Nine months after the spill that catapulted him to the prime ministership Scott Morrison won the 2019 election shocking politicians and political pundits and quite possibly himself Yet unlike his predecessors little was really known about the former marketing man whose hard nosed political instincts and daggy dad persona saw him become the 30th Prime Minister of Australia Voters knew what he allowed them to see a policy embrace of slogans like Stop the Boats his deft rebuttal of media enquiries his love for Jen and his two daughters that he liked to cook a curry on Saturday nights and that his faith and the Cronulla Sharks were a big part of his life But a man is more than sound bites and social media posts So who the bloody hell is Scott Morrison In this revealing biography political journalist Annika Smethurst uncovers the man behind the headlines and slogans to show us what makes Scott Morrison tick Taking us from his childhood as the son of a local policeman to a meeting that would lead to marriage to his teenage sweetheart The Accidental PM will tell the personal and the political There are questions about Morrison s early business career and his preselection that when answered will paint a clearer picture of the man leading our country and give greater insight into how he won the miracle election Whether Morrison s ego and temperament will see him falter in hard times or whether he will use the lessons of his life to end the revolving door of PMs to become one of Australia s best prime ministers is still to be discovered But knowing the man will allow us all to know the path he will lead us on *John L.
