**The Knights Templar** Gil McHattie,2011 The beginning of the Templar Order is shrouded in mystery Little is known about its foundation inner workings or its rapid growth Such a lack of knowledge can lead to all sorts of speculation and at times bizarre theories This book the result of a conference on the theme at Emerson College in England offers new well grounded perspectives that utilize both esoteric and exoteric sources From varying perspectives the contributors tackle key questions relating to the formation of the Templar Order as well as its goals and intentions The authors explore the spiritual and historical background of the Knights Templar as well as the Order s significance today and its continuing impulse for the future With its broad scope this stimulating anthology encourages independent open minded enquiry and research The Knights Templar features contributions from Peter Tradosky Gil McHattie Horst Biehl Margaret Jonas Rolf Speckner Sylvia Francke Simon Cade Williams Jaap van der Haar Alfred Kon David Lenker Peter Snow Christine Gruwez Frans Lutters Walter Johannes Stein and Siegfried Rudel

**Knorrasky** R A Knowlton,2008-09 In the year 1476 of the kingdom of KnorraSky NORA SKY a war is raging On the one side of this vicious conflict is the Kree Kingdom lead by the Horde King Gerick and his evil wife Queen Sheral On the opposing side were King Noman and his wife Queen Raven and they lead the fight for the great kingdom known as KnorraSky This conflict was started almost forty cycles past by the king of the Kree in an attempt to find two lost parts of an ancient book and unite them with a third part that had come into his possession The book was called Ru ell or the Book of Power The missing books that the Kree were doggedly pursuing were thought to be somewhere in the western part of the land of KnorraSky The Kree valued this book greatly because it was said that a completed Ru ell would provide unlimited power to the one who could unite it and thereafter learn its secrets During a battle deep in the Kree territory at a place called Key Hole Pass a Deception occurs and the largest part of the fighting men of KnorraSky abandoned Noman and his small force in the middle of the night Along with the men his dear wife Raven is missing also Noman was beside himself over the treasonous act of one of his most trusted people and the loss of his wife was almost unbearable As morning comes Gerick attacks with a staggering force and Noman is captured and his forces are all but wiped out To escape from the evil Queen

Sheral requires the help of new friends and a very dangerous adventure After returning to KnorraSky an uprising occurs and an opportunist named Gillis brings the charge of treason against King Noman and Symonious the First Knight of Or Gillis contends that Noman is responsible for the Deception or at the least knew it was to occur At the trial Gillis puts forth a false witness and Noman and Symonious are sentenced to death A narrow escape aided by the First Knights of eight territories of KnorraSky kept them alive But now as fugitives with a great price on their heads they must flee to the mountains far to the west After changing his name and the way he looks Noman becomes a wanderer in the land and he begins to deal with a deep set depression that is caused by the loss of his wife Raven He also feels guilty over a decision he had made at Key Hole Pass that cost him the battle and the lives of thousands of the fighting men of KnorraSky Because of this he is no longer the confident man that he once was and his mind often becomes clouded with feelings of worthlessness and guilt Where once strength and confidence held sway now weakness uncertainty and distrust overpower this once powerful man As the cycles pass Gillis becomes a powerful leader in the land and he makes peace with King Gerick of the Kree However Gerick is only using the greedy Gillis as a means to an end and in time he moves on KnorraSky and captures the kingdom Now with the hordes of King Gerick bearing down on him King Noman must once again find the strength to lead his people Can Noman shake the darkness that clouds his mind and hinders him from stopping Gerick and his relentless hordes Will he learn the identity of the person that caused the Deception at Key Hole pass The Deception that led to the loss of the kingship the kingdom and his Queen And most importantly to Noman will he ever see his dear wife Raven again The answers to these questions lie twisted and entangled within the pages of KnorraSky volume 1 The Deception **The Literary World** ,1839
