Remembering John Adams Marianne Holdzkorn, 2023-03-24 Has John Adams been forgotten He is the only Founding Father without a major memorial in the nation s capital When he lamented that monuments will never be erected to me he predicted as much His pessimism was understandable but it was unjustified Adams has since been portrayed in numerous biographies plays musicals poems novels and television shows This is the first comprehensive overview of John Adams as he appears in scholarship and in popular culture The second president is one dimensional at times and perhaps best known to the public as obnoxious and disliked but he is always fascinating The varied ways in which biographers and artists represented Adams provide a glimpse into his character These portrayals also provide insight into the various ways in which people continue to find meaning in the American Revolution and its aftermath
