*1st and Forever* Bob Casciola, Jon Land, 2018-08-28 Against a backdrop of increasing pressures and criticism of the game itself *1st and Forever* takes a stand to contend that football is vital by showcasing the inner character of those who've played the game From European refugees who carved out their legacies between yard markers to life changing humanitarians inspired by their on field experiences to Hall of Fame players whose positive influence has extended far beyond the close of their careers *1st and Forever* stitches a tale of lives bettered defined and enriched by a sport that is like no other As a long time coach and former president of the National Football Foundation Bob Casciola has served the game he loves for decades In *1st and Forever* he takes that service to a new level by laying out his case for why and how football must be saved Through a series of inspiring tales of his own experiences and interactions with many of those both big names and not with whom he's crossed paths Bob makes a case that the future for football can be as bright as its past *1st and Forever* illuminates that the experience of the game itself is too positive and beneficial to cast aside especially for today's youth who deserve the same opportunity to shine on the field as well as off it
