James Anthony Froude Ciaran Brady, 2014 James Anthony Froude remains one of the most commonly referenced and frequently cited of Victorian public intellectuals Known to intellectual historians as the author of a monumental History of England in the sixteenth century and as a key exponent of Victorian religious doubt he is also frequently referenced as the author of a series of scandalously provocative novels and of a hugely controversial biography of Thomas Carlyle Historians of the British Empire and of Ireland have frequently been compelled to address his sometimes outrageous but often representative historical writings Scholars of mid Victorian politics have no less often turned to Froude as a typical representative of Victorian fears of democracy while more recently students of political thought have identified him as an early representative of a new form of Commonwealth civic republicanism Yet for all that Froude remains a strangely marginalised fragmented and neglected figure Ciaran Brady now addresses this remarkable gap Based on a thorough critical examination of all of Froude s published works many of which have been discovered and identified here for the first time and supplemented by intensive research into Froude s private and widely scattered manuscript materials he offers the first sustained study of Froude s life and thought Against the common assumption that Froude s life can be divided along simple lines the sometime enfant terrible who aged into a respectable man of letters he argues that there was a deeper coherence underlying everything he wrote from the scandalous productions of the 1840s to the authoritative university lectures of the 1890s In addition to providing a study of a major but neglected nineteenth century intellectual Brady offers a

critical analysis of the impulses the aspirations and the unquestioned assumptions underlying the Romantic project of personal renovation and an alternative view of that unique phenomenon known as the Victorian sage

Murthy,2000 **The Bible in You** Dr. Ross Duff, MD,2024-10-03 The Bible in You is a book about the Book its major themes and God s grand plan for men and women Climbing these forty eight steps will be helpful for anyone at any level of Bible knowledge who wants to know more and to assimilate that into their spiritual core The Political and Economic Writings of Daniel Defoe Vol 7 W R Owens,P N Furbank,J A Downie,D W Hayton,John McVeagh,2024-08-01 This collection gathers together a number of Daniel Defoe s non fiction writings on political and economic issues The selection is designed to reflect the numerous facets of Defoe s economic and political thought Each of the eight volumes includes an introduction A Time to be Born Peter Penner,2016-06-29 Having a title that suggests that I was born to do something for three generations of Russlaender Mennonites is a bit crass and yet that is what three testimonial contributors suggest though unknown to one another Peter Penner s rich and varied life exemplifies bridge building between the worlds of church and academy Situated as he was on the physical edge of Mennonite communities for much of his career his perspective on their history and identity is full of insight As pastor teacher scholar and volunteer he has brought a critical yet gentle and loving eye to a lifetime of service Marlene Epp University of Waterloo Another the late Paul Toews Fresno CA historian This autobiography of Peter Penner is a vivid and powerful story of combining objective and dispassionate scholarly analysis with deep religious commitments A third a non Mennonite wrote His research and exposition of the MB Mission to India brought together the accumulated and finely honed scholarly skills both historical and theological that Peter Penner possessed Robert Eric Frykenberg University of Wisconsin While this Memoir covers three generations each of which has brought its different experiences excitements and decision making one constant has been the Mennonite faith and culture with which I was imbued in those first thirty years What were those years like for me Justina herself the greatest of volunteers has been my wife and companion for more than two generations We have touched many lives have seen many things and have stories to tell **The Atlantic Monthly** ,1869 **Carlyle and Jean Paul** J. P. Vijn,1982-01-01 It has always been thought difficult if not impossible to define what the philosophy of Carlyle was Ever since the publication of Sartor Resartus in 1833 1834 the view that Carlyle had a theistic conception of the universe has been defended as well as opposed At a time therefore when Carlyle s work as a whole is being reappraised his philosophy should first and foremost be dealt with Carlyle s life philosophy is based on the inner experience of a process of conversion which set in with an incident that occurred to him at Leith Walk Edinburgh This study which settles the old question of the date of the incident demonstrates that the inner struggle the dynamics of which are described most fully in Sartor is analogous to the Jungian process of individuation For the first time in critical literature the basic ideas of Carlyle s philosophy are thus linked to depth psychology and shown to be analogous to

the fundamental concepts of Analytical Psychology In recent criticism it has been asserted that the crisis recorded in Sartor is akin to the crisis of doubt said to underlie Jean Paul s Rede des todten Christus 1796 which is probably the first poetic expression of nihilism in European literature and has become a classic Apart from demonstrating that in the last fifty years at least the Rede has erroneously been interpreted as a dream of annihilation this book invalidates the view of Jean Paul as victim of the skepticism of his age and argues that contrary to what is usually maintained the Rede is not the document of a crisis but of a belief which had become antiquated and obsolete for Carlyle      Precious Stones and Bedrock Truth Mark L. Day,2010-05 Will your home stand firm when the torrents of life come bursting at the foundation Certainly if it s built on the foundation of Christ alone Is your marriage troubled Has your spouse or child been lifted on eagle s wings to heaven unexpectedly Has your doctor explained a dreaded prognosis Does the ground quake with financial uncertainties These are the times when you need solid rock Hopeless secular humanism builds on sinking sand and changing ideas Yet believers from every generation have found strength by entrusting their future into God s hands When you study God s Word with determination to obey you are building on Christ faith s cornerstone We will build upon this foundation by studying the Spirit s use of stone typology in scripture to reveal foundations of Christian faith and how to live for Christ as He intended Rock solid truth equips you to stand firm in faith and to give an account of the hope within you for God s glory Mark Day is a student of God s Word and diligently examines Biblical truth He appreciates practical applications from personal study that impact how to live the Christian life For over 40 years Mark has enjoyed sound Biblical teaching from excellent Pastors has grown through leading men s fellowship groups teaching Bible classes and encouraging believers through hospital visitation ministries He has discovered that believers need to stand firm on solid truth especially during testing and trials He has written several articles on Christian doctrines to encourage others Precious Stones which is the culmination of a ten year research project was written as a heritage for his children and prays that you too will find increased strength through this Bible study Mark is a Software Engineer living in Southern California He and his wife Cherie have three children and five grandchildren      *The Pillar of Witness. *Stream System* Gerald Murnane,2018-04-03 Stories from a mind bending Australian master a genius on the level of Beckett Teju Cole Never before available to readers in this hemisphere these stories originally published from 1985 to 2012 offer an irresistible compendium of the work of one of contemporary fiction s greatest magicians While the Australian master Gerald Murnane s reputation rests largely on his longer works of fiction his short stories stand among the most brilliant and idiosyncratic uses of the form since Borges Beckett and Nabokov Brutal comic obscene and crystalline Stream System runs from the haunting Land Deal which imagines the colonization of Australia and the ultimate vengeance of its indigenous people as a series of nested dreams to Finger Web which tells a quietly terrifying fractal tale of the scars of war and the roots of misogyny to The Interior of Gaaldine which finds its anxious protagonist stranded beyond the limits of fiction itself No one
