**Holocaust** Peter Longerich,2010-04-14 A comprehensive history of the Nazi persecution and murder of European Jews paying detailed attention to an unrivalled range sources Focusing clearly on the perpetrators and exploring closely the process of decision making Longerich argues that anti-Semitism was not a mere by product of the Nazis political mobilization or an attempt to deflect the attention of the masses but that anti Jewish policy was a central tenet of the Nazi movement s attempts to implement disseminate and secure National Socialist rule and one which crucially shaped Nazi policy decisions from their earliest days in power through to the invasion of the Soviet Union and the Final Solution As Longerich shows the disappearance of Jews was designed as a first step towards a racially homogeneous society first within the Reich later in the whole of a German dominated Europe

**Wannsee** Peter Longerich,2021-10-14 The complete story of the Wannsee Conference the meeting that paved the way for the Holocaust On 20 January 1942 fifteen men arrived for a meeting in a luxurious villa on the shores of the Wannsee in

the far western outskirts of Berlin They came at the invitation of Reinhard Heydrich and were almost all high ranking Nazi Party government and SS officials The exquisite position by the lake the imposing driveway up to the villa culminating in a generously sized roundabout in front of the house the expansive carefully landscaped park the generous suite of rooms that opened on to the park and the lake the three level terrace that stretched the entire garden side of the house and the winter garden with its marble fountain all give today's visitor to the villa a good idea of its owner's aspiration to build a sophisticated almost palatial structure as a testament to his cultivation and worldly success But the beauty of the situation stood in stark contrast to the purpose of the meeting to which the fifteen had come in January 1942 the Final Solution of the Jewish Question According to the surviving records of the meeting items on the agenda included the precise definition of exactly which group of people was to be affected followed by a discussion of how upwards of eleven million people were to be deported and subjected to the toughest form of forced labour and following on from this a discussion of how the survivors of this forced labour as well as those not capable of it were ultimately to be killed The next item on the agenda was breakfast

Eckardt,A. Roy Eckardt,Irving Greenberg,Franklin H. Littell,2016-11-08 Long Night's Journey Into Day is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought To Jews the Holocaust is the most terrible happening in their history but it must also be seen as a Christian event The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust examining such issues as the relation between human and demonic culpability the charge of God's guilt and the reality of forgiveness They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church and discuss possible responses to it as exemplified in the writings of selected modern theologians and church councils This enlarged and revised edition takes into account new topics and developments including the issue of Austrian responsibility for the Holocaust the significance and aftermath of Bitburg and antisemitism in German feminism More detailed attention is

also given to other modern genocides and occasions of humanly caused mass death Additional literary historical and religious works are considered and appropriate quotations incorporated The new edition also includes a revised preface an updated bibliography and two new appendices

**Antisemitism in the North** Jonathan Adams,Cordelia Heß,2019-12-02 Is research on antisemitism even necessary in countries with a relatively small Jewish population Absolutely as this volume shows Compared to other countries research on antisemitism in the Nordic countries Denmark the Faroe Islands Finland Greenland Iceland Norway and Sweden is marginalized at an institutional and staffing level especially as far as antisemitism beyond German fascism the Second World War and the Holocaust is concerned Furthermore compared to scholarship on other prejudices and minority groups issues

concerning Jews and anti Jewish stereotypes remain relatively underresearched in Scandinavia even though antisemitic stereotypes have been present and flourishing in the North ever since the arrival of Christianity and long before the arrival of the first Jewish communities This volume aims to help bring the study of antisemitism to the fore from the medieval period to the present day Contributors from all the Nordic countries describe the status of as well as the challenges and desiderata for the study of antisemitism in their respective countries

**The Killing Trap** Manus I. Midlarsky, 2005-10-20 The Killing Trap offers a comparative analysis of the genocides politicides and ethnic cleansings of the twentieth century which are estimated to have cost upwards of forty million lives The book seeks to understand both the occurrence and magnitude of genocide based on the conviction that such comparative analysis may contribute towards prevention of genocide in the future Manus Midlarsky compares socio economic circumstances and international contexts and includes in his analysis the Jews of Europe Armenians in the Ottoman Empire Tutsi in Rwanda black Africans in Darfur Cambodians Bosnians and the victims of conflict in Ireland The occurrence of genocide is explained by means of a framework that gives equal emphasis to the non occurrence of genocide a critical element not found in other comparisons and victims are given a prominence equal to that of perpetrators in understanding the magnitude of genocide
