First Ghost To Canada:

Prizing Literature Gillian Roberts, 2011-01-01 When Canadian authors win prestigious literary prizes from the Governor General's Literary Award to the Man Booker Prize they are celebrated not only for their achievements but also for contributing to this country's cultural capital. Discussions about culture, national identity and citizenship are particularly complicated when the honorees are immigrants like Michael Ondaatje, Carol Shields or Rohinton Mistry. Then there is the case of Yann Martel who is identified both as Canadian and as rootlessly cosmopolitan. How have these writers' identities been recalibrated in order to claim them as representative Canadians? *Prizing Literature* is the first extended study of contemporary award-winning Canadian literature and the ways in which we celebrate its authors. Gillian Roberts uses theories of hospitality to examine how prize-winning authors are variously received and honoured depending on their citizenship and the extent to which they represent Canadianness. *Prizing Literature* sheds light on popular and media understandings of what it means to be part of a multicultural nation.

Running the gamut from lost cities to rodent invasions, from rum runners to teenage heroines, from monstrous sea creatures to circus riots, these true forgotten stories from Atlantic Canada will astound readers of all ages. Combining meticulous research with vivid storytelling, captivating anecdotes and a human touch, Backyard History takes readers on an entertaining and exhilarating ride detailing the rich undiscovered past of a region which has long been renowned for its storytelling.

Eerie Whispers Brian Baker, 2025-09-30 Why are Canadians afraid of ghosts? Canada's paranormal roots run deep. We tell ghost stories around flickering campfires and share unexplained encounters with family and friends. Yet our polite, risk-averse nation often buries these experiences, rarely encouraging them in the places we live or in our arts and entertainment. Fear of stigma and discomfort with the unknown, especially death, keep the supernatural in the shadows. We allow only flirtations with ghosts, ghouls and goblins, mostly at Halloween. *Eerie Whispers* explores Canada's haunted history, drawing from the diverse folklore of its immigrant communities and the traditional stories of Indigenous Peoples. It asks why Canadians, unlike Americans or the British, are reluctant to celebrate this part of our culture. Brian Baker encourages us to embrace the uncanny and find the courage needed to amplify our nation's supernatural voice.
