A Catechism for Family Life Sarah Bartel, John S.

Grabowski, 2018-08-29 The purpose of *A Catechism for Family Life: Insights from Catholic Teaching on Love, Marriage, Sex, and Parenting* is to present the teachings of the Catholic Church as they relate to specific questions in marriage and family life. Many Catholics are under-catechized and have trouble both understanding and articulating Church teaching on sexuality and marriage to an increasingly challenging culture. Pope Francis along with the fathers of the two recent Synods on the Family have called for better formation for those who work in the area of marriage and family life. See *Amoris Laetitia* 202. To address this need, we gathered pertinent questions facing men, women, and pastoral workers in marriage and family life. We then found passages relevant to these questions by researching Church documents on marriage and family from the past one hundred years. These include papal encyclicals, apostolic exhortations and addresses, Vatican II documents, and the Catechism of the Catholic Church. Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life. While the Catholic Church has developed a rich, detailed, and positive teaching on marriage, family, and sexuality, many Catholics do not have access to this teaching buried as it is in lengthy Church documents which many find intimidating. Finding the relevant teaching to address specific questions is not always a simple task either. This book's main contribution is to present Church teaching relevant to marriage and family in one volume, clearly organized by topic and question.

Scripture and the Mystery of the Family of God Scott Hahn, Leon J. Suprenant, Leon Suprenant, 1998 Imagine today's top Catholic authors, apologists, and theologians. Now imagine 12 of them collaborating on a book that answers common questions about and challenges to the teachings and doctrines of the Catholic Church. Imagine no more: it's a reality. How's that for an endorsement? Catholic for a Reason, edited by Dr. Scott Hahn and Leon J. Suprenant with the foreword by Archbishop Charles J. Chaput, yes, we're name-dropping, will help Catholics and non-Catholics alike develop a better understanding of the Church. Each chapter goes to the heart of its topic, be it Mary, the Eucharist, Baptism, or Purgatory, and in a clear, concise, and insightful way presents the teachings of the Church. Those teachings are explained in the light of the relationship of God the Father to us, his creatures.

The Bible and Marriage (A Catholic Biblical Theology of the Sacraments) John S. Bergsma, 2024-11-05 The Catholic Biblical Theology of the Sacraments series provides readers with a deeper appreciation of God's gifts and call in the sacraments through a renewed encounter with God's Word. In *The Bible and Marriage*, leading Catholic teacher and popular speaker John Bergsma offers a biblical theology of marriage rooted in the Old and New Testaments that will be interesting and informative to the church catholic. This book shows the biblical basis for the teaching that marriage is a sacrament. It provides lay teachers with background and depth on a topic taught frequently in the parish, making it suitable for classroom use and parish ministry. Series editors Timothy C. Gray and John Sehorn teach at the Augustine Institute Graduate School of Theology. Gray is also president of the Augustine Institute.
