Viennese School A Performer s Guide to Selected Solo Vocal Works scholar Lorelee Songer outlines for singers and voice teachers critical information on selected solo vocal works by three major classical composers active during the first half of the twentieth century Arnold Schoenberg Alban Berg and Anton Webern For too long the remarkable vocal works of these composers have received insufficient attention because too many have assumed their works to be unsingable atonal pieces musically impossible or unrewarding for performers and entirely unsatisfying for listening audiences For each composer Songer provides information about the composer s educational background and compositional style as well as commentary on representative vocal works supported by musical examples The discussion is bolstered by interviews with renowned singers who supply advice for practice and performance A catalog of selected songs featuring information on each work s poet key range and German English translation is also provided Voice teachers and singers of varying levels will benefit from this book s practical content and format and the exposure to under appreciated works will enhance recital performance repertoire substantially
