

1 Timothy

First Timothy

Daniela Niemeyer

First Timothy:

Reflections on First Timothy Vincent Cheung, 2014-11-25 A series of reflections on Paul's first letter to Timothy. Chapters include The Christian's Self Definition, The Non-Christian's True Nature, Male Leadership in the Church, Strange Uses of Scripture, The Doctrines of Demons, and The Secret of Contentment. **First Timothy- Everyman's Bible Commentary** D Edmond Hiebert, 1957-06-01 This concise interpretation of the apostle Paul's first letter to Timothy keeps technical matters to a minimum while making every effort to provide a clear explanation of each portion of the epistle. Dr Hiebert's verse by verse method keeps the trend of thought before the reader by means of a well developed outline. The letter to Timothy was intended to give him needed help in opposing the false teachings that were creeping into the church. Hiebert's valuable commentary makes the truths Paul taught Timothy clear and easily applicable to the layman and busy pastor. **Only Believe** Michelle Echevarria, 2008-12 Michelle Echevarria aspires to share the knowledge, wisdom, and understanding she has gained from the Bible's precepts. Blessed and empowered with this vital knowledge, Echevarria reveals to the reader the Bible's precepts and their locations. Thereby increasing faith by the word of God. The Bible says in Romans 10:17, "So then faith comes by hearing, and hearing by the word of God. It is the word of God that delivers us from disobedience to obedience to God. Knowing and understanding God from his word facilitates change because most people seek to please God and not man. The scripture locator portion of Only Believe can be used with your Bible or without it will elevate your knowledge of the New Testament precept upon precept. The beginning, middle, and end of the New Testament is included to give the reader structure and the potential for a more complete understanding of the word of God by the word of God. **An Introduction to the New Testament** M. Eugene Boring, 2012-01-01 A user friendly introduction to the New Testament for beginning students. **Who Is This Jesus?** Jermaine Mack, 2021-10-20 This book is an easy to read concordance dedicated to Jesus throughout the Bible. It focuses on references to Jesus found throughout each New Testament book and it includes a section with many Old Testament references to Jesus. This concordance contains a features section for each New Testament book and the Old Testament section about Jesus that includes features such as his words, his miracles, and events from his life. There is a garden to the grave feature for each of the gospels so readers can easily reference the scriptures about Jesus's sacrificial love as he died for the sins of the world. The book is designed to be a study tool to help readers learn more about Jesus through the scriptures about him. Each reference to Jesus shows the readers a little more about his character and his everlasting love for them. *Paul, the Pastoral Epistles, and the Early Church* () James W. Aageson, 2007-10-01 Paul's influence on the history of Christian life and theology is as profound as it is pervasive. A brief survey of almost twenty centuries of Christian thought and practice will confirm the enduring importance of Paul for the life of the church in the Roman and Protestant traditions of the West as well as the Orthodox traditions of the East. Even as Christianity at the dawn of its third millennium has become increasingly global and traditions have come to develop and intersect in new and complex

ways Paul's place in the story of Christianity remains deeply rooted in the church's theology, worship, and pastoral life. In both past and present, Paul's influence on the Christian church can hardly be overestimated. Among the many intriguing issues generated by the historical Paul, his New Testament letters, and early church history is the question: what happened to Paul after Paul? Whether we think in terms of the reception of Paul's theology or the ongoing legacy of Paul or early Christian reinterpretation of his letters, the questions persist: what did the early church do with Paul's memory? How did it reshape his theology? And what role did his letters come to play in the life of the church? The focus of the present discussion is in the early decades and centuries of Christianity, a time when the memory and legacy of Paul came to serve varied and often competing interests in the emerging church. It was a time when Paul's reputation and importance to the church were being reinforced and when his epistles were gaining the authority that would ensure their place in the sacred library of Christianity. It was also the time when the Jesus movement forged itself into Christianity, a process in which Paul played a pivotal role and eventually also became an object of revision and transformation himself. What is virtually indisputable in this process is that Paul, during his lifetime and after, played a critical role in making Christianity what it was to become.

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954, 2003 NLT Life Application Study Bible, Third Edition, Personal Size Tyndale, 2020-04-07 Men and women who would like to better understand and apply God's truth to everyday life will benefit from the notes and features in this study Bible. Also includes a section dedicated to those in ministry. The Personal Size editions are for people who like to carry their study Bible with them. **What the Bible Is All About for Women** Lisa Harper, 2007-10-01 Reading What the Bible is All About for Women is like sitting in a coffee shop with a good friend having a chat about the Bible over a cup of coffee. Dispelling the myth that the Bible is boring, Lisa Harper connects with readers through humor and her straightforward style combined with theological substance to offer a devotional which is an enjoyable read and a helpful guide for spiritual growth. Inspired by Henrietta Mears' classic What the Bible is All About for Women helps women discover what makes them the objects of God's affection. Readers will be encouraged by the fact that the creator of the universe is madly in love with them; they will be compelled to pursue a more passionate and honest relationship with God through His Word. Includes 66 engaging devotions, highlights from the beloved What the Bible is All About, and an interactive section in which the reader can experience the personal relevance of Scripture.
