First Desire:

Desire's Direction Jayson Sherrod, 2006-03 **Desire** Timo Airaksinen, Wojciech W. Gasparski, 2018-02-06 Desire is a rich term meaning wish and want willingness and relish appetite and lust This volume is an effort to analyse the concept of desire and its different practical contexts from a morally philosophic point of view By analysing multiple definitions and studying underlying motivations the authors offer a variety of explanations and interpretations The volume consists of three main parts The first part Desire and Practice examines desire as a mental state that seeks personal satisfaction The second part of the volume Desire and Moral Life explores social cultural and literary facets of desire Finally in the third part Business Ethics and Other Contexts the authors apply PR axiological principles to the business world examining the conflict between frugality and consumerist ideology the role of intuition in decision making and the need for design education as the basis of effective planning The contributors to this the newest volume in Transaction's Praxeology series seek to explore desire in PR axiological terms with an eye toward the three E s of praxeology ethics effectiveness and efficiency In doing so they demonstrate that desire is central for practical activity in general and work in particular **Embracing Desire** Louis Roy, 2019-07-10 In this book Louis Roy criticizes two different attitudes concerning our desires either we are wary of our desires because of their potentially negative effects or we try to satisfy as many of them as we can Both attitudes focus on desires without examining the issue of desire The solution is neither to suspect nor to multiply our various desires but rather to intensify desire Once desire has intensified we can accept our desires and identify some of them as priorities for us to fulfill We will then proceed not only with motivation but also with detachment and therein lies the key to happiness Any human being wishes to be granted personal value as a unique individual worthy of respect And we long to be desired by the person or persons we desire Moreover because of our infinitude we are able to wonder if an infinite being whom we respect without reserve can find us desirable The author explores this basic concern and describes the relationship of mutual desire between Jesus and his first disciples Thus this book will appeal to educated readers interested in spirituality psychology literature catechesis and pastoral ministry WILLIAM WALKER ATKINSON Ultimate Collection - 58 Books in One Volume William Walker Atkinson, 2024-01-10 The William Walker Atkinson Ultimate Collection 58 Books in One Volume is a comprehensive anthology that encapsulates the diverse and transformative contributions of one of the most enigmatic figures in the New Thought movement Atkinson's work spans a variety of genres including philosophy self help and metaphysics marked by a unique blend of clarity and engaging prose This volume examines vital topics such as personal development mental power and the workings of the mind distilled into practical insights that reflect both the optimistic spirit of the early 20th century and the emerging psychological paradigms of his time Atkinson's insightful explorations challenge readers to harness their inner potential and navigate the complexities of life with resilience and positivity William Walker Atkinson was a prolific writer attorney and business consultant who embraced and promoted the concepts of mentalism and the law of

attraction during a transformative era in American thought Shrouded in mystery due to his use of multiple pseudonyms Atkinson sought to disseminate esoteric knowledge to the masses drawing from various influences such as Eastern philosophy psychology and metaphysical teachings His life experiences propelled him to develop a rich body of work that aims to empower individuals toward achieving their aspirations and understanding their place in the universe This anthology is a must read for anyone interested in self improvement spirituality and the foundations of modern psychological thought Atkinson's timeless wisdom resonates with contemporary readers inviting them to embark on a journey of self discovery and enlightenment Whether you are a seeker of knowledge or a devotee of New Thought philosophy this ultimate collection is poised to inspire and transform your understanding of the mind and the art of living In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work s strengths Reflection questions inspire deeper contemplation of the author s overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection s central themes The Complete Works of William Walker Atkinson: The Power of Concentration, Mind Power, Raja Yoga, The Secret of Success, Self-Healing by Thought Force and much more William Walker Atkinson, 2017-06-28 This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices The Art of Logical Thinking The Crucible of Modern Thought Dynamic Thought How to Read Human Nature The Inner Consciousness The Law of the New Thought The Mastery of Being Memory Culture Memory How to Develop Train and Use It The Art of Expression and The Principles of Discourse Mental Fascination Mind and Body or Mental States and Physical Conditions Mind Power The Secret of Mental Magic The New Psychology Its Message Principles and Practice New Thought Nuggets of the New Thought Practical Mental Influence Practical Mind Reading Practical Psychomancy and Crystal Gazing The Psychology of Salesmanship Reincarnation and the Law of Karma The Secret of Mental Magic The Secret of Success Self Healing by Thought Force The Subconscious and the Superconscious Planes of Mind Suggestion and Auto Suggestion Telepathy Its Theory Facts and Proof Thought Culture Practical Mental Training Thought Force in Business and Everyday Life Thought Vibration or the Law of Attraction in the Thought World Your Mind and How to Use It The Hindu Yogi Science Of Breath Lessons in Yogi Philosophy and Oriental Occultism Advanced Course in Yogi Philosophy and Oriental Occultism Hatha Yoga The Science of Psychic Healing Raja Yoga or Mental Development Gnani Yoga The Inner Teachings of the

Philosophies and Religions of India Mystic Christianity The Life Beyond Death The Practical Water Cure The Spirit of the Upanishads or the Aphorisms of the Wise Bhagavad Gita The Art and Science of Personal Magnetism Master Mind Mental Therapeutics The Power of Concentration Genuine Mediumship Clairvoyance and Occult Powers The Human Aura The Secret Doctrines of the Rosicrucians Personal Power The Arcane Teachings The Arcane Formulas or Mental Alchemy Vril or Vital Mandeville's Fable Robin Douglass, 2023-05-02 Why we should take Bernard Mandeville seriously as a philosopher Bernard Mandeville's The Fable of the Bees outraged its eighteenth century audience by proclaiming that private vices lead to public prosperity Today the work is best known as an early iteration of laissez faire capitalism In this book Robin Douglass looks beyond the notoriety of Mandeville's great work to reclaim its status as one of the most incisive philosophical studies of human nature and the origin of society in the Enlightenment era Focusing on Mandeville's moral social and political ideas Douglass offers a revelatory account of why we should take Mandeville seriously as a philosopher Douglass expertly reconstructs Mandeville's theory of how self centred individuals who care for their reputation and social standing above all else could live peacefully together in large societies Pride and shame are the principal motives of human behaviour on this account with a large dose of hypocrisy and self deception lying behind our moral practices In his analysis Douglass attends closely to the changes between different editions of the Fable considers Mandeville's arguments in light of objections and rival accounts from other eighteenth century philosophers including Shaftesbury Hume and Smith and draws on more recent findings from social psychology With this detailed and original reassessment of Mandeville's philosophy Douglass shows how The Fable of the Bees by shining a light on the dark side of human nature has the power to unsettle readers even **Trompe L'Oeil** Nancy Reisman, 2015-12-22 Set against a backdrop of Rome Renaissance artworks and images of today Mary Magdalene Trompe l Oeil portrays the ripple effects of a family tragedy and the ways in which its members perceive and misperceive themselves and each other During a vacation in Rome the Murphy family experiences a life altering tragedy In the immediate aftermath James Nora and their children find solace in their Massachusetts coast home but as the years pass the weight of the loss disintegrates the increasingly fragile marriage and leaves its mark on each family member Trompe I Oeil seamlessly alternates among several characters points of view capturing the details of their daily lives as well as their longing for connection and fear of abandonment Through the turbulence of marriage the challenges of parenthood job upheavals and calamities large and small Trompe l Oeil examines family legacies the ways those legacies persist and the ways they might be transcended Nancy Reisman is a master of psychological acuity creating characters who are wholly unique and yet express our own longings and anxieties Trompe l Oeil haunts not only with its story but also with the beauty of its insight into hopes desires and fears Riches Within Your Reach! Robert Collier, 2009-12-24 Trusted and beloved by readers everywhere for his prosperity classic The Secret of the Ages Robert Collier takes the next step in Riches Within Your Reach and explains how to harness mental visualization to achieve financial and professional success A definite purpose

held on to in the face of every discouragement and failure in spite of all obstacles and opposition will win no matter what the odds wrote Robert Collier And with faith in your own definite purpose taught the self help master there is no limit to what you can accomplish In every adversity there lies the seed of an equivalent advantage and in each defeat there is a lesson in how to achieve victory next time This is the message of Riches Within Your Reach In 1947 Collier produced Riches Within Your Reach to assemble his most talked about works into one simple guide It features The God in You 1937 The Magic Word 1940 The Secret of Power 1945 and The Law of Higher Potential 1947 Together these pioneering works reveal all facets of one powerful secret Human beings since the dawn of history have used the applied principles of mental visualization to achieve their aims Many of the world's most successful figures from Napoleon Bonaparte to Benjamin Franklin to Andrew Carnegie began their lives at a significant disadvantage without the wealth or health that many of their peers enjoyed Yet they were able to triumph and succeed in ways that their contemporaries weren t by tapping into the infinite power of their own minds Riches Within Your Reach not only builds upon this teaching but illuminates Collier's most remarkable lesson ever that each of us has an equal chance to harness the powers within ourselves to succeed but first we must learn how to focus Ambiguity and Sexuality W. Wilkerson, 2016-04-30 A new account of the formation of sexual identity coined our desires emerged fusion which avoids the traps of the essentialism versus constructivism debate and offers a viable third alternative This book is a theoretical tool that will be useful in sociology queer studies and gender studies as a new approach to understanding sexual identity Dante Encyclopedia Richard Lansing, 2010-09-13 Available for the first time in paperback this essential resource presents a systematic introduction to Dante s life and works his cultural context and intellectual legacy The only such work available in English this Encyclopedia brings together contemporary theories on Dante summarizing them in clear and vivid prose provides in depth discussions of the Divine Comedy looking at title and form moral structure allegory and realism manuscript tradition and also taking account of the various editions of the work over the centuries contains numerous entries on Dante s other important writings and on the major subjects covered within them addresses connections between Dante and philosophy theology poetics art psychology science and music as well as critical perspective across the ages from Dante's first critics to the present Jesus Meets the Buddha James T. Kim, 2019-03-13 Does any one religion have all the answers Or must we find the answers to life s questions within ourselves What would the Buddha think of Jesus message of unconditional love Would the Buddha and Jesus have any common ground In Jesus Meets the Buddha author James Kim attempts to answer these questions and many more by exploring the histories and beliefs of two of the world's major religions Christianity and Buddhism Driven by his own desire to answer questions such as Who am I and Why am I here Kim builds on the discourses of the world's greatest thinkers to examine religions and philosophies including Judaism Hinduism Confucianism and even Voodoo His conclusion is that every religion in existence today is a precious gem of human history and an irreplaceable facet of the giant mosaic that makes up our world He argues that by

combining Jesus teaching with the long held ethical and religious traditions of the East we can build a meaningful unity for humankind Provocative and well researched Jesus Meets the Buddha is a must read book for anyone interested in the world s religions or who is looking for their own answers about their place in the universe *Attitudes and Changing Contexts* Robert van Rooij, 2006-03-30 In this book the author defends a unified externalists account of propositional attitudes and reference and formalizes this view within possible world semantics. He establishes a link between philosophical analyses of intentionality and reference and formal semantic theories of discourse representation and context change Stalnakerian diagonalization plays an important role here Anaphora are treated as referential expressions while presupposition is seen as a propositional attitude The relation between belief change and the semantic analyses of conditional sentences and evidential knowledge and buletic desire propositional attitudes is discussed extensively **Urogynecology & Pelvic Reconstructive Surgery** Manidip Pal, 2016-04-30 Urogynecology Pelvic Reconstructive Surgery is a highly illustrated guide to the management and surgical treatment of a wide range of pelvic and urogynaecological problems The book is comprised of 64 chapters across twelve comprehensive sections beginning with a section on the basics of urogynaecological surgery This section includes anatomy of the pelvic floor urinary bladder urethra and pelvic ureter as well as associated nomenclature The second and third sections cover diagnosis and treatment and subsequent sections cover procedures for specific disorders including rectal prolapse urinary incontinence pelvic organ prolapse and vault prolapse Further sections include uterus preserving surgeries fistula surgery for congenital anomalies pregnancy and miscellaneous surgical procedures Enhanced by nearly 600 full colour images and illustrations Urogynecology Pelvic Reconstructive Surgery is an ideal resource for urogynaecologists pelvic surgeons and residents Key Points Highly illustrated guide to urogynaecology and pelvic reconstructive surgery Includes sections on anatomy diagnosis and treatment as well as specific surgical procedures 598 full colour images and illustrations Cervantine Journeys Steven D. Hutchinson, 1992 Hutchinson focuses initially on movement as concept and metaphor affirming its centrality in the conceptualization of all discursive activities He draws on an array of authors including Heraclitus Plato Longinus Rabelais Nietzsche Saussure Frances Yates Kristeva Meschonnic and Deleuze to demonstrate the motion of discourse and of those engaged in it He then turns to Cervantes novels to show how metaphors of movement and travel appearing on nearly every page dominate the conceptualization of the soul the self desire love and life processes Viewing travel as a composite of concurrent modes of experience with differing content and rhythms Hutchinson considers the concept of errancy the nature of place and the traveler's shifting relations with it and the values that travel may have as a motion displacement encounter and goal Of key importance are the means of improvisation developed en route His re examination of Bakhtin s chronotope in light of Cervante s novels reveals the dynamic character of time spaces in which travelers move He shows moreover that unlike typical Renaissance utopias the many worlds of Cervantes novels have the principles of becoming and dissolution inscribed in them Reflecting on the narrative of journeys

both as memory and invention Hutchinson concludes with an examination of the relations between travel experience and travel narrative and a discussion of the whereabouts of writers and readers in Cervantes novels The narration of journeys he argues necessitates and encourages improvisatory writing John Duns Scotus John Duns Scotus, 2017 Thomas Williams presents the most extensive collection of John Duns Scotus s work on ethics and moral psychology available in English John Duns Scotus Selected Writings on Ethics includes extended discussions and as far as possible complete questions on divine and human freedom the moral attributes of God the relationship between will and intellect moral and intellectual virtue practical reasoning charity the metaphysics of goodness and rightness the various acts affections and passions of the will justice the natural law sin marriage and divorce the justification for private property and lying and perjury Relying on the recently completed critical edition of the Ordinatio and other critically edited texts this collection presents the most reliable and up to date versions of Scotus s work in an accessible and philosophically informed translation The Occult Writings of Isabelle and Richard Ingalese Richard Ingalese, Isabella Ingalese, 2012 Isabella and Richard Ingalese s occult writings are deeply focused on the Mysterof Life and especially on the secrets of the Philosopher's Stone This volume includes the following writings Infinite Intelligence God Judgment Day Reciprocity Vanity Soul Slavery Cosmic Evolution Vibration The Esoteric Christ The Spiritual Renaissance Of The Nineteenth Century Death And After Stray Leaves Of Occult History Moses The Magician Miracles Psychic Phenomena The Experience of Education in Anglo-Saxon Literature Irina Dumitrescu, 2018-01-25 Reveals the rich emotional experience of teaching and learning as revealed in Anglo Saxon literature

Alienation and Identity in Romantic Love Gary Foster, 2024-08-06 The concept of romantic love influenced as it is by the theme within Romanticism of alienation and identification suggests an important connection between love and personal identity Love in this context recognizes both the sense in which one s beloved is a separate human being and is at the same time a constitutive aspect of one s identity Alienation and Identity in Romantic Love explores this connection in the context of discussions of both metaphysical views of personal identity and practical or ethical accounts To this end Gary Foster discusses the work of influential philosophers in both the analytic and continental traditions as well as the findings of sociologists He explores the love and personal identity relationship through moral and narrative perspectives and examines certain aspects of the modern love experience such as the phenomenon of online dating Ultimately Foster finds in Jean Paul Sartre s work a promising approach to understanding this connection through his emphasis on embodied identity
