First And Second Chronicles:

First and Second Chronicles Steven Shawn Tuell, 2012 First and Second Chronicles Paul K. Hooker, 2001-01-01
Presents the first and second Chronicles as a theological reflection on the story of Israel's faith using the narrative of Samuel and Kings reaffirming Israel's position as the chosen people of God and tracing the role of worship in Israel's history as a nation Original

First and Second Chronicles Steven S. Tuell, 2012-09-03 Steven Tuell shows how the books of Chronicles present the revelation of God's plan and purposes through the history of Israel emphasizing the important role that King David plays within that story Using up to date scholarship Tuell focuses on the theological message of these books that the purpose of life is to seek God that those who find God's will and live accordingly will experience blessing and that God's presence is found in the events of ordinary life

First and Second Chronicles Andrew E. Hill, 2003 The Chronicles are more than a history of ancient Israel under the ascent and rule of the Davidic dynasty They are a story whose grand theme is hope Great battles are fought heroes and tyrants vie for power Israel splits into rival kingdoms and the soul of God's holy nation oscillates between faithlessness and revival Yet above this tossing sea of human events God's covenant promises reign untroubled and supreme First and Second Chronicles are a narrative steeped in the best and worst of the human heart but they are also a revelation of Yahweh at work forwarding his purposes in the midst of fallible people God has a plan to which he is committed Today as then God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom and to himself as our source of confidence and peace Exploring the links between the Bible and our own times Andrew E Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don't discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our postmodern context It explains not only what the Bible meant but also how it speaks powerfully today

Eerdmans Commentary on the Bible: First and Second Chronicles Richard J. Coggins, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Coggin's introduction to and concise commentary on First and Second Chronicles The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of

possible interpretations and refer readers to the best resources for further discussions The First and Second Books of the Chronicles R. J. Coggins, 1976-01-01 The Chronicles divided into two books purely for convenience have long suffered from neglect this is partly because much of their content can be found elsewhere in the Old Testament and partly because their presentation emphasizing genealogies and ritual ceremonies has lacked appeal for modern man over the last few hundred years Yet these books with their theological interpretation of historical events are a valuable source of illumination about the Judaeen community living under Persian rule about 350 B C and its special relationship with Jerusalem and its temple and with God In his introductory section Mr Cog ins discusses the probable origins and the nature and purpose of the Chronicler s work whether that of a single writer or a group and then examines each book separately In the established style of the series the N E B translation of the text then follows divided into brief sections and alternating with passages of commentary The results of recent Old Testament scholarship and modern theological thought are conveyed in simple language to the student and layman *First and Second Chronicles* Anderson Bibles, 2017-07-19 The books of 1st and 2nd Chronicles tell the story of Israel s Kings It is a book of genealogies and records Lots of names are listed in the books of 1st and 2nd Chronicles The books of Chronicles also tell of the Almighty God s faithfulness in keeping His promises to His people The books tell also about God s covenant with David the rebuilding of the Temple by David s son Solomon The temple is at the central focus of the books of Chronicles David made plans to build the temple however his son Solomon builds it Kings are inaugurated in the temple the life of Prophets are put out in the temple and the law was found in the temple This giant print book of the 1st and 2nd Chronicles is perfect for witnessing and ministry great for elderly folks and residents of nursing homes great read while travelling perfect for individuals with low vision and a great tool for Bible Study and small group discussions The book s construction makes it such that it is easy to carry around light weight printed on rich acid free paper clear bold giant print and includes the inscription over each text The book s construction makes it such that it is easy to carry around light weight printed on rich acid free paper clear bold giant print and includes the inscription over each text **First and Second Chronicles** John C. Endres, 2012 Comprehensive and understandable the New Collegeville Bible Commentary series brings the timeless messages and relevance of the Old Testament to today s readers With recent scholarship this series provides vital background and addresses important questions such as authorship and cultural context The New Collegeville Bible Commentary books use the New American Bible translation and will appeal to preachers teachers Bible study groups and all readers of the Bible In the era in which the Chronicler writes the pressing question is How will Judeans reestablish themselves after the Babylonian exile The Chronicler s answer is to encourage the people of Israel to live out of their memory of God s mercy and compassion Knowing and cherishing the books of Samuel and Kings the writer interprets their message differently because the people of his era face new challenges to their life and faith This commentary highlights the special character of First and Second Chronicles by pointing out subtle ways in which the Chronicler changes the story of Israel

Many of these slight changes in wording reflect theological shifts in the postexilic era The Chronicler sees a need for a strong spiritual center that is clearly located in the Jerusalem temple and its life of worship and prayer Alienated northern tribes may enter this religious world by participating in temple worship New and original materials describe the services and the roles of Levites and priests at the temple Kings foster worship and demonstrate a spirituality of repentance Israel can again become a people united if all join together in worship To the discouraged this history offers hope *First Chronicles, Second Chronicles* Alice L. Laffey, 1985 *Eerdmans Commentary on the Bible: First and Second Kings* Roger T. Tomes, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Tomes' introduction to and concise commentary on First and Second Kings The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions **Chronicles in Blank Verse** Day Williams, 2020-01-04 This is First and Second Chronicles from the Holy Bible in blank verse by Day Williams Eerdmans Commentary on the Bible: First and Second Samuel Graeme Auld, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Auld's introduction to and concise commentary on First and Second Samuel The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions What the Bible Is All About Bible Handbook for Kids Frances Blankenbaker, 2016-01-15 Unlock the secrets of Scripture and discover Jesus in every book of the Bible What the Bible Is All About Bible Handbook for Kids based on Dr Henrietta Mears' classic Bible handbook is your ultimate guide to God's Word Inside you'll find maps charts timelines and illustrations that will help you track down the richest treasure of all God's plan to save the world As you discover and decode each book of the Bible God's Story will take shape and you'll begin to see Jesus on every page Inside you'll find Background on the writer of each book Jesus Connection for every book in the Bible Word definitions to help you understand the Bible's meaning Lists of important people so you know who to watch for as you read
