Fire In The Hearth The Radical Politics Of Place In America:

Fire in the Hearth Mike Davis,1990-01 **Democracy Unbound** David B. Reynolds,1997 David Reynolds explains how grassroots activists are translating mass discontent into new people driven parties in America This is the first and only book to look beyond the superficial media coverage of Ross Perot to the real movement for fundamental change **From Savage to Negro** Lee D. Baker,1998-11-23 In direct and pointed contrast to recent efforts to minimize or obscure the significance of race as a factor in social life Baker argues for renewed emphasis on its ubiquitous social reach and power Waldo Martin author of *The Mind of Frederick Douglass* *Working People of California* Daniel Cornford,2023-11-15 From the California Indians who labored in the Spanish missions to the immigrant workers on Silicon Valley s high tech assembly lines California s work force has had a complex and turbulent past marked by some of the sharpest and most significant battles fought by America s working people This anthology presents the work of scholars who are forging a new brand of social history one that reflects the diversity of California s labor force by paying close attention to the multicultural and gendered aspects of the past Readers will discover a refreshing chronological breadth to this volume as well as a balanced examination of both rural and urban communities Daniel Cornford s excellent general introduction provides essential historical background while his brief introductions to each chapter situate the essays in their larger contexts A list of further readings appears at the end of each chapter This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995 **Ecotopia 2121** Alan Marshall,2016-10-04 A 2016 Green Book Festival Future Forecasts Winner A stunningly original lushly illustrated vision for a Green Utopia published on the 500th anniversary of the original Big Idea Five hundred years ago a powerful new word was unleashed upon the world when Thomas More published his book *Utopia* about an island paradise far away from his troubled land It was an instant hit and the literati across Europe couldn t get enough of its blend of social fantasy with a deep desire for a better world Five hundred years later *Ecotopia 2121* once again harnesses the power of the utopian imagination to confront our current problems among them climate change and offer a radical alternative vision for the future of our troubled planet Depicting one hundred cities around the globe from New York to San Francisco London Tokyo Sydney Rio de Janeiro Mexico City Beijing Vienna Singapore Cape Town Abu Dhabi and Mumbai Alan Marshall imagines how each may survive and prosper A striking full color scenario painting illustrates each city The chapters tell how each community has found either a social or technological innovation to solve today s crises Fifteen American cities are covered Around the world urban planners like to tailor scenarios for the year 2020 to take advantage of the metaphor of 20 20 vision In *Ecotopia 2121* the vision may be fuzzy but its sharp insights captivating illustrations and playful storytelling will keep readers coming back again and again Waiting for the Big One

Charlotte Mazel-Cabasse,2019-08-29 This book helps understand how the future Big One a large scale and often predicted earthquake is understood defined and mitigated by experts scientists and residents in the San Francisco Bay Area Following the idea that earthquake risk is multiple and hard to grasp the book explores the earthquake s mode of existence guiding the reader through different epistemic moments of the earthquake risk definition Through in depth interviews the book provides a rarely seen anthropology of risk from the perspective of experts scientists and concerned residents for whom the possibility of partial or complete destruction of their living environment is a constant companion of their everyday lives It argues that the characterization of the threats and the measures taken to limit its impacts constitute an integrated part of both their residential experiences and their professional practices *Archaeologies of Sexuality* Robert A. Schmidt,Barbara L.

Voss,2005-06-28 Status age and gender have long been accepted aspects of archaeological enquiry yet it is only recently that archaeologists have started seriously to consider the role of sex and sexuality in their studies *Archaeologies of Sexuality* is a timely and pioneering work It presents a strong diverse body of scholarship which draws on locations as varied as medieval England the ancient Maya kingdoms New Kingdom Egypt prehistoric Europe and convict era Australia demonstrating the challenges and rewards of integrating the study of sex and sexuality within archaeology This volume with contributions by many leading archaeologists will serve both as an essential introduction and a valuable reference tool for students and academics *A Game As Old As Empire* Steven Hiatt,2007-02-28 John Perkins controversial and bestselling expos

Confessions of an Economic Hit Man revealed for the first time the secret world of economic hit men EHMs But Perkins *Confessions* contained only a small piece of this sinister puzzle The full story is far bigger deeper and darker than Perkins personal account revealed Here other EHMs journalists and investigators join Perkins to tell their own stories providing the first probing and expansive look into this pervasive web of systematic corruption With chapters spotlighting how specific countries around the globe have been subverted *A Game As Old As Empire* uncovers the inner workings of the institutions behind these economic manipulations The contributors detail concrete examples of how the economic hit man game is still being played an officer of an offshore bank hiding hundreds of millions of dollars in stolen money IMF advisers slashing Ghana s education and health programs a mercenary defending a European oil company in Nigeria a consultant rewriting Iraqi oil law and executives financing warlords to secure supplies of coltan ore in Congo Together they show how this system of corruption and plunder operates in real life and reveal the price that the rest of the world must pay as a result Most important *A Game As Old As Empire* connects the dots showing how the various pieces of this system come together to create the world s first truly global empire *The Puerto Rican Movement* Andrés Torres,José Emiliano Velázquez,1998 Little attention has been paid to the Latino movements of the 1960s and 1970s in the literature of social movements This volume is the first significant look at the organizations that emerged in the late 1960s to promote Puerto Rican independence and the radical transformation of U S society The Puerto Rican movement was a response to U S colonialism on the island

and to the poverty and discrimination faced by most Puerto Ricans on the mainland This anthology looks at the organizations that emerged to combat these two problems in such places as Boston Chicago Hartford New York and Philadelphia Almost all the contributors worked with the organizations they describe Interviews with such key figures as Elizam Escobar Piri Thomas and Luis Fuentes as well as accounts by people active in the gay lesbian African American and white Left movements create a vivid picture of why and how people became radicalized and how their ideals intersected with their group's own dynamics

A Game As Old As Empire , The Boston Renaissance Barry Bluestone, Mary Huff Stevenson, 2000-06-29 This volume documents metropolitan Boston's metamorphosis from a casualty of manufacturing decline in the 1970s to a paragon of the high tech and service industries in the 1990s The city's rebound has been part of a wider regional renaissance as new commercial centers have sprung up outside the city limits A stream of immigrants have flowed into the area redrawing the map of ethnic relations in the city While Boston's vaunted mind based economy rewards the highly educated many unskilled workers have also found opportunities servicing the city's growing health and education industries Boston's renaissance remains uneven and the authors identify a variety of handicaps low education unstable employment single parenthood that still hold minorities back Nonetheless this book presents Boston as a hopeful example of how America's older cities can reinvent themselves in the wake of suburbanization and deindustrialization A Volume in the Multi City Study of Urban Inequality **Canaries on the Rim** Chip Ward, 2001-05-17 A quest to understand the secret history of ecocide in Utah

Health Psychology Elizabeth D. Whitaker, 2016-12-05 This reader looks at both the biological and cultural aspects of health and healing within a comparative framework Health and Healing in Comparative Perspective provides both fascinating comparative ethnographic detail and a theoretical framework for organizing and interpreting information about health While there are many health related fields represented in this book its core discipline is medical anthropology and its main focus is the comparative approach Cross cultural comparison gives anthropological analysis breadth while the evolutionary time scale gives it depth These two features have always been fundamental to anthropology and continue to distinguish it among the social sciences A third feature is the in depth knowledge of culture produced by anthropological methods such as participant observation involving long term presence in and research among a study population For medical anthropology medical sociology public health nursing courses

Leaders from the 1960s David De Leon, 1994-06-22 The throngs at Woodstock Jane Fonda in Hanoi I Have a Dream burning draft cards fire in the streets these images of the 1960s are still very much alive today What happened to the people and principles that dominated that decade Which leaders from those turbulent years had the most lasting effect on our lives today How well have the principles for which those leaders fought so strongly withstood the test of time This thought provoking biographical dictionary allows the reader to study the leaders both conservative and liberal their ideals and their enduring influence With major sections on racial democracy peace and freedom sexuality and gender the environment radical culture and visions of alternative societies Leaders from the 1960s includes entries on a wide

selection of nationally prominent activists of the 1960s In addition to those who dominated only the sixties the volume includes earlier activists who came into prominence in the 1960s and activists of the era who came into prominence since the 1960s Each entry provides a biographical sketch but the focus of the entries is on the person s basic concepts or the essence of his or her work and the public response it generated Included are extensive bibliographies on the individuals and the period

Origination Andy Pike,2015-03-24 *Origination The Geographies of Brands and Branding* offers innovative theoretical and conceptual frameworks relating to the ways that actors create meaning and value in commodity brands and branding through processes of geographical association Provides innovative conceptualization and theorization to facilitate an understanding of the geographical dimensions of brands and branding Challenges current interpretations of brands as vehicles of homogenization in globalization Establishes the theoretical and conceptual foundations of a more geographically sensitive approach through rigorous empirical examination of the under researched geographical differentiation of commodity brands and branding Presents innovative new research and analysis of the socio spatial biographies of the Newcastle Brown Ale Burberry and Apple brands Forges strong new connections between political and cultural economy approaches within geography Provides a distinctive and incisive conceptual and theoretical framework capable of engaging other branded commodities and their branding in other times and places

Places and Politics in an Age of Globalization Roxann Prazniak,Arif Dirlik,2001-02-07 This ambitious work provides a unique statement on the question of place based activism and its relationship to powerful forces of international capital Arguing that specific places around the world are sites for the defense and enhancement of daily life in the context of rapidly expanding global technologies and investment options the contributors reach for a vision of social development that supports sustainable humane cultures Bringing together the local and the global this work provides the first sustained linkage of ethnic groups in diaspora to macrocosmic processes of world capital that inevitably reach down to mediate even the most local experiences The essays ranging in their discussion of place from Los Angeles and New York to New Zealand and Indonesia offer both reasoned argument and authoritative information on how local experience interacts with larger processes of global capital and the diasporic phenomenon The book will be an invaluable resource and launching point for scholars and students in ethnic and identity studies and will interest all readers exploring the production of place and identification

The Wages of Whiteness David R. Roediger,1999 *THE WAGES OF WHITENESS* provides an original study of the formative years of working class racism in the United States In an Afterword to this second edition Roediger discusses recent studies of whiteness and the changing face of labor itself then surveys criticism of his work He accepts the views of some critics but challenges others

The Road to Resegregation Alex Schafran,2018-10-09 How could Northern California the wealthiest and most politically progressive region in the United States become one of the earliest epicenters of the foreclosure crisis How could this region continuously reproduce racial poverty and reinvent segregation in old farm towns one hundred miles from the urban core This is the story of the

suburbanization of poverty the failures of regional planning urban sprawl NIMBYism and political fragmentation between middle class white environmentalists and communities of color As Alex Schafran shows the responsibility for this newly segregated geography lies in institutions from across the region state and political spectrum even as the Bay Area has never managed to build common purpose around the making and remaking of its communities cities and towns Schafran closes the book by presenting paths toward a new politics of planning and development that weave scattered fragments into a more equitable and functional whole

The Country in the City Richard A. Walker, 2009-11-23 Winner of the Western History Association's 2009 Hal K Rothman Award Finalist in the Western Writers of America Spur Award for the Western Nonfiction Contemporary category 2008 The San Francisco Bay Area is one of the world's most beautiful cities Despite a population of 7 million people it is more greensward than asphalt jungle more open space than hardscape A vast quilt of countryside is tucked into the folds of the metropolis stitched from fields farms and woodlands mines creeks and wetlands In The Country in the City Richard Walker tells the story of how the jigsaw geography of this greenbelt has been set into place The Bay Area's civic landscape has been fought over acre by acre an arduous process requiring popular mobilization political will and hard work Its most cherished environments Mount Tamalpais Napa Valley San Francisco Bay Point Reyes Mount Diablo the Pacific coast have engendered some of the fiercest environmental battles in the country and have made the region a leader in green ideas and organizations This book tells how the Bay Area got its green grove from the stirrings of conservation in the time of John Muir to origins of the recreational parks and coastal preserves in the early twentieth century from the fight to stop bay fill and control suburban growth after the Second World War to securing conservation easements and stopping toxic pollution in our times Here modern environmentalism first became a mass political movement in the 1960s with the sudden blooming of the Sierra Club and Save the Bay and it remains a global center of environmentalism to this day Green values have been a pillar of Bay Area life and politics for more than a century It is an environmentalism grounded in local places and personal concerns close to the heart of the city Yet this vision of what a city should be has always been informed by liberal even utopian ideas of nature planning government and democracy In the end green is one of the primary colors in the flag of the Left Coast where green enthusiasms like open space are built into the fabric of urban life Written in a lively and accessible style The Country in the City will be of interest to general readers and environmental activists At the same time it speaks to fundamental debates in environmental history urban planning and geography
