Hollywood in Crisis Colin Schindler,2005-08-19 Hollywood in Crisis is a detailed study of the workings of the American film industry during the 1930s Colin Schindler looking at Hollywood as an agent of Roosevelt s New Deal and the attempts made by film moguls and movie makers to withstand the political turmoil that threatened to engulf America Schindler illustrates how the studios and their products from the glamour of MGM stars and escapist musicals to gangster movies and Westerns even to the radical films of the Warner studios helped foster ideas of social unity and patriotism **Lt. Spalding in Civil War Louisiana** Michael D. Pierson,2016-11-02 In July 1862 Union Lieutenant Stephen Spalding wrote a long letter from his post in Algiers Louisiana to his former college roommate Equally fascinating and unsettling for modern readers the comic cynicism of the young soldier s correspondence offers an unusually candid and intimate account of military life and social change on the southern front A captivating primary source Spalding s letter is reproduced here for the first time along with contextual analysis and biographical detail by Michael D Pierson Lt Spalding in Civil War Louisiana lifts the curtain on the twenty two year old s elitist social attitudes and his consuming ambition examining the mind of a man of privilege as he

turns to humor to cope with unwelcome realities Spalding and his correspondent James Peck both graduates of the University of Vermont lived in a society dominated by elite young men with advantages granted by wealth gender race and birth Caught in the middle of the Civil War Spalding adopts a light hearted tone in his letter both to mask his most intimate thoughts and fears and distance himself from those he perceives as social inferiors His jokes show us an unpleasantly stratified America with blacks women and the men in the ranks subjected to ridicule and even physical abuse by an officer with more assertiveness than experience His longest story a wild escapade in New Orleans that included abundant drinking and visits to two brothels gives us a glimpse of a world in which men bonded through excess and indulgence More poignantly tactless jests about death told as his unit suffers its first casualties reveal a man struggling to come to terms with mortality Evidence of Spalding's unfulfilled aspirations like his sometimes disturbing wit allows readers to see past his entitlement to his human weaknesses An engrossing picture of a charismatic but flawed young officer Lt Spalding in Civil War Louisiana offers new ways to look at the society that shaped him *Bulletin* United States.
