First Time An Intimate Portrait Of Virginity Loss In America:

Virginity on Screen Caroline Madden, 2024-09-06 Virginity a major adolescent rite of passage has been explored in the coming of age film genre for many decades This book examines the evolution of teen movies over the past 40 years posing crucial questions about how film shapes our cultural understanding of virginity By surveying more than 30 mainstream and independent coming of age films from the 1980s to the present it considers what types of first time sexual experiences are represented on screen how they are different for men and women and whether they are subverting or reinforcing gender stereotypes Drawing from notable teen movies such as Dirty Dancing 1987 American Pie 1999 Real Women Have Curves 2002 Lady Bird 2017 and Plan B 2021 the book identifies a progressive shift toward more sex positive and feminist representations of first time sexual experiences on screen Each chapter studies how the political climate sex education policies and cultural norms specific to each era impact the film's release and its teenage audience Virginity Lost Laura Carpenter, 2023-11-21 An intimate analysis of the first time Nervous inexperienced confused For most losing your virginity is one of life's most significant moments always to be remembered Of course experiences vary but Laura Carpenter asks Is there an ideal way to lose it What would constitute a positive experience What often compels the big step And further what does going all the way really mean for young gays and lesbians In this first comprehensive study of virginity loss Carpenter teases out the complexities of all things virgin by drawing on interviews with both young men and women who are straight gay or bisexual Virginity Lost offers a rare window into one of life s most intimate and significant sexual moments The stories here are frank poignant and fascinating as Carpenter presents an array of experiences that run the gamut from triumphant to devastating Importantly Carpenter argues that one s experience of virginity loss can have a powerful impact on one s later sexual experiences Especially at a time of increased debate about sexual abstinence versus safe sex education in public schools this important volume will provide essential information about the sex lives of young people **Sex for Life** Laura Carpenter, John DeLamater, 2012-02 Sexual beliefs behaviors and identities are interwoven throughout our lives from childhood to old age An edited collection of original empirical contributions united through its use of a distinctive cutting edge theoretical framework Sex for Life critically examines sexuality across the entire lifespan Rooted in diverse disciplines and employing a wide range of research methods the chapters explore the sexual and social transitions that typically map to broad life stages as well as key age graded physiological transitions such as puberty and menopause while drawing on the latest developments in gender sexuality and life course studies Sex for Life explores a wide variety of topics including puberty sexual initiation coming out sexual assault marriage life partnering disability onset immigration divorce menopause and widowhood always attending to the social locations including gender race ethnicity and social class that shape and are shaped by sexuality The empirical work collected in Sex for Life ultimately speaks to important public policy issues such as sex education aging societies and the increasing politicization of scientific research Accessibly written the contributions

capture the interplay between individual lives and the ever changing social historical context facilitating new insight not only into people s sexual lives but also into ways of studying them ultimately providing a fresh new perspective on sexuality

Adolescent Sexual Socialization and Teen Magazines Suchi P. Joshi, 2012 The majority of scientific research on teen magazines has been conducted from a single country perspective even though the experience of sex and sexuality is known to vary by country Moreover no research to date has analyzed the sexual content of teen magazines and directly linked it to how young people think or feel about sex In response to these shortcomings this book analyzes the topics of sexual desire sexual danger virginity loss pregnancy and the hook up culture in the most popular teen magazines of the United States and the Netherlands Results are then linked to US and Dutch young people s magazine reading and fear of sex and further investigated by religiosity While this book primarily addresses researchers of adolescent sexual socialization it also offers practical insights to parents health educators government officials and magazine editors ultimately revealing that adolescent sex as a forbidden fruit is a relative term contingent upon culture **Bringing Sex into Focus** Caroline J. Simon, 2011-11-30 In culture that exploits sex in everything from advertising to climbing the corporate ladder it s easy to lose sight of the true purpose and place of sexuality Philosopher and ethicist Caroline I Simon identifies six lenses through which people understand sex and sexuality and provides clarity for developing a holistic biblical sexual ethic **Virgin** Jodi McAlister, 2020-08-25 This book is a study of female virginity loss and its representations in popular Anglophone literatures It explores dominant cultural narratives around what makes a good female virginity loss experience by examining two key forms of popular literature autobiographical virginity loss stories and popular romance fiction In particular this book focuses on how female sexual desire and romantic love have become entangled in the contemporary cultural imagination leading to the emergence of a dominant paradigm which dictates that for women sexual desire and love are and should be intrinsically linked together something which has greatly affected cultural scripts for virginity loss This book examines the ways in which this paradigm has been negotiated upheld subverted and resisted in depictions of virginity loss in popular literatures unpacking the romanticisation of the idea of the right one and the right time Reading from Behind Jonathan A. Allan, 2016-03-15 A serious work of theory The Guardian Jonathan Allan has come up with a whole theory of the arsehole Dazed and Confused In a resolute deviation from the governing totality of the phallus Reading from Behind offers a radical reorientation of the anus and its role in the collective imaginary It exposes what is deeply hidden in our cultural production and challenges the authority of paranoid critical thought A beautiful work that invites us beyond the rejection of phallocentricism to a new way of being and thinking about sex culture and identity Dirty Little Secrets Kerry Cohen, 2011-09-01 They have sex too early and for the wrong reasons They get STDs They get pregnant too young They have friends with benefits but with no benefit to themselves They don't get called They get dumped They hate themselves for being unlovable for being needy They are loose girls they are everywhere and they need our help In the provocative hit

memoir Loose Girl Kerry Cohen explored her own promiscuity with brutal candor and stunning clarity Dirty Little Secrets is the eye opening follow up readers have been clamoring for a riveting look at today s adolescent girls who use sex as a means to prove their worth Cohen lays bare the hard truths about this dangerous life that reveals itself in girls you wouldn't expect and in ways you might not see and that can seriously damage and hurt these girls Featuring stories from self admitted loose girls across the country Dirty Little Secrets is an unforgettable wake up call for our culture ourselves and our vulnerable daughters Very few people can write about teen girls sexual promiscuity with the candor empathy and intelligence Kerry Cohen does I think any girl who reads this will recognize at least one girl she knows and that girl may be looking back at her in the mirror Rosalind Wiseman new york times bestselling author of QUEEN BEES AND WANNABES and BOYS GIRLS AND OTHER HAZARDOUS MATERIALS As compassionate as it is enlightening Kerry Cohen's Dirty Little Secrets argues for female safety and desire and provides a road map for authentically healthy vital sexuality Jennifer Baumgardner author of Look Both Ways F Em and Manifesta A must read for it sheds light on the truth behind the secrets and lies teens tell themselves Women of all ages can relate and benefit from this book I can t recommend it enough Dirty Little Secrets is urgently needed Amber Smith model and star of Dr Drew Pinsky s Celebrity Rehab and Celebrity Sex Rehab Kerry Cohen has been there and it shows in her empathy her insight and her remarkable ability to draw out the truth Dirty Little Secrets busts the myths breaks down walls and takes us where we need to go to understand the private lives of so many young women today Hugo Schwyzer PhD Pasadena City College Coauthor Beauty Disrupted the Carr Otis Story Soncini, Ph.D., 2007-09-15 More than a photography coffee table book with 200 stunning pictures this important book includes 30 interviews with major people on the island of Virgin Gorda British Virgin Islands They tell of their lives and experiences of how life has changed on VG from 1964 when Laurance Rockefeller developed his famous resort Little Dix Bay opened its doors catapulting VG into a worldwide destination spot from the quiet island it was before no money exchanges were only through barter little goods services jobs only a primary education to VG today enriched with major worldwide resorts 200 privately owned villas roads goods services job and educational opportunities Intimate portraits of the interviewees together with striking pictures of the beauty of VG blend to enhance the story of VG The book will offer much to anyone interested in life on any small island as it thrives and struggles with the changes of growth and tourism

Abstinence Cinema Casey Ryan Kelly,2016-03-08 From the perspective of cultural conservatives Hollywood movies are cesspools of vice exposing impressionable viewers to pernicious sexually permissive messages Offering a groundbreaking study of Hollywood films produced since 2000 Abstinence Cinema comes to a very different conclusion finding echoes of the evangelical movement s abstinence only rhetoric in everything from Easy A to Taken Casey Ryan Kelly tracks the surprising sex negative turn that Hollywood films have taken associating premarital sex with shame and degradation while romanticizing traditional nuclear families courtship rituals and gender roles As he demonstrates these movies are

particularly disempowering for young women concocting plots in which the decision to refrain from sex until marriage is the young woman's primary source of agency and arbiter of moral worth Locating these regressive sexual politics not only in expected sites like the Twilight films but surprising ones like the raunchy comedies of Judd Apatow Kelly makes a compelling case that Hollywood films have taken a significant step backward in recent years Abstinence Cinema offers close readings of movies from a wide spectrum of genres and it puts these films into conversation with rhetoric that has emerged in other arenas of American culture Challenging assumptions that we are living in a more liberated era the book sounds a warning bell about the powerful cultural forces that seek to demonize sexuality and curtail female sexual agency Sinikka Elliott, 2012-08-13 Going beyond the hype and controversy Elliott examines how a diverse group of American parents of teenagers understand teen sexuality showing that in contrast to the idea that parents are polarized in their beliefs parents are confused anxious and ambivalent about teen sexual activity and how best to guide their own childrens sexuality Men. Masculinities, and Popular Romance Jonathan A. Allan, 2019-10-31 Men Masculinities and Popular Romance seeks to open a lively and accessible discussion between critical studies of men and masculinities and popular romance studies especially its continued interest in what Janice Radway has called the purity of his maleness Popular romance novels perhaps more than any other genre explore sexuality and gender creating an ideal space in which to consider and explore theoretical models that think seriously about gender The romance novel has long been criticized and celebrated by feminist critics How can these novels maintain according to some feminist ideals while also upholding what Raewyn Connell has long theorized as hegemonic masculinity This volume is an original and important contribution examining the previously underexamined nexus of masculinity and popular romance studies It will be of key interest to undergraduates and postgraduates in Masculinities Gender and Women's Studies and Literary Studies and highly relevant to courses in Masculinity Studies Pop Culture Studies Oueer Studies and Sexuality Studies Virgin Crossing Borders Emek Ergun, 2023-04-04 The Turkish language release of Hanne Blank's Virgin The Untouched History is a politically engaged translation aimed at disrupting Turkey's heteropatriarchal virginity codes In Virgin Crossing Borders Emek Ergun maps how she crafted her rendering of the text and draws on her experience and the book s impact to investigate the interventionist power of feminist translation Ergun s comparative framework reveals translation s potential to facilitate cross border flows of feminist theories empower feminist interventions connect feminist activists across differences and divides and forge transnational feminist solidarities As she considers hopeful and woeful pictures of border crossings Ergun invites readers to revise their views of translation s role in transpational feminism and examine their own potential as ethically and politically responsible agents willing to search for new meanings Sophisticated and compelling Virgin Crossing Borders reveals translation s vital role in exchanges of feminist theories stories and knowledge Risky Lessons Jessica Fields, 2008-06-03 Curricula in U S public schools are often the focus of heated debate and few subjects spark more controversy than sex education While conservatives argue that sexual

abstinence should be the only message liberals counter that an approach that provides comprehensive instruction and helps young people avoid sexually transmitted diseases and pregnancy is necessary Caught in the middle are the students and teachers whose everyday experiences of sex education are seldom as clear cut as either side of the debate suggests Risky Lessons brings readers inside three North Carolina middle schools to show how students and teachers support and subvert the official curriculum through their questions choices viewpoints and reactions Most important the book highlights how sex education's formal and informal lessons reflect and reinforce gender race and class inequalities Ultimately critical of both conservative and liberal approaches Fields argues for curricula that promote social and sexual justice Sex education s aim need not be limited to reducing the risk of adolescent pregnancies disease and sexual activity Rather its lessons should help young people to recognize and contend with sexual desires power and inequalities **Loving Music Till It Hurts** William Cheng, 2019-10-01 Loving Music Till It Hurts explores how people s intense love and protectiveness of music can lead to interpersonal conflicts societal injustices and violence But how might we love music even embrace it as vital to human thriving without weaponizing this love What can we do when loving music and loving people seem at odds Social Psychology John DeLamater, Amanda Ward, 2013-08-13 This handbook provides a broad overview of the field of social psychology and up to date coverage of current social psychological topics It reflects the recent and substantial development of the field both with regard to theory and empirical research It starts out by covering major theoretical perspectives including the inter actionist identity social exchange social structure and the person perspectives Next it discusses development and socialization in childhood adolescence and adulthood In addition to updated discussions of topics that were included in the first edition the part examining personal processes includes entirely new topics such as social psychology and the body and individual agency and social motivation Interpersonal processes are discussed from a contemporary perspective with a focus on stress and health The final section examines the person in sociocultural context and includes another topic new to the second edition the social psychology of race and gender and intersectionality **Human Sexuality Anne** Bolin, Patricia Whelehan, 2009-09-10 Human Sexuality Biological Psychological and Cultural Perspectives is a unique textbook that provides a complete analysis of this crucial aspect of life around the world Utilizing viewpoints across cultural and national boundaries and deftly weaving evolutionary and psychological perspectives Bolin and Whelehan go beyond the traditional evolution and primatology to address cross cultural and contemporary issues as well as anthropological contributions and psycho social perspectives Taking into account the evolution of human anatomy sexual behavior attitudes and beliefs this far reaching text goes beyond what is found in traditional books to present a wide diversity of beliefs attitudes and behaviors found globally In addition to providing a rich array of photographs illustrations tables and a glossary of terms this extraordinary textbook explores pregnancy and childbirth as a bio cultural experience life course issues related to gender identity sexual orientations behaviors and lifestyles socioeconomic political historical and ecological influences on

sexual behavior early childhood sexuality puberty and adolescence birth control fertility conception and sexual differentiation HIV infection AIDS AIDS globalization and sex work Fusing biological socio psychological and cultural influences to offer new perspectives on understanding human sexuality its development over millions of years of evolution and how sexuality is embedded in specific socio cultural contexts this is the text for educators and students who wish to understand human sexuality in all of its richness and complexity Paid to Party Jamie L.
