injuries and deaths requires the dedicated efforts of every fire fighter of every fire department and of the entire fire community working together. It is with this goal in mind that we have integrated the 16 Fire Fighter Life Safety Initiatives developed by the National Fallen Fire Fighter Foundation into Chapter 2 Fire Fighter Safety. In most of the chapters actual National Fire Fighter Near Miss Reporting System cases are discussed to drive home important points about safety and the lessons learned from those real life incidents. It is our profound hope that this textbook will contribute to the goal of reducing line of duty deaths by 25 percent in the next 5 years. Fundamentals of Fire Fighter Skills Second Edition thoroughly supports instructors and prepares students for the job. This one volume text meets and exceeds the Fire Fighter I and II professional qualifications levels as outlined in the 2008 edition of NFPA 1001 Standard for Fire Fighter Professional Qualifications. It also covers all of the Job Performance Requirements (JPRs) listed in the 2008 edition of NFPA 472 Standard for Competence of Responders to Hazardous Materials Weapons of Mass Destruction Incidents at the awareness and operations levels including Section 6.2 Mission Specific Competencies Personal Protective Equipment and Section 6.6 Mission Specific Competencies Product Control. The Long Beach Fire Departments adaptability has been tested by a wide variety of disasters that have marked it as a unique firefighting force on the West Coast. Thousands of residents and others have owed their very lives to the department since its 1897 formation. The LBFD moved into action during the devastating 1933 Long Beach earthquake in which its own Fire House No. 1 was reduced to

rubble Its firefighters have quelled oilfield blazes through the 20th century and its fireboats have poured water onto flames engulfing the docks and warehouses of the bustling port Other duties have included such side excursions as working standby during Howard Hughes 1947 flight of the Spruce Goose and taking care of Sam the cat a Station 6 mainstay who slid down the fire pole to the delight of television audiences
