Charles Haddon Spurgeon

Fire Upon The Altar A Revival Message:

Fire Upon the Altar Gene Easley, 2017-04 The author's message both shows the need for revival in the church and gives inspiration to the reader to seek revival in his or her heart Chapter 1 is entitled Padded Pews and Empty Altars It emphasizes our need to pray Material affluence is not the answer for our needs We need a close relation with God and that relation will only be developed through communing with God in prayer The title of Chapter 2 is This Is That It refers to Acts 2 where Peter proclaimed that the outpouring of the Holy Spirit that they received on the Day of Pentecost was the fulfillment of the prophecy in Joel 2 28 29 The question mark placed in this chapter title is there to challenge us to examine ourselves Is our experience in the Holy Spirit that which Joel was prophesying about in his book The last chapter of the book is the author's personal testimony of receiving the baptism in the Holy Spirit The book's purpose is to place a new hunger in our hearts for more of God **Pillar of Fire**, 1929 *The Emergence of Pentecostalism in Wales* Chris Palmer, 2019-02-15 British Pentecostalism is linked to the Azusa Street Revival in Los Angeles through T B Barratt and Anglican vicar Alexander A Boddy at Sunderland Boddy's experience and subsequent ministry set the foundation in Britain for the rise of the Apostolic Church the Elim Church and the Assemblies of God Each of these Pentecostal denominations had their roots in Wales Following the Welsh Revival of 1904 05 some enthused by their experience sought a deeper relationship with God and this search ultimately led them to Pentecostalism A group of eager believers emerged around the town of Crosskeys in South East Wales By 1912 they had established the Crosskeys Full Gospel Mission which soon became a centre for Pentecostal activity The central role of the Crosskeys group is seen in the development of the Assemblies of God in Wales and Monmouthshire denomination which was in existence by 1921 The Crosskeys based group had been in correspondence with the American Assemblies of God AG regarding joining that denomination as an official presbytery It was this action that caused a group of like minded English Pentecostals to pursue the establishment of the Assemblies of God in Great Britain and Ireland in 1924 This British denomination incorporated some thirty eight Welsh Pentecostal assemblies This book considers some of the important theological political and social influences which shaped the brand of Pentecostalism that emerged in South East Wales in the early twentieth century a movement which was to have a wide ranging influence on subsequent Pentecostal history far beyond the borders of Wales When the Spirit Comes T. J. Saxby, 2000 This booklet attempts to explore some of the underlying themes traceable in historical revivals with examples from many places and ages The trouble is the Church can continue perfectly well in the mechanics of its weekly routine At least for a time But sooner or later those who truly love the Lord find the burden of their dryness and fruitless becomes intolerable The howling wilderness becomes a place of tears and cries to God The return of His presence and power becomes an all consuming hunger May God revive us *Victorian Religious Revivals* David Bebbington, 2012-05-31 Revivals are outbursts of religious enthusiasm in which there are numerous conversions In this book the phenomenon of revival is set in its broad historical and historiographical context David

Bebbington provides detailed case studies of awakenings that took place between 1841 and 1880 in Britain North America and Australia showing that the distinctive features of particular revivals were the result less of national differences than of denominational variations These revivals occurred in many places across the globe but revealed the shared characteristics of evangelical Protestantism Bebbington explores the preconditions of revival giving attention to the cultural setting of each episode as well as the form of piety displayed by the participants No single cause can be assigned to the awakenings but one of the chief factors behind them was occupational structure and striking instances of death were often a precipitant Ideas were far more involved in these events than historians have normally supposed so that the case studies demonstrate some of the main patterns in religious thought at a popular level during the Victorian period Laymen and women played a disproportionate part in their promotion and converts were usually drawn in large numbers from the young There was a trend over time away from traditional spontaneity towards more organised methods sometimes entailing interdenominational co operation

DARE TO BE DIFFERENT! Idongesit Okpombor,2013-10-17 Inferior men are made superior in the interior The congregation can never rise above the pulpit and the pulpit can never rise above the closet If the church were a University of Hypocrisy a greater number of men would be Professors DARE TO BE DIFFERENT is meant to take us back to Bible FAITH It is meant to Stoutly Defend Bible Christianity in the face of awful deviations It is meant to remind us the truths of God s Word which should never change through the years It is meant to point both pastor and member back to the Old Rugged Cross At some point it may hurt at another it may challenge but ultimately it will rekindle the true fire for the cause of JESUS and His kingdom alone The National Preacher Or Original Monthly Sermons from Living Ministers ,1834
