisational or written according to the music of speech itself. Butler understands poetry more nearly as the essence of that speech than as one of its products. The heart of the ways we know each other. Some of these forms are as old as English but the voice stays immediate and whether dark or hopeful, comic or sober, passionate or calm and knowing, these poems speak with the urgency of praise itself.

**Fed Up with Frenzy** Susan Sachs Lipman, 2012-08-01 Slow Down Reconnect. It's Easier than You Think. The hectic pace of everyday life can keep families constantly on the go, but removing some of the frenzy is easy if you just take a moment to slow down. Hit the pause button on all of life's daily distractions and reconnect with your family in familiar and exciting ways. Parenting and family expert Susan Sachs Lipman shows you the enormous benefits of having a slower-paced, more connected family. Packed with simple, affordable, and delightful games, crafts, and activities, Fed Up with Frenzy will help you spend more distraction-free time with your children. Slow down and reconnect with your family by creating your own outdoor theater, experimenting with kitchen science, playing nature games, making placemats from fall leaves, and more. Fed Up with Frenzy is a blueprint for any family that feels overwhelmed by the pace of contemporary life. Darell Hammond, Founder and CEO, KaBOOM. The heart of parenting is connection, but how do parents and children connect when they are going a mile a minute in different directions? Read this book, stop the frenzy, and reconnect. Lawrence J. Cohen, PhD, author of Playful Parenting. Fed up with Frenzy is a welcome corrective to a society that has turned childhood into a race to nowhere. With charm, energy, and wit, Susan Lipman serves up a treasure trove of ideas to bring joy and sanity back to family life. Every parent needs a copy. Carl Honoré, author of In Praise of Slowness and Under Pressure.

Hidden Bird Singing Chandana Ramachandran, 2025-08-12 Hidden Bird Singing, a collection of fifty-two short poems, offers fifty-two ways of looking at life, each opening a new vista. It could be a butterfly pea vine twinning around a mildewed clothesline, tendrils holding fast like a young child, eager but scared, clutching a grandparent's hand. It could be the sacred ash of burnt desires drizzling on the quivering earth as Shiva dances in ecstasy. The predominant theme running through most of the poems is the beauty and vibrancy of a living nature, be it an okra blossom queening in a kitchen garden or a star-studded night sky over an island beach where the Stellar and the Stygian enhance each other. A second thread is that of human life, domestic as well as universal, ranging from a delightful lesson in geography about pushing South America under the elbow of Africa to the terrible dance of death in Gaza as an un-squirming world watches children die. The poems speak of love and loss. An uneventful afternoon tea may see a moment taking off and flying into the heart like a rare little bird, rainbow-hued, cooing nectar. But at twilight, as dusk burns to cinders, a memory may cast a long, dark shadow slithering out of a half-closed door. They also speak of redemption. Death may be a castle where no colours can live. But we have the option to

reach there hitchhiking on dreams which fly like humming beetles not black but colourful hovering over every bloom

**Memoirs of a Shape-Shifter** Thomas Kaplan-Maxfield, 2010-06-12 **Harbinger** Sara Wilson Etienne, 2012-02-02 Plagued by waking visions and nightmares sixteen year old Faye thinks she s going crazy Fast She can hardly blame her parents when they ship her off to the prison like Holbrook Academy for treatment On her first night at Holbrook she feels strangely connected to the school like she s come home But when strange and terrifying things start happening to Faye and her newfound friends Faye knows she s the reason but what does it mean The handsome Kel helps her unravel the mystery but Faye is certain he s also trying to kill her and maybe the rest of the world too *Te Araroa The New Zealand Trail* Geoff Chapple, 2014-10-03 A travel book of vivid encounters with the New Zealand s people and landscape along its famous long trail When journalist Geoff Chapple wrote a newspaper article that set out a vision for a 2600 km hiking trail the length of New Zealand he never imagined that he would become the trail blazer Over five years he talked to farmers and landowners seeing where the route might be possible He then walked every step of an adventurous and remote off road trail from Cape Reinga to Bluff Chapple set up a trail building and fund raising body the Te Araroa Trust that has enlisted the support of mayors and councillors throughout New Zealand Now hundreds of New Zealanders and overseas visitors walk all or part of the trail every year This is the story of how an individual took up a dream and single mindedly created a heritage for future generations to enjoy I admire his energy and creativity and support the vision of a national trail Sir Edmund Hillary A fine far sighted quest Michael King

**Unexpected Shiny Things** Bruce Dethlefsen, 2011 In his second full length collection poems of innocence and experience take readers from the schoolyard to the trout stream from birth to death Bruce Dethlefsen s familiar folksy voice acquires new depth and darkness As Max Garland notes there s clarity that s not to be confused with naivet or simplicity Dethlefsen chooses to speak in a plain voice that makes room for the lyrical in these poems using a common vocabulary and an understated tone of voice While his previous collections have hinted at darker tints to life this book allows the darkness its due paying attention to death to loss to grief and to anger The people in this book including the

poet speaker are conflicted and multi dimensional failing trying again and in the meantime loving as best they can W E Butts praises the balance of the elliptical conversational playful and serious in Dethlefsen s poems The shifts in voice using song pun and rhyme by turn bring the reader closer to the heart of the book and then playfully skittishly evade and deflect the attention It is by what he leaves out as much as what he says that Dethlefsen expresses the inexpressible The terms which spring to mind on reading Bruce Dethlefsen s poems tenderness kindness gentleness aren t words we re used to hearing in relation to contemporary poetry These poems have a wide scope and a lot of give They re tough enough to admit how fragile they and we are And they whisper whatever you are feeling whatever you are going through you are not alone You are not alone Together these poems lead us to in Garland s words a redemptive vision of the world around us Visit [brucedethlefsen.org](http://brucedethlefsen.org) for more information about the poet Visit [cowfeatherpress.org](http://cowfeatherpress.org) for supporting materials including discussion questions for book groups an interview with the poet and audio from Unexpected Shiny Things      **Last Stories and Other Stories**
