John Knox,1878 The First Blast of the Trumpet against the monstrous regiment of Women John Knox,2020-01-09 In The First Blast of the Trumpet against the monstrous regiment of Women John Knox presents a provocative polemic that challenges the legitimacy of female sovereignty in the 16th century Utilizing a spirited and often confrontational literary style Knox draws from Scriptural authority and theological discourse to argue that women should not hold positions of power over men This work emerges from the turbulent religious and political context of the Reformation wherein traditional gender roles were increasingly contested and it reflects the contentious atmosphere surrounding the governance of Elizabethan England particularly in light of the ascendance of female rulers like Mary I and Elizabeth I Knox s rhetoric infused with Biblical references and societal critique serves as both a reflection of his time and a call to arms against perceived moral decay John Knox a prominent Scottish Reformer and theologian emerges as a formidable voice in Protestant discourse firmly advocating for Reformed doctrines while vehemently opposing the Catholic establishment His staunch adherence to patriarchal norms coupled with personal experiences of tumultuous political climates and interactions with powerful women in his life informs his argument As a key figure in the Reformation Knox s views were shaped not only by theological considerations but also by a keen awareness of contemporary societal dynamics Highly recommended for scholars of Reformation history and gender studies this text invites readers to engage critically with early feminist critiques and the evolution of gendered power structures Knox s work remains a crucial if controversial commentary on the role of women in society offering insights into both the theological underpinnings of his beliefs and the broader implications of his rhetoric in challenging the status quo

Blast of the Trumpet Against the Monstrous Regiment of Women - The Original Classic Edition ,2012-03-01 The First Blast of the Trumpet against the monstrous regiment of Women by John Knox The Original Classic Edition Finally available a high quality book of the original classic edition It was previously published by other bona fide publishers and is now after many years back in print This is a new and freshly published edition of this culturally important work which is now at last again available to you Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside We see our country set further for a prayer to foreign nations we hear the blood of our brethren the members of Christ Jesus most cruelly to be shed and the monstrous empire of a cruel woman the secret counsel of God excepted we know to be the only occasion of all the miseries and yet with silence we pass the time as though the matter did nothing appertain to us If in the happiest moment of his happiest dream JOHN KNOX could have foreseen our good and revered Queen VICTORIA reigning in the hearts of the millions of her subjects and ruling an Empire wider by far than those of Spain and Portugal in his day if he could have seen England and Scotland ONE COUNTRY bearing the name which as almost of prophecy he has foreshadowed for them in this tract the Isle of Great Britain if he could have beheld that one country as it now abides in its strength and its wealth the most powerful of European states if he could have realized free Italy with Rome the Popes without temporal power and modern civilisation more than a match for Papal intrigues if he could have known that the gospel for which he lived had regenerated the social life of Great Britain that it was the confessed basis of our political action and the perennial spring of our Christian activities so that not merely in physical strength but in moral force and mental enlightenment we are in the van of the nations of the world if the great Scotch Reformer had but had a glimpse of this present reality this tract would never have been written and he would willingly have sung the psalm of Asaph and passed out of this life
