Real Salvation Reuben A. Torrey, 2022-09-01 Choose you this day whom ye will serve but as for me and my house we will serve the Lord Joshua 24 15 What kind of Christian are you Are you a mere formal Christian or are you a real Christian Are you one of these men or women who call themselves Christians who go to the house of God on Sunday who go to Communion and perhaps teach a Bible class or a Sunday school class but run around to the theater a card party dances and all the frivolity and foolishness of the world the rest of the week Are you one of the Christians who is trying to hold on to Jesus Christ with one hand and the world with the other Or are you a real Christian who has renounced the world with your whole heart and given yourself to Jesus Christ with all your heart a Christian who can sing I surrender all and mean it Where are you What kind of a Christian are you Are you for Christ or are you against Him You know you are either one or the other for He says so We read in Matthew 12 30 in the words of Jesus Himself He that is not with me is against me Everyone is either with Jesus wholeheartedly confessedly and openly or else they are against Jesus Which are you For Christ or against Him

Glue Sniffing & Out of Body Experiences William T Stead,2025-05-15 I have written a story about glue sniffing and out of body experiences that occurred during the early seventies Back then I was a teenager who had a difficult upbringing with many factors causing a chaotic life Through all of this I learned the potential of a stimulant combined with mind control It was my first use of any kind of drug and unintentionally it took me on a journey of discovery There are two main abilities one has to overcome in order to experience OBEs The first is telepathic speech construction and application The ability to communicate is immensely important and allows you to utilise the learning process The second is manipulation of the visual environment When this had been achieved I attained a separation of the soul from the body to a state I call the third level In this plane I had a guide called Gong who is of alien origin and my mentor My time in the third phase lasted around one year during which I experienced technologies far in advance of mankind To summarise some of the outstanding events I have seen numerous UFOs on different occasions and witnessed scenes from my own future I was permitted to see the left hand side of my soul I have been in the same room as an alien Events of this nature although exceptional are not the main point of this story I was asked to write about my experiences in the spirit plain At the time my education was close to semi literacy and through a combination of learning and patience I felt it was time to fill an agreement
