Okakura Tenshin and Pan-Asianism Brij Tankha, 2008-12-11 This volume explores four key themes emanating from Okakura Tenshin's philosophy and legacy Okakura Tenshin and the Ideal of Pan Asianism Other Forms of Pan Asianism especially Islam and China Art and Asia and Ways of Defining Asia up to the present day Okakura Tenshin 1862 1913 art historian and ideologue driven by a notion of Asia bound by culture is a significant figure in Japan's modern intellectual history His writings in both Japanese and English became part of a growing discourse that positioned Japan as the guardian and protector of Asia against the depredations cultural as much as economic and political of the West At the outbreak of the Pacific War the first line of Okakura's 1903 book *Asia is One* The Ideals of the East was celebrated posthumously by the Japanese military as the most powerful expression of Japan's goal of political ascendancy in Asia

Explorers DK, 2010-09-20 From the first people to leave Africa to the first to leave the planet the urge to explore the unknown has driven human progress *Explorers* tells the story of humanity's explorations taking the reader into the lives of some of the most intrepid people ever known Throughout history exploration has arisen from a wide range of impulses from trade and the search for lands to colonize to scientific curiosity and missionary zeal This book tells the story of explorers of every type from those chasing glory to those seeking enlightenment In its pages readers will meet some of history's most famous trail blazers people whose courage opened frontiers turned voids into maps forged nations

connected cultures and added to humankind's knowledge of the world by leaps and bounds. Each life is captured in context by considering the knowledge of the world in which the explorers lived, the factors that gave rise to their expeditions and the technology available to them at the time. Their discoveries and the consequences are also considered in depth and highlighted with beautiful maps, photographs and illustrations. The tales of the explorers, assistants and companions are woven into the overall story along with an examination of the qualities that made them drop everything in pursuit of discovery.

Croatia Jonathan Bousfield, 2003. *The Rough Guide to Croatia* is the most comprehensive handbook to this spectacular destination. A 24-page full-colour section introduces Croatia's highlights from the medieval city of Dubrovnik to the beaches of the Dalmatian coast. Throughout there are discerning reviews of all the best places to stay, eat and drink to suit any pocket. Finally, the Contexts section provides an authoritative background on Croatia's history, politics and culture.

The Rough Guide to California Rough Guides (Firm), 2003. An illustrated guide that covers urban hotspots such as San Francisco and LA to the natural beauty of the Yosemite National Park and the Lake Tahoe area. Camping and hiking information in Sequoia, Death Valley and the other great National Parks is included, as well as the highlights of the east. Las Vegas and the Grand Canyon. Hotel and restaurant details are given to suit all budgets, together with the lowdown on the coolest or failing that, the most interesting clubs and bars. Comprehensive contexts sections featuring the best books and movies on California, as well as extracts from two best-selling authors, are also included.

Creating Livable Asian Cities Bambang Susantono, Robert Guild, 2021-04-01. This book explores how Asia's fast-growing cities can fulfil their potential as engines of economic prosperity and provide a livable environment for all citizens. But for this to happen, major challenges that reduce urban communities' quality of life and economic opportunities must be addressed. These include poor planning, a lack of affordable housing, inequalities, pollution, climate vulnerabilities and urban infrastructure deficits. The book's 19 articles unwrap these challenges and present solutions focused on smart and inclusive planning, sustainable transport and energy, innovative financing and resilience and rejuvenation.

The Rough Guide to Tuscany and Umbria Tim Jepson, Jonathan Buckley, Mark Ellingham, 2003. *The Rough Guide to Tuscany and Umbria* is the ultimate handbook to one of Italy's most spectacular and culturally rich regions. Features include a full-colour section introducing the region's highlights, detailed accounts of every sight from the monuments of Florence, Siena and Assisi to ancient Etruscan ruins, in-the-know reviews of the best places to eat, drink and stay at all prices, practical tips on a host of activities from attending the Spoleto Festival to walking in the Monti Sibillini, and revealing background on a huge range of topics including St Francis.

the Pazzi Conspiracy and Umbrian truffles bull Maps and plans for every region **Asia's Reckoning** Richard McGregor, 2017 China red or green Countering Japan Five ragged islands The golden years Japan says no Asian values Apologies and their discontents Yasukuni respects History's cauldron The Ambo mafia The rise and retreat of great powers China lays down the law Nationalization Creation myths Freezing point Afterword **A Timeline of Global Christianity** Brett Knowles, 2020-06-01 This timeline comprises one thousand significant dates for global Christianity It includes events across all inhabited continents and also in Antarctica and outer space emphasizing those occurring in the non Western world The detailed annotations on each date are intended as provocative ignition points to spark historical curiosity functioning as launchpads into further exploration in global Christianity For example 739 What did the finding of the Rotas Sator palindrome on the walls of an eighth century Sudanese cave dwelling indicate 1346 Who were the mysterious Christians in the Javanese Royal Court of Majapahit 1969 Why was the secret communion on the Moon hushed up by NASA 1992 Why was Paraguay the only Latin American country to include an indigenous language as a national language Since previous histories of Christianity usually have a European or North American perspective students will find this book useful for its global coverage It can be used in three ways Firstly it can be used chronologically as a continuous global timeline It can also be used as a sampling of Christianity in each country or as an index of significant figures in the history of global Christianity Each section is cross referenced to the timeline making it a valuable resource for historical study Seattle Jeff Dickey, Richie Unterberger, 2003 This is a handbook to Seattle a dynamic and lively city There is a colour introduction of some of the best things to see and do in the city The listings section incorporates recommendations of the best accommodation restaurants bars clubs music venues shops and cafes Unfinished Business Barbara Seranella, 2013-11-12 In this hard to put down suspense thriller a woman who's put her dark past behind her finds herself in danger once again Los Angeles Times Miranda Munch Mancini once lived life on the edge and on the streets but she finally feels like things are falling into place She's got a career as an auto mechanic serving an elite clientele in Los Angeles as well as a young daughter and a handsome man at her side But then one of her clients a wealthy socialite is found dead on the side of a road and another is brutally assaulted The predator is already too close for comfort and when he starts targeting Munch and her daughter she'll have to team up with an adversary from her past to stay safe and bring him down The writing is crisp the action fast and furious the thrills never sag Los Angeles Times A strong female protagonist lots of action and a surprising conclusion drive this solid entry in a strong series that deserves wider recognition Booklist **East Asia's Haunted Present** Tsuyoshi Hasegawa, Kazuhiko Togo, 2008-06-30 This collection of essays by leading scholars from Japan China South Korea and the United States examines how and why bitter historical memories have resurfaced in recent years as freshly virulent and contentious issues between Japan and its neighbors especially China and South Korea Moreover it seeks to identify what set of conditions and what sequence of measures will enable these modern nations to manage palliate and exorcise the wrongs of

the past in a spirit of reconciliation so that the dangerous growth of nationalist resentments and revanchism can be checked
Comfort women the Yasukuni Shrine the history textbook controversies The single sorest issue confronting East Asia today is the growing animosity and conflict between Japan and its neighbors especially China and South Korea over their respective and collective memories of Japan's pre 1945 militaristic aggression oppression and atrocities Even as East Asia has established itself as one of the most vibrant economic regions of the world the strident nationalisms that have emerged here in the post Cold War period have exacerbated historical grievances and heightened the international tensions that separate Japan from China and South Korea blocking the development of an international system based on comity and cooperation

Orientalism Edward W. Said, 2014-10-01 A groundbreaking critique of the West's historical cultural and political perceptions of the East that is decades after its first publication one of the most important books written about our divided world Intellectual history on a high order and very exciting The New York Times In this wide ranging intellectually vigorous study Said traces the origins of orientalism to the centuries long period during which Europe dominated the Middle and Near East and from its position of power defined the orient simply as other than the occident This entrenched view continues to dominate western ideas and because it does not allow the East to represent itself prevents true understanding **Imperial Cults and the Apocalypse of John** Steven J. Friesen, 2001-10-25 After more than a century of debate about the significance of imperial cults for the interpretation of Revelation this is the first study to examine both the archaeological evidence and the Biblical text in depth Friesen argues that a detailed analysis of imperial cults as they were practiced in the first century CE in the region where John was active allows us to understand John's criticism of his society's dominant values He demonstrates the importance of imperial cults for society at the time when Revelation was written and shows the ways in which John refuted imperial cosmology through his use of vision myth and eschatological expectation East Asia's New Democracies Yin-wah Chu, Siu-lun Wong, 2010-04-09 This collection brings us up to date on the contemporary situations in the new democracies of East Asia and debates on the prospect of introducing liberal democracy to this part of the world The chapters cover a wide range of cases including in depth examination of China Korea Taiwan the Philippines Thailand and broad comparisons of Malaysia Singapore Indonesia Vietnam and other countries The contributors who are foremost experts in their fields examine the roles performed by civil society social classes and strategic groups as well as the intertwining of values and interests in the transition to consolidation of and reversal from democracy They also evaluate the extent to which these new democracies have facilitated regional peace helped extend social welfare benefits bolstered poverty alleviation and upheld the rule of law and human rights Grounding their analyses in the historical development of these societies and examining them through the comparative strategy they also explore the desirability of liberal democracy whether in the subjective assessment of the Asian people or in relation to the social political challenges faced by these Asian countries East Asia's New Democracies will be of interest to students and scholars of comparative politics political science political
