First Ladies In Michigan:

First Ladies of Michigan Willah Weddon, 1994 **Ann Arbor's First Lady** Russell Eugene Bidlack, 1998 **First Ladies** Betty Caroli, 2010-07-15 Betty Boyd Caroli's engrossing and informative *First Ladies* is both a captivating read and an essential resource for anyone interested in the role of America's First Ladies. This expanded and updated fourth edition includes Laura Bush's tenure, Hillary Clinton's 2008 presidential bid, and an in-depth look at Michelle Obama, one of the most charismatic and appealing First Ladies in recent history. Covering all forty-one women from Martha Washington to Michelle Obama and including the daughters, daughters-in-law, and sisters of presidents who sometimes served as First Ladies, Caroli explores each woman's background, marriage, and accomplishments and failures in office. This remarkably diverse lot included Abigail Adams, whose husband became a twentieth-century feminist refrain; Jane Pierce, who prayed her husband would lose the election; Helen Taft, who insisted on living in the White House although her husband would have preferred a judgeship; Eleanor Roosevelt, who epitomized the politically involved First Lady; and Pat Nixon, who perfected what some have called the robot image. They ranged in age from early 20s to late 60s; some received superb educations for their time, while others had little or no schooling. Including the courageous and adventurous, the emotionally unstable, the ambitious, and the reserved, these women often did not fit the traditional expectations of a presidential helpmate. Here then is an engaging portrait of how each First Lady changed the role and how the role changed in response to American culture. These women left remarkably complete records, and their stories offer us a window through which to view not only this particular sorority of women but also American women in general. Impressive Caroli's profiles and observations of American first ladies and their relationship to the media are intelligent and perceptive. Philadelphia Inquirer **First Ladies** Betty Boyd Caroli, 2003 Examines United States Presidential First Ladies through 2003 Wild Women of Michigan Norma Lewis, 2017-09-04 *Wild Women of Michigan* commemorates the women of this state who boldly left their marks. Countless Michiganian women performed extraordinary acts that challenged and improved the world. Madame Marie Therese Cadillac served as the medicine woman in the frontier that became Detroit. Annie Taylor survived rolling over Niagara Falls in a barrel. After suffragist Anna Howard Shaw fought to vote, the state saw an influx of women running for office. In the 1970s, East Lansing's Patricia Beeman aided in efforts to end apartheid in South Africa. Suellen Finatri showcased an extreme side of equestrian sports by riding more than four thousand miles from St. Ignace to Skagway, Alaska. And World War II army flight nurse Aleda Lutz evacuated more than 3,500 wounded soldiers and is still recognized as one of America's most decorated servicewomen. Author and historian Norma Lewis commemorates the women who boldly left their marks. *A Companion to First Ladies* Katherine A.S. Sibley, 2016-03-02 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama, providing the first historiographical overview of these important women in U.S. history. Divided We Stand Marjorie J. Spruill, 2018-08-28 The fascinating true story of the characters in Hulu's Mrs America and a broader portrait of

the two women's movements that spurred an enduring rift between liberals and conservatives. The many admirers of Mrs. America will find great satisfaction in *Divided We Stand*, a clear, compelling and deeply insightful volume. The Washington Post One of Smithsonian Magazine's Ten Best History Books of the Year. In the early 1970s, an ascendant women's rights movement enjoyed strong support from both political parties and considerable success but was soon challenged by a conservative women's movement formed in opposition. Tensions between the two would explode in 1977 at the congressionally funded National Women's Conference in Houston, Texas. As Bella Abzug, Gloria Steinem and other feminists endorsed hot button issues such as abortion rights, the ERA and gay rights, Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro family movement. *Divided We Stand* reveals how crucial women and women's issues have been in the shaping of today's political culture. After the National Women's Conference, Democrats continued to back women's rights in cooperation with a more diverse feminist movement while the GOP abandoned its previous support for women's rights and defined itself as the party of family values, irrevocably affecting the course of American politics.

Oddball Michigan Jerome Pohlen, 2014-05-01. There's more to Michigan than beautiful forests, shuttered factories and miles and miles of stunning shoreline. Armed with this offbeat travel guide, you'll soon discover the strange underbelly of the Great Lakes State. Michigan has monuments to fluoridation, snurfing, the designer of the Jefferson nickel and the once famous Mr. Chicken, as well as festivals honoring tulips, Christmas pickles and a 38 acre fungus. It's where you'll find the World's Largest Lugnut, the Nun Doll Museum, Joe's Gizzard City, the Teenie Weenie Pickle Barrel Cottage, Howdy Doody and Thomas Edison's last breath. The state also has its share of weird history: it's where Harry Houdini perished on Halloween night in 1926, where skater Tanya Harding's posse whacked Nancy Kerrigan, and where the Kellogg brothers invented popular breakfast cereals and less popular yogurt enemas. Along with humorous histories and witty observations, *Oddball Michigan* provides addresses, websites, hours, fees and driving directions for each of its 450 entries.
