First Jewish Revolt Archaeology History And Ideology

Steve Mason

First Jewish Revolt Archaeology History And Ideology:

The First Jewish Revolt Andrea M. Berlin, J. Andrew Overman, 2003-09-02 The First Jewish Revolt against Rome is arguably the most decisive event in the history of Judaism and Christianity The destruction of the Temple in Jerusalem in 70 CE by the Roman General Titus forced a transformation in structure and form for both of these fraternal religions Yet despite its importance little has been written on the First Revolt its causes implications and the facts surrounding it In this volume Andrea M Berlin and J Andrew Overman have gathered the foremost scholars on the period to discuss and debate this pivotal historical event The contributions explore both Roman and Jewish perspectives on the Revolt looking at its history and archaeology and finally examining the ideology and interpretation of the revolt in subsequent history and myth [The First Jewish Revolt](#) Andrea Berlin, J. Andrew Overman, 2011-02-02 This is the first book for many years to examine the First Jewish Revolt against Rome arguably the most decisive event in the history of Judaism and Christianity **The Eerdmans**

Dictionary of Early Judaism John J. Collins, Daniel C. Harlow, 2010-11-11 The Dictionary of Early Judaism is the first reference work devoted exclusively to Second Temple Judaism fourth century b c e through second century c e The first section of this substantive and incredible work contains thirteen major essays that attempt to synthesize major aspects of Judaism in the period between Alexander and Hadrian The second and significantly longer section offers 520 entries arranged alphabetically Many of these entries have cross references and all have select bibliographies Equal attention is given to literary and nonliterary i e archaeological and epigraphic evidence and New Testament writings are included as evidence for Judaism in the first century c e Several entries also give pertinent information on the Hebrew Bible The Dictionary of Early Judaism is intended to not only meet the needs of scholars and students at which it succeeds admirably but also to provide accessible information for the general reader It is ecumenical and international in character bringing together nearly 270 authors from as many as twenty countries and including Jews Christians and scholars of no religious affiliation **The Jewish Revolt AD 66-74** Si Sheppard, 2013-10-20 In AD 66 a local disturbance in Caesarea caused by Greeks sacrificing birds in front of a local synagogue exploded into a pan Jewish revolt against their Roman overlords Gaining momentum the rebels successfully occupied Jerusalem and drove off an attack by the Roman legate of Syria Cestus Gallus who was defeated at the battle of Beth Horon The emperor Nero dispatched the Roman general Vespasian along with reinforcements and having crushed the revolt in Galilee he became embroiled in the events of the Year of the Four Emperors that would lead to his assumption of the Imperial throne His son Titus was left to carry on the war which culminated in the dramatic siege of Jerusalem in AD 70 Remorselessly the legions strangled the life out of the defense street by street leaving nothing but rubble and ashes in their wake The apotheosis of the conflict was the final stand of the last holdouts in the Temple precinct itself and the utter annihilation of this the physical manifestation of Judaism itself The last remnants held out in the mountain fortress of Masada until AD 73 when with the Romans breaking down the walls the defenders committed

mass suicide bringing the revolt to an end

A History of the Jews and Judaism in the Second Temple Period,

Volume 4 Lester L. Grabbe, 2021-07-29 This is the fourth and final volume of Lester L. Grabbe's four volume history of the Second Temple period collecting all that is known about the Jews during the period in which they were ruled by the Roman Empire. Based directly on primary sources such as archaeology, inscriptions, Jewish literary sources and Greek, Roman and Christian sources, this study includes analysis of the Jewish diaspora, mystical and Gnostic trends and the developments in the Temple, the law and contemporary attitudes towards Judaism. Spanning from the reign of Herod Archelaus to the war with Rome and Roman control up to 150 CE, this volume concludes with Grabbe's holistic perspective on the Jews and Judaism in the Second Temple Period. Flavius Josephus: Translation and Commentary, Volume 1B: Judean War 2 Steve

Mason, 2008-10-16 Volume 1b in Brill's Josephus Project contains Book 2 of Josephus' Judean War translation and commentary. This book deals with a period of enormous consequence from King Herod's death 4 BCE to the first phase of the war against Rome 66 CE. It covers the succession struggle, the governments of Herod's sons, Judea's incorporation as a Roman province, some notable governors including Pilate, Kings Agrippa I and II, the Judean philosophical schools featuring the Essenes, various rebel movements and the Sicarii, tensions between Judeans and their neighbors, events leading up to the revolt, the failed intervention of the Syrian legate Cestius Gallus and preparations for war in Judea and Galilee. The commentary aims at a balance between historical and literary issues. *On Stone and Scroll* James K. Aitken, Katharine J. Dell, Brian A.

Mastin, 2011-07-27 The volume *On Stone and Scroll* addresses biblical exegesis from the historical, archaeological, theological and linguistic perspectives and discusses many of the issues central to the interpretation of the Bible. It is written by colleagues and former students of Graham Davies in his honour on his retirement. It covers three main areas central to his work: inscriptional and archaeological, including socio-historical studies; theological and exegetical studies, especially of Exodus and the Prophets; and semantic studies. A lasting focus of Graham's work has been the combination of sources that he has utilised in the interpretation of the biblical text. His approach has been distinctive in biblical studies in his combining of archaeological, inscriptional, linguistic and theological evidence for a deeper understanding of text. His work has ranged from archaeological studies through an edition of Hebrew inscriptions, contributions to Hebrew semantics and biblical theology to exegesis of the Pentateuch and Prophets. The essays in this volume reflect that broad view of Old Testament study. *From*

the Maccabees to the Mishnah Shaye J. D. Cohen, 2014-01-01 This is the third edition of Shaye J. D. Cohen's important and seminal work on the history and development of Judaism between 164 BCE to 300 CE. Cohen's synthesis of religion, literature and history offers deep insight into the nature of Judaism at this key period, including the relationship between Jews and Gentiles, the function of Jewish religion in the larger community and the development of normative Judaism and other Jewish sects. Cohen offers students more than just history but an understanding of the social and cultural context of Judaism as it developed into the formative period of rabbinic Judaism. This new edition includes a brand new chapter on the parting of

ways between Jews and Christians in the second century CE From the Maccabees to the Mishnah remains the clearest introduction to the era that shaped Judaism and provided the context for early Christianity **The Biblical World**

Katharine J. Dell,2021-07-29 The Biblical World is a comprehensive guide to the contents historical settings and social context of the Bible This new edition is updated with several new chapters as well as a new section on biblical interpretation Contributions from leading scholars in the field present wide ranging views not just of biblical materials and their literary and linguistic context but also of the social institutions history and archaeology and religious concepts New chapters cover topics such as the priesthood and festivals creation and covenant ethics and family life while a new section on biblical interpretation discusses Jewish and Christian bible translation and key thematic emphases and modern reader response and cultural approaches This revised edition of The Biblical World offers an up to date and thorough survey of the Bible and its world and will continue to be an invaluable resource for students and scholars of the Hebrew Bible and New Testament and their history and interpretation as well as anyone working on the societies religions and political and cultural institutions that created and influenced these texts In the Shadow of the Caesars: Jewish Life in Roman Italy Samuele Rocca,2022-09-19

The main contribution of this book is that it tries to determine how the Jews answered the challenges of Roman society Thus the book presents a refreshing approach to the nature of the Roman attitude toward Judaism and the Jews In addition it provides the first detailed examination of the demography and geography of the Jewish communities in Roman Italy The book also offers a new look at the legal standing of the Jewish communitarian organization Last but not least this study also addresses the various facets of the culture of the Jews living in Roman Italy **The Things that Make for Peace** Jesse P.

Nickel,2021-02-08 This study offers fresh insight into the place of non violence within Jesus ministry by examining it in the context of the eschatologically motivated revolutionary violence of Second Temple Judaism The book first explores the connection between violence and eschatology in key literary and historical sources from Second Temple Judaism The heart of the study then focuses on demonstrating the thematic centrality of Jesus opposition to such eschatological violence within the Synoptic presentations of his ministry arguing that a proper understanding of eschatology and violence together enables appreciation of the full significance of Jesus consistent disassociation of revolutionary violence from his words and deeds The book thus articulates an understanding of Jesus nonviolence that is firmly rooted in the historical context of Second Temple Judaism presenting a challenge to the seditious Jesus hypothesis the claim that the historical Jesus was sympathetic to revolutionary ideals Jesus rejection of violence ought to be understood as an integral component of his eschatological vision embodying and enacting his understanding of i how God s kingdom would come and ii what would identify those who belonged to it **Jerusalem Besieged** Eric H. Cline,2010-03-10 Jerusalem Besieged is a fascinating account of how and

why a baffling array of peoples ideologies and religions have fought for some four thousand years over a city without either great wealth size or strategic importance Cline guides us through the baffling but always bloody array of Jewish Roman

Moslem Crusader Ottoman Western Arab and Israeli fights for possession of such a symbolic prize in a manner that is both scholarly and engaging Victor Davis Hanson Stanford University author of *The Other Greeks* and *Carnage and Culture* A beautifully lucid presentation of four thousand years of history in a single volume Cline writes primarily as an archaeologist avoiding polemic and offering evidence for any religious claims yet he has also incorporated much journalistic material into this study *Jerusalem Besieged* will enlighten anyone interested in the history of military conflict in and around Jerusalem Col Rose Mary Sheldon Virginia Military Institute This groundbreaking study offers a fascinating synthesis of Jerusalem's military history from its first occupation into the modern era Cline amply deploys primary source material to investigate assaults on Jerusalem of every sort starting at the dawn of recorded history *Jerusalem Besieged* is invaluable for framing the contemporary situation in the Middle East in the context of a very long and pertinent history Baruch Halpern Pennsylvania State University A sweeping history of four thousand years of struggle for control of one city An absorbing account of archaeological history from the ancient Israelites first conquest to today's second intifada Cline clearly lays out the fascinating history behind the conflicts USA Today A pleasure to read this work makes this important but complicated subject fascinating Jewish Book World *Jerusalem Besieged* is a fascinating account of how and why a baffling array of peoples ideologies and religions have fought for some four thousand years over a city without either great wealth size or strategic importance Cline guides us through the baffling but always bloody array of Jewish Roman Moslem Crusader Ottoman Western Arab and Israeli fights for possession of such a symbolic prize in a manner that is both scholarly and engaging Victor Davis Hanson Stanford University author of *The Other Greeks* and *Carnage and Culture*

Looking In, Looking Out: Jews and Non-Jews in Mutual Contemplation, 2024-04-08 Martin Goodman's forty years of scholarship in Roman history and ancient Judaism demonstrates how each discipline illuminates the other Jewish history makes best sense in a broader Greco Roman context Roman history has much to learn from Jewish sources and evidence In this volume Martin's colleagues and students follow his example by examining Jews and non Jews in mutual contemplation Part 1 explores Jews views of inter communal stasis the causes of the Bar Kochba revolt tales of Herodian intrigue and the meaning of Israel Part 2 investigates Jews depiction of outsiders Moabites Greeks Arabs and Roman authorities Part 3 explores early Christians Luke Jerome Rufinus Syriac poetry Pionius ordinary individuals views of Jews and use of Jewish sources and Josephus's relevance for girls in 19th century Britain

The Oxford Handbook of the History of Terrorism Carola Dietze, Claudia Verhoeven, 2022 The Oxford Handbook of the History of Terrorism presents a re evaluation of the major narratives in the history of terrorism exploring the emergence and the use of terrorism in world history from antiquity up to the twenty first century The volume presents terrorism as a historically specific form of political violence that was generated by modern Western culture and then transported around the globe where it interacted with and was transformed in accordance with local conditions It offers cogent arguments and well documented case studies that support a reading of terrorism as a modern phenomenon as well as

sustained analyses of the challenges involved in the application of the theories and practices of modernity and terrorism to non Western parts of the world both for historical actors and academic commentators **Making History** Zuleika Rodgers,2007 The encounter between interpretation and history in the writings of Josephus provides the conceptual framework for this collection of essays In particular the question of historical method both ancient and modern is explored from a variety of perspectives **Religion, Ethnicity, and Identity in Ancient Galilee** Jürgen Zangenberg,Harold W. Attridge,Dale B. Martin,2007 What is a Galilean What were the criteria of defining a person as a Galilean archaeologically or with respect to literary sources such as Josephus or the rabbis What role did religion play in the process of identity formation Twenty two articles based on papers read at conferences at Cambridge Wuppertal and Yale by experts from 7 countries shed light on a complex region the pivotal geographic and cultural context of both earliest Christianity and rabbinic Judaism In these papers ancient Galilee emerges as a dynamic region of continuous change in which religion ethnicity and identity were not static monoliths but had to be negotiated in the context of a multiform environment subject to different influences

The Oxford Handbook of the State in the Ancient Near East and Mediterranean Peter Fibiger Bang,Walter Scheidel,2013-01-31 Tracing the evolution of the state from its beginnings to the early Middle Ages this comprehensive handbook focuses on key institutions and dynamics while providing accessible accounts of states and empires in the ancient Near East and Mediterranean Orientation to the History of Roman Judaea Steve Mason,2016-12-09 No field of study is livelier than the history of Roman era Judaea ca 200 BC to AD 400 Bold reinterpretations of texts and new archaeological discoveries prompt us constantly to rethink assumptions What kind of religion was Judaism How did Jews and Christians relate to Roman imperial power Should we speak of Judaism or Judaisms How should the finds at Qumran affect our understanding Did Paul and other early Christians remain within Judaism Should we translate Ioudaioi as Jews or Judaeans These debates can leave students perplexed this book argues because the participants share only a topic They are actually investigating different questions using disparate criteria In the hope of facilitating communication and preparing advanced students this book explores two basic but neglected problems What does it mean to do history if history is what we wish to do And how did the ancients understand and describe their world It is not a history then but an orientation to the history of Roman Judaea Rather than trying to specify which questions are good ones or what one should think about them the book offers new perspectives to help unleash the historical imagination while reckoning squarely with the nature of our evidence

After Alexander John Tidmarsh,2024-05-01 After Alexander The Hellenistic and Early Roman Periods at Pella in Jordan details the excavation of Hellenistic and Early Roman period horizons carried out at Pella in Jordan by the University of Sydney since 1979 It deals with both the stratigraphy of the Hellenistic and Early Roman levels at Pella and catalogues the pottery recovered from them Short summaries of relevant work by the College of Wooster are also included After a brief introduction to the site and history of excavations a detailed description of the Hellenistic and Early Roman levels on the

main mound of Khirbet Fahl on nearby Tell Husn and in select hinterland locations then follows The heart of the study centres on a detailed catalogue of the corpus of some 900 individual Hellenistic Early Roman pottery fragments accompanied by outline drawings for each fragment and a smaller number of images of the more important pieces Discussion of the relevance and importance of the material remains to the history and archaeology of the Hellenistic and Early Roman periods at Pella and more broadly to Jordan and the southern Levant concludes the study

Civilians and Warfare in World History
Nicola Foote, Nadya Williams, 2017-08-23 This book explores the role played by civilians in shaping the outcomes of military combat across time and place This volume explores the contributions civilians have made to warfare in case studies that range from ancient Europe to contemporary Africa and Latin America Building on philosophical and legal scholarship it explores the blurred boundary between combatant and civilian in different historical contexts and examines how the absence of clear demarcations shapes civilian strategic positioning and impacts civilian vulnerability to military targeting and massacre The book argues that engagement with the blurred boundaries between combatant and non combatant both advance the key analytical questions that underpin the historical literature on civilians and underline the centrality of civilians to a full understanding of warfare The volume provides new insight into why civilian death and suffering has been so common despite widespread beliefs embedded in legal and military codes across time and place that killing civilians is wrong Ultimately the case studies in the book show that civilians while always victims of war were nevertheless often able to become empowered agents in defending their own lives and impacting the outcomes of wars By highlighting civilian military agency and broadening the sense of which actors affect strategic outcomes the book also contributes to a richer understanding of war itself This book will be of much interest to students of military studies international history international relations and war and conflict studies

First Jewish Revolt Archaeology History And Ideology Introduction

In the digital age, access to information has become easier than ever before. The ability to download First Jewish Revolt Archaeology History And Ideology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download First Jewish Revolt Archaeology History And Ideology has opened up a world of possibilities. Downloading First Jewish Revolt Archaeology History And Ideology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading First Jewish Revolt Archaeology History And Ideology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download First Jewish Revolt Archaeology History And Ideology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading First Jewish Revolt Archaeology History And Ideology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading First Jewish Revolt Archaeology History And Ideology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices

have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download First Jewish Revolt Archaeology History And Ideology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About First Jewish Revolt Archaeology History And Ideology Books

What is a First Jewish Revolt Archaeology History And Ideology PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a First Jewish Revolt Archaeology History And Ideology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a First Jewish Revolt Archaeology History And Ideology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a First Jewish Revolt Archaeology History And Ideology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a First Jewish Revolt Archaeology History And Ideology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields

and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
