Firefighter's Virgin Claire Adams, She wants him to be her first time But it could be ruined by his secrets Megan has always followed the rules she has tried to be the good girl her entire life But sometimes being the good girl doesn't exempt you from injustice or pain Having moved to a new city Megan finds herself infatuated with her brother's friend Phil is handsome smart and incredibly sexy but he has secrets and Megan's not sure if he is the man he claims to be Phil has worked hard to get his life together and become a firefighter His father is dead his mother left a long time ago and he has a brother he hasn't seen in two years But family is whom you choose and Phil has chosen Megan She is his friend's sister but more importantly she's his best friend possibly even his soul mate Phil isn't quite sure he even believes in soul mates but meeting Megan has opened up his mind and his heart But sometimes the past doesn't always stay in the past and when Phil's troubled adolescence comes back to haunt him he stands to lose everything he has fought so hard to achieve his career his future and most of all Megan The Scourge Tom Mayer,2025-02-23 The idea for the story The Scourge came to me while I was driving through Arizona and the California desert one late night looking at the ominous dust clouds filled with circling night hawks against the windy night sky It looked creepy at best When I got to my motel room on the side of the table I read a holy bible about Matthew Jesus who chased out the demons I put them together and figured that anyone could be in hell so the selection of characters was almost infinite I would also see the rail cars filled with tanks and other military equipment crossing the desert On one memorable occasion I noticed a rail car loaded with migrant workers crossing the same area so I decided to use that in my story This is how the idea of The Scourge was birthed Writing The Scourge I envisioned what it would take to bring The Legion in Matthew back into modern times This is not a bible study story it is a profound dark scary novel There is a lot of violence action and sex in the story These elements were necessary for this type of story to show how it resurfaced on Earth again Without them the story would have been lifeless and dull Plus taking on the challenge of writing this particular story is considered The Holy Grail of all Horror Stories The last story element needed to be told from the

perspective of two people already in hell who were given a chance to change sides That gave the story a unique twist Many have tried to make this happen but none have succeeded I hope you enjoy my story if you are a fan of darkness **Journal of the Senate, Legislature of the State of California** California.
