*Encyclopedia of Nordic Crime Fiction* Mitzi M. Brunsdale, 2016-05-12 Since the late 1960s the novels of Sjowall and Wahloo s Martin Beck detective series along with the works of Henning Mankell Hakan Nesser and Stieg Larsson have sparked an explosion of Nordic crime fiction grim police procedurals treating urgent sociopolitical issues affecting the contemporary world Steeped in noir techniques and viewpoints many of these novels are reaching international audiences through film and television adaptations This reference guide introduces the world of Nordic crime fiction to English speaking readers Caught between the demands of conscience and societal strictures the detectives in these stories like the heroes of Norse mythology know that they and their world must perish but fight on regardless of cost At a time of bleak eventualities Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit      *Facts about Finland* Riitta da Costa, Pauli Kojo, 1985      **American Book Publishing Record** , 1976      **Soviet Heroic Poetry in Context** Margaret Ziolkowski, 2013-08-15 Soviet Heroic Poetry in Context discusses key issues surrounding the composition and recording of folklore as well as its often intensely political aspect and its preoccupation with chimerical cultural authority These issues are dramatically displayed in Soviet epic compositions of the 1930s and 1940s the so called noviny new songs which took their formal inspiration largely from traditional Russian epic songs byliny songs of the past and their narrative content from contemporary political and other events in Stalinist Russia The story of the noviny is at once complex and comprehensible While it may be tempting to interpret the excrescences of Stalinism as unique aberrations the reality was often more complicated The noviny were not simply the result of political fiat an episode in an ideological vacuum Their emergence occurred in part because of specific trends and controversies that marked European folklore collection and publication from at least the late eighteenth century on as well as developments in Russian folkloristics from the mid nineteenth century on that assumed exaggerated proportions The demise of the noviny was equally mediated by a host of political and theoretical considerations This study tells the story of the rise and fall of the noviny in all its cultural richness and pathos an instructive tale of the interaction of aesthetics and ideology      *Whitaker's Cumulative Book List* , 1975      *The Cumulative Book Index*
