First And Second Chronicles A Commentary:

First and Second Chronicles Steven Shawn Tuell, 2012 **Eerdmans Commentary on the Bible: First and Second Chronicles** Richard J. Coggins, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Coggins's introduction to and concise commentary on First and Second Chronicles The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions *First & Second Chronicles- Everyman's Bible Commentary* John Sailhamer, 1983-03-15 To its own generation the book of Chronicles was a vivid reminder of hope in the faithfulness of God a reminder of the promise made both to the world and to the house of David of peace and prosperity to be fulfilled through the covenant people of God Structurally the book may be considered an exegetical summary of Old Testament history Not only does it recount the important events of God's dealing with Israel but it also explains the significance of those events to Israel's history *Commentary on First and Second Chronicles* James Burton Coffman, Thelma B. Coffman, 1993 **Eerdmans Commentary on the Bible: First and Second Esdras** John J. Schmitt, Hugh G. M. Williamson, 2021-04-13 This extract from the Eerdmans Commentary on the Bible provides Schmitt and Williamson's introduction to and concise commentary on First and Second Esdras The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions **2 Chronicles** Martin J. Selman, 1994 The Chronicler wrote as a pastoral theologian The congregation he addressed was an Israel separated from its former days of blessing by a season of judgment The books of 1 and 2 Chronicles address a divine word of healing and reaffirm the hope of restoration to a nation that needed to regain its footing in God's promises and to reshape its life before God The Chronicler expounds the Bible as he knows it skillfully weaving his commentary into the linear text of Israel's history His theme is straightforward the promises of God revealed in the Davidic covenant are as trustworthy and as effective as the God who first uttered them In two volumes Martin

Selman provides an excellent interpretation of these sorely neglected yet profound books of the Old Testament This volume on 2 Chronicles continues to build on the groundwork laid by its companion in 1 Chronicles *Eerdmans Commentary on the Bible: First and Second Kings* Roger Tones,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Tones introduction to and concise commentary on First and Second Kings The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions

Eerdmans Commentary on the Bible: First and Second Samuel Graeme Auld,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Auld s introduction to and concise commentary on First and Second Samuel The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions

First & Second Kings-Everyman's Bible Commentary Robert Hubbard,1991-09-09 By the waters of Babylon in the sixth century B C the Jewish people felt like permanent refugees in a foreign land Israel had undergone captivity once before in Egypt This time the people were in exile because of disobedience The books of 1 and 2 Kings were meant as an antidote for the sorrow of heart that afflicted their souls Robert L Hubbard Jr guides you through the maze of kings and empires prophets and priests that are the subjects of those two Old Testament historical books In those books Hubbard says are peaks of unbelievable glory and valleys of unforgettable despair His study of 1 and 2 Kings and of the chaotic time chronicled in those books is written in a comfortable style but with scholarly care Hubbard applies to our lives today the lessons learned through years of pain Scholar and layman alike will appreciate the combination of readability and scholarly investigation that marks this book

1, 2 Chronicles J. A. Thompson,1994-12-02 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text *The Abingdon Bible Commentary* Frederick Carl Eiselen,Edwin Lewis,David George Downey,1929 *1 and 2 Chronicles* Andrew E. Hill,2010-05-11 The NIV Application Commentary helps

you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written *First and Second Chronicles* Abingdon Press, 1994-06 Revised and updated Based on the NRSV and NIV translations Covers every book verse by verse Each volume also contains maps charts a pronunciation guide and a glossary Available in sets or individually *First And Second Chronicles* John C. Endres, 2016-12-01 In the era in which the Chronicler writes the pressing question is How will Judeans reestablish themselves after the Babylonian exile The Chronicler's answer is to encourage the people of Israel to live out of their memory of God's mercy and compassion Knowing and cherishing the books of Samuel and Kings the writer interprets their message differently because the people of his era face new challenges to their life and faith This commentary highlights the special character of First and Second Chronicles by pointing out subtle ways in which the Chronicler changes the story of Israel Many of these slight changes in wording reflect theological shifts in the postexilic era The Chronicler sees a need for a strong spiritual center that is clearly located in the Jerusalem temple and its life of worship and prayer Alienated northern tribes may enter this religious world by participating in temple worship New and original materials describe the services and the roles of Levites and priests at the temple Kings foster worship and demonstrate a spirituality of repentance Israel can again become a people united if all join together in worship To the discouraged this history offers hope *First Chronicles, Second Chronicles* Alice L. Laffey, 1985 **Global Bible Commentary** Teresa Okure, 2004 The Global Bible Commentary invites its users to expand their horizon by reading the Bible with scholars from all over the world and from different religious persuasions These scholars have approaches and concerns that often are poles apart Yet they share two basic convictions biblical interpretation always matters and reading the Bible with others is highly rewarding Each of the short commentaries of the Global Bible Commentary is a readily accessible guide for reading a biblical book Written for undergraduate and seminary students and their teachers as well as for pastors priests and Adult Sunday School classes it introduces the users to the main features of the biblical book and its content Yet each short commentary does more It also brings us a precious gift namely the opportunity of reading this biblical book as if for the first time By making explicit the specific context and the concerns from which she he reads the Bible the scholar points out to us the significance of aspects of
