You in me: un-plugged Aadi Shah, The story of Abhi and Meera s is like an enchanting song As a song is sung through different sections their story also moves through three distinct phases The Intro of the song takes shape when two unknowns meet and fall for each other Their First Verse a little gloomy as it might sound is composed when they are parted for the first time The Second Verse brings the enchanting rhythm back to their lives when their hearts find their way back to each other again And finally the bridge of the song takes the song of their lives to new dimensions when they steer through the most difficult test of their relationship The story touches the ups and downs of their lives like high and low notes of a song Whether they get to sing their life s song together or their song becomes the destiny s song is what the story is about *St. Nicholas* Mary Mapes Dodge, 1905 *St. Nicholas*, 1905
