Impulse-Control Disorders Autumn Libal, 2014-09-02 Have you ever known that you shouldn't do something but just couldn't stop yourself? Of course you have. Perhaps you couldn't resist having one more piece of birthday cake. Maybe your brother or sister made you so mad that you couldn't help yelling. Everyone experiences uncontrollable impulses like these sometimes. But what if these impulses happened to you all the time? How would you interact with your family, do your work at school, or make friends if you couldn't control your impulses? Jeremiah, for instance, loved fire. He loved everything about it: the way it looked, the way it smelled, how its heat enveloped everything. Even though he knew it was wrong, Jeremiah lit fires and watched them incinerate, eat, and destroy everything in their paths. Jeremiah also liked the smoke detectors in his house. He loved taking them apart. Sometimes after school, Jeremiah would sit in his room, dismantle the smoke detector piece by piece, and then put it back together. Once the smoke detector was reassembled, Jeremiah would light a match beneath it and time how many seconds it took before the detector let out its high-pitched squeal. People like Jeremiah cannot control all the impulses they feel. Some people may get uncontrollably angry, steal, light fires, gamble, pull their own hair, or perform other impulsive actions that are harmful to themselves, their families, and their friends. When a person has repetitive impulses like these, he may be suffering from a psychiatric condition known as an impulse control disorder. The stories and information in this book will tell you more about impulse control disorders, how they affect people's lives, and how they can be treated.

Fight Kenny Luck, 2008-07-15 Suit up for the ultimate fight. There's a terrifying truth facing today's men, and it's caught many off guard. But once that first overwhelming challenge hits, the reality about evil becomes clear. Every one of us is in a fight for our lives. The enemy is real, and so is the danger. But powerful forces convince us to ignore the spiritual war surrounding us. And that willing surrender ensures the total destruction of all we hold dear. But a new generation of God's men is beginning to engage with the tools and training to take the fight to the enemy and respond with boldness and duty. This book is the manual for recognizing the deceptions about doing true spiritual battle, realizing the roles men play at the front lines, and rescuing the captives from the enemy's stronghold. It's been said that all evil needs to succeed is for good men to do nothing. Kenny excels at showing the bigger story we're engaged in. **Fight** is a must-read for men to defeat the enemy where each of us lives: in our marriages, our families, and all our spheres of influence. Jim Weidmann, *The Family Night Guy*, senior vp of Promise Keepers and author of the *Family Night Tool Chest* series. The call has been issued, but the decision is yours. Will you suit up, get in the battle, and fight? Look for the **Fight Workbook**, a hands-on guide for personal or group study.

The Dublin University Magazine, 1842 **Finnegan's Week** Joseph Wambaugh, 2011-11-29 A toxic spill causes a lethal chain reaction for a San Diego cop in this very funny New York Times bestseller by the author of *The Choirboys*. Kirkus Reviews: Fin Finnegan, a San Diego police detective and wannabe actor heading straight for a midlife meltdown, is assigned a routine truck theft that turns into a toxic chemical spill, setting off a bizarre chain reaction of death and murder on both sides of the Mexican border. Fin is forced to team up with Nell Salter, a sexy female investigator, as well as an equally fetching US

Navy investigator who wants to learn all that Fin can teach her and that's saying a lot The New York Times Book Review called it a frolic a joy a hoot a riot of a book And Entertainment Weekly said superbly crafted and paced deliciously funny but fundamentally as always deadly serious **By Fire** Tahar Ben Jelloun, 2016-06-15 Tahar Ben Jelloun's *By Fire* the first fictional account published on the Arab Spring reimagines the true life self immolation of Mohamed Bouazizi in Tunisia an event that has been credited with setting off the Tunisian revolt The novella depicts the days leading up to Bouazizi's self immolation Ben Jelloun's deliberate ambiguity about the location of the story set in an unnamed Islamic country allows the reader to imagine the experiences and frustrations of other young men who have endured physical violence and persecution in places beyond Tunisia The tale begins and ends in fire and the imagery of burning frames the political accounts in *The Spark* Ben Jelloun's nonfiction writings on the Tunisian events that provide insight into the despotic regimes that drove Bouazizi to such despair Rita S Nezami's elegant translations and critical introduction provide the reader with multiple strategies for approaching these potent texts
