The First Easter Dawn Charles Turner Gorham. 1908 You Be the Judge James D. Pearce Jr., 2009-08-11 This book documents the six illegal trials of Jesus that were held in the Jewish and Roman courts as he persevered in completing the will of God so all people could be reconciled back to him The reader is given the opportunity as judge to examine the most important events in the history of the world ponder the testimonies of credible witnesses and decide the outcome of the most important trial ever presented in the world Knowing the Truth About the Resurrection John Ankerberg, John Weldon, 2011-04-06 Throughout history people have tried to discredit Christianity by disputing the claim that Jesus Christ died and rose from the dead Is there evidence so persuasive that after careful evaluation skeptics and critics will realize the truth of the resurrection Unequivocally yes Join in this exploration of the events surrounding the resurrection including The historical and logical evidence supporting Christ's resurrection The accuracy and precision of Jesus predictions The resurrection s unequaled impact on the world This booklet provides a clear concise look at the resurrection It gives you the opportunity to understand and examine the evidence that is the foundation for biblical Christianity **Objections of Atheists, Agnostics, and Skeptics** Rhodes, Ron, The MacArthur New Testament Commentary Set of 30 volumes John MacArthur, 2011-02-21 This set includes the entire collection of the MacArthur New Testament Commentary series Matthew 1 7 Matthew 8 15 Matthew 16 23 Matthew 24 28 Luke 1 5 Luke 6 10 Luke 11 17 John 1 11 John 12 21 Acts 1 12 Acts 13 28 Romans 1 8 Romans 9 16 1 Corinthians 2 Corinthians Galatians Ephesians Philippians Colossians Philemon 1 2 Thessalonians 1 Timothy 2 Timothy Titus Hebrews James 1 Peter 2 Peter Jude 1 3 John Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways Dead Or Alive? Daniel Clark, 2007 Christians claim that Jesus of Nazareth rose bodily from the grave three days after being brutally executed If that claim isn t true Jesus was nothing more than a good man and the whole of the Christian faith collapses in a pile of dust But what if it is true Daniel Clark shows how Jesus resurrection is the key which unlocks answers to some of life s biggest questions Is there anybody out there Why is there so much suffering in the world Does life have a meaning or purpose Using real life stories of those who have come to believe in Jesus resurrection he explores the evidence so that we can make our own informed conclusion If Jesus is alive rather than dead then another altogether more startling question emerges

<u>Investigating the Resurrection of Jesus Christ</u> Andrew Loke,2020-04-30 This book provides an original and comprehensive assessment of the hypotheses concerning the origin of resurrection Christology It fills a gap in the literature by addressing these issues using a transdisciplinary approach involving historical critical study of the New Testament theology analytic philosophy psychology and comparative religion Using a novel analytic framework this book demonstrates

that a logically exhaustive list of hypotheses concerning the claims of Jesus post mortem appearances and the outcome of Jesus body can be formulated It addresses these hypotheses in detail including sophisticated combinations of hallucination hypothesis with cognitive dissonance memory distortion and confirmation bias Addressing writings from both within and outside of Christianity it also demonstrates how a comparative religion approach might further illuminate the origins of Christianity This is a thorough study of arguably the key event in the formation of the Christian faith As such it will be of keen interest to theologians New Testament scholars philosophers and scholars of religious studies Sticking Up for What I Believe Gwendolyn Mitchell Diaz, 2002 **The Martyrdom of Ferrer** Joseph McCabe,1909 **Can Only One** Religion Be True? Robert B. Stewart, 2013 This volume highlights points of agreement and disagreement on the subject of religious pluralism The dialogue partners in the discussion are Paul F Knitter Paul Tillich Professor of Theology World Religions and Culture at Union Theological Seminary and Harold A Netland professor of Mission and Evangelism and director of Intercultural Studies at Trinity Evangelical Divinity School in Deerfield Illinois A transcript of the March 2009 Point Counterpoint event between Knitter and Netland allows the reader to see how each presents his position in light of the others as well as their responses to selected audience questions. The balance of the volume is comprised of substantive essays on various facets of the question of religious pluralism from a diverse set of scholars The Greer Heard Point Counterpoint series takes pride in presenting a fair and balanced case for both sides of complex issues and in providing the tools for students and scholars to form their own conclusions The Resurrection of Jesus Dale C. Allison, Jr., 2021-03-11 The earliest traditions around the narrative of Jesus resurrection are considered in this landmark work by Dale C Allison Jr drawing together the fruits of his decades of research into this issue at the very core of Christian identity Allison returns to the ancient sources and earliest traditions charting them alongside the development of faith in the resurrection in the early church and throughout Christian history Beginning with historical critical methodology that examines the empty tomb narratives and early confessions Allison moves on to consider the resurrection in parallel with other traditions and stories including Tibetan accounts of saintly figures being assumed into the light in the chapter Rainbow Body Finally Allison considers what might be said by way of results or conclusions on the topic of resurrection offering perspectives from both apologetic and sceptical viewpoints In his final section of modest results he considers scholarly approaches to the resurrection in light of human experience adding fresh nuance to a debate that has often been characterised in overly simplistic terms of it happened or it didn t <u>Did Jesus Rise from the Dead?</u> Matthew Levering, 2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the

importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father's right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened Dictionary of the Apostolic Church James Hastings, John Alexander Selbie, John Chisholm Lambert, 1919 The Journey Home Bill Bright, 2004-01-12 I have been asked if I have any last words before God calls me to a new assignment and I do Bill Bright said months before his death At the time facing an incurable disease pulmonary fibrosis his initial response was Thank you Lord His doctor believed he was in denial but Bright's determination to declare the faithfulness and sovereignty of God for the rest of his days remained firm His preparation for leaving this earth is chronicled in this surprisingly optimistic encouraging book Despite great suffering Dr Bright displayed unflinching courage and wrestled along with readers over troubling questions and intensifying his gaze on eternity And as he experienced the nearness of death Bright was able to write with unswerving confidence Four realities are more clear than ever God is real His promises are true life is an exciting though brief adventure The Easter Computus and the Origins of the Christian Era Alden A. and heaven is our home Mosshammer, 2008-10-16 The system of numbering the years AD Anni Domini Years of the Lord originated with Dionysius Exiguus Dionysius drafted a 95 year table of dates for Easter beginning with the year 532 AD Why Dionysius chose the year that he did to number as 1 has been a source of controversy and speculation for almost 1500 years According to the Gospel of Luke 3 1 3 23 Jesus was baptized in the 15th year of the emperor Tiberius and was about 30 years old at the time The 15th year of Tiberius was AD 29 If Jesus was 30 years old in AD 29 then he was born in the year that we call 2 BC Most ancient authorities dated the Nativity accordingly Alden Mosshammer provides the first comprehensive study of early Christian methods for calculating the date of Easter to have appeared in English in more than one hundred years He offers an entirely new history of those methods both Latin and Greek from the earliest such calculations in the late second century until the emergence of the Byzantine era in the seventh century From this history Mosshammer draws the fresh hypothesis that Dionysius did not calculate or otherwise invent a new date for the birth of Jesus instead adopting a date that was already well established in the Greek church Mosshammer offers compelling new conclusions on the origins of the Christian era drawing upon evidence found in the fragments of Julius Africanus of Panodorus of Alexandria and in the traditions of the Armenian church Handbook of Biblical Evidences John Ankerberg, John Weldon, 2008-03-01 Many Christians are afraid to talk

about their faith for fear of not knowing what to say How can they prepare themselves That's the purpose of Handbook of Bible Evidences written by two bestselling apologetics experts John Ankerberg and John Weldon They provide clear and thoughtful responses to the tough questions seekers are most likely to ask questions such as Hasn t evolution proved that Genesis is wrong Isn t the Bible filled with historical and scientific errors What evidence is there that Jesus rose from the dead Focused on topics related to the Bible Jesus Christ and creation this powerful resource deals head on with false assumptions and frequent misconceptions people have And it s based on more than 30 years of apologetics research and ministry to unbelievers A superb tool for helping readers know how to share their faith with confidence Formerly titled Ready John Warwick Montgomery's Legal Apologetic Ross Clifford, 2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery s work It focuses on his legal historical apo logetic and in the process reframes it for both for the tough minded and the tender hearted It shows not only the rationality of Montgomery s work but also that his writings pave the way for an apologetic to New Age follo wers and to those who place experience before reason A special feature of this analysis concerns Montgomery s apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age **Iesus** and the Logic of History Paul W. Barnett, 2001-05-29 In this New Studies in Biblical Theology volume Historian Paul W Barnett presents clear careful and convincing evidence that the Christ of orthodox Christianity is the same as the Jesus of Risen Indeed Gary R. Habermas, 2021-11-03 A pivotal contribution to the history of apologetics Gary Habermas history has spent a career defending the historicity and truthfulness of the resurrection of Jesus But his earliest writing on Jesus resurrection has been unavailable to the broader public until now In Risen Indeed A Historical Investigation Into the Resurrection of Jesus readers will encounter Gary Habermas foundational research into the historicity of the resurrection With a new extensive introductory essay on contemporary scholarship regarding the resurrection Habermas shows how the questions surrounding the historicity of the resurrection and arguments raised by critics are perennially important for Christian faith Presbyterian Banner, 1909
