**First Impressions** Margaret Steven, 1988 Initial contact with Aborigines from arrival of First Fleet until early 1800s official policies early drawings of Aborigines *The A to Z of the Discovery and Exploration of Australia* Alan Day, 2009-06-19 This engaging reference examines the history of the search for and the discovery of Australia taking full account of the evidence for and the speculation surrounding possible earlier contacts by the Ancient Egyptians Arabs and Chinese seamen Day brings the expeditions to life expressing the desires that drove great sea captains deeper into turbulent waters searching for caches of spice silks and precious metals Covers a wide variety of topics including Seamen from eight nations The recovery of storm wrecked ships Diplomatic treaties Priority of discovery disputes Military and civil explorers and surveyors Topographical features Geographical terms and places Rivers and river system **First Impressions** British Museum (Natural History). Department of Public Services, 1988 **First Impressions** M. Steven, 1988 **Ill-starred Captains** Anthony J. Brown, 2001 Amid the Napoleonic Wars 1793 1815 France and Britain dispatched rival voyages of discovery to complete the mapping of Australia and advance the limits of science Led by naval captains Nicolas Baudin and Matthew Flinders both expeditions carried safe conducts protecting them from seizure by the ships of the opposing navies **Ill Starred Captains** is the first book to explore the two voyages together in detail Published in association with the Royal Geographical Society of South Australia it represents a major addition to the records of maritime history **A Collection of Essays on the Colonial Economy of N.S.W.** Gordon Beckett, 2012 This series explains the many important aspects of the colonial Economy of N S W between 1788 and 1835 This present volume sets down over 14 essays on aspects of the colonial economy ranging from a short review of the Van Diemen s Land Company the second land grant coy in Australia the AAC being the first to a study of the writings of Professor Noel Butlin and the factors of economic growth in those important first 30 years of the colony and settlement in NSW Some notable essays include an understanding of the Macquarie years that set a standard for economic development that became hard to follow The many statutes enacted by Westminster Parliament in establishing the colony are examined as is the rise of the pastoralist and squatter in the colony These entire special features of the economy helped set up the economic drivers that created such a successful economy **The Earth Encompassed** Peter J. Bowler, 2000 An accessible and comprehensive history of discoveries and outlooks that culminated in the modern discipline of environmental studies **The Rise of the Must-See Exhibition** Anna Lawrenson, Chiara O'Reilly, 2018-12-07 Blockbuster exhibitions are ubiquitous fixtures in the cultural calendars of major museums and galleries worldwide The Rise of the Must See Exhibition charts their ascent across a diverse array of museums and galleries The book positions these exhibits in the Australian cultural context demonstrating how policy developments and historical precedents have created a space for their current domination Drawing on historical evidence policy documents and contemporary debates the book offers a complex analysis of the aims and motivations of blockbuster exhibitions Its chronological approach reveals a

genealogy of exhibits from the mid nineteenth century onward to identify precursors to current practice This provides a foundation upon which to examine the unprecedented growth of blockbusters in the latter half of the twentieth century The examples discussed offer a unique opportunity to study how institutional growth political support individual champions and audience interest have influenced the development of large scale temporary exhibitions The Rise of the Must See Exhibition considers blockbusters as an international phenomenon and as such is highly relevant to practitioners working across the cultural sector around the world The book will also appeal to academics and students engaged in the study of museums and galleries arts management and curating as well as those interested in the history of exhibitions and cultural policy

**Matthew Flinders, Maritime Explorer of Australia** Kenneth Morgan, 2016-03-24 This book provides a thoroughly researched biography of the naval career of Matthew Flinders with particular emphasis on his importance for the maritime discovery of Australia Sailing in the wake of the 18th century voyages of exploration by Captain Cook and others Flinders was the first naval commander to circumnavigate Australia s coastline He contributed more to the mapping and naming of places in Australia than virtually any other single person His voyage to Australia on H M S Investigator expanded the scope of imperial geographical and scientific knowledge This biography places Flinders s career within the context of Pacific exploration and the early white settlement of Australia Flinders s connections with other explorers his use of patronage the dissemination of his findings and his posthumous reputation are also discussed in what is an important new scholarly work in the field

**GUIDING the COLONIAL ECONOMY** Gordon Beckett, 2012-08-22 This series explains the many important aspects of the colonial Economy of N S W between 1788 and 1835 Guiding the colonial economy was the strong hand of a dedicated public servant the first senior appointment by a Colonial Governor that appointee was William Lithgow the first Deputy Assistant Commissary General then the first Auditor General of the Colony In conjunction with the work of Lithgow the development of the public service accounting and finance areas is developed The dual volumes of Guiding the economy and Financing the Colony provides the foundation story of the Treasury operations in Colonial N S W **First Impressions** Australian Bicentennial Authority, 1988 *The British Abroad Since the Eighteenth Century, Volume 1* Xavier
