this book the three letters of John are concerned with giving their audience an experience of living eternally by the worship that consists of loving God and one another *The Gospel of John* Associate Professor of Religious Studies Hugo Méndez,Hugo Méndez,2025 The Gospel of John reimagines the origins of the Gospel of John one of the central scriptures of the Christian tradition It argues that the book is a falsely authored work pseudepigraphon written in the persona of an invented disciple of Jesus It lays out John s distinctive ideology and offers an exciting new symbolic reading of its narrative And in its later chapters it argues that other works among them 1 John 2 John 3 John the Apocryphon of John and Revelation are also falsely authored works written to co opt the identity of this invented disciple **1, 2, and 3 John** Constantine R.
