Divided We Stand Marjorie J. Spruill, 2018-08-28 The fascinating true story of the characters in Hulu's *Mrs America* and a broader portrait of the two women's movements that spurred an enduring rift between liberals and conservatives The many admirers of *Mrs America* will find great satisfaction in *Divided We Stand* a clear compelling and

deeply insightful volume The Washington Post One of Smithsonian Magazine's Ten Best History Books of the Year In the early 1970s an ascendant women's rights movement enjoyed strong support from both political parties and considerable success but was soon challenged by a conservative women's movement formed in opposition Tensions between the two would explode in 1977 at the congressionally funded National Women's Conference in Houston Texas As Bella Abzug Gloria Steinem and other feminists endorsed hot button issues such as abortion rights the ERA and gay rights Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro family movement Divided We Stand reveals how crucial women and women's issues have been in the shaping of today's political culture After the National Women's Conference Democrats continued to back women's rights in cooperation with a more diverse feminist movement while the GOP abandoned its previous support for women's rights and defined itself as the party of family values irrevocably affecting the course of American politics [Affairs of State](#) Robert P. Watson, 2012-09-06 In recent years Arnold Schwarzenegger Eliot Spitzer John Edwards Newt Gingrich Herman Cain and countless other politicians have made headlines for their sexual scandals But such stories are not new Indeed there is a long history of misbehavior in politics including in the nation's highest office Bill Clinton it can safely be said was not the first president to misbehave nor was he the worst In fact there is a long history of presidential peccadilloes Many presidents have been influenced and had their careers affected by the hand of a woman sometimes that of a wife or mother but at other times that of a mistress But these stories are rarely told Instead history has tended to glorify our leaders Such a scrubbed version of the lives of presidents however omits their marital woes love lives and sexual peccadilloes As Robert P. Watson reveals it is precisely these intimate and all too human moments that provide some of the most valuable insights into our leaders Affairs of State is not just about sex and scandal the who did it of history although such incidents are described in detail It is a book about love marriage and affairs in the White House offering an intimate character study of the First Couples who made history To see the author discuss his book on Inside South Florida please click [here](#) To see him discuss the book on C-SPAN please click [here](#)

Ryan, 1989 This collection of essays about the Presidential wives of the 20th century through Nancy Reagan An exploration of the records of first ladies will elicit diverse insights about the historical impact of these women in their times Interpretive theories that explain modern first ladies are still tentative and exploratory The contention in the essays however is that whatever direction historical writing on presidential wives may follow there is little question that the future role of first ladies is more likely to expand than to recede to the days of relatively silent and passive helpmates Following a foreword and an introduction essays in the collection and their authors are as follows Meeting a New Century The Papers of Four Twentieth Century First Ladies Mary M. Wolfskill Not One to Stay at Home The Papers of Lou Henry Hoover Dale C. Mayer I Want You to Write to Me The Papers of Anna Eleanor Roosevelt Frances M.
