

# FIRST MICHIGAN COLORED REGIMENT

The First Michigan Colored Regiment was organized at Camp Ward, which originally stood on this location. Formed from August through October, 1863, a year of draft riots and protests against the war, this Negro regiment consisted entirely of volunteers. During training, a regimental band was formed and toured southern Michigan to recruit additional volunteers. Mustered here as the 102nd U.S. Colored Troops, February 17, 1864, the 900-man unit left Detroit March 28, 1864, for service in South Carolina, Georgia, and Florida. More than 1,400 men served in the regiment during 19 months in the field; ten per cent of this number died in service. The regiment was disbanded in October, 1865, in Detroit.

Through Cold Harbor Bradley M. Gottfried, 2023-01-04 The Maps of Spotsylvania through Cold Harbor continues Bradley M. Gottfried's efforts to study and illustrate the major campaigns of the Civil War's Eastern Theater. This is the ninth book in the ongoing Savas Beatie Military Atlas Series. After three years of bloody combat in Virginia, President Abraham Lincoln promoted Ulysses S. Grant to general in chief in early 1864. Grant immediately went to work planning a comprehensive strategy to bring an end to the war. He hungered to remain with the Western armies but realized his place was in Washington. Unwilling to be stuck in an office, Grant joined George Meade's Army of the Potomac. His presence complicated Meade's ability to direct his army, but Grant promised to stay out of his way and give only strategic directives. This arrangement lasted through the Wilderness Campaign, the first action in what is now referred to as the Overland Campaign. This book continues the actions of both armies through the completion of the Overland Campaign. After the Wilderness fighting, the Army of the Potomac attempted to swing around the right flank of Gen. Robert E. Lee's Army of Northern Virginia and shoot straight for Richmond. The Confederate capital was never the goal; the move was intended to force Lee out into the open where the larger and well-stocked Union army could destroy it. The head of Lee's army blunted the enemy at Spotsylvania Court House, where both sides dug in. Days and men were wasted on fruitless attacks until Col. Emory Upton designed an audacious strike that temporarily penetrated Lee's works. A much larger offensive against the Mule Shoe two days later tore the line open, destroyed a Rebel division, and triggered a long day of fighting. More fighting convinced Grant of the folly of further attempts to crush Lee at Spotsylvania, and again he swung around the Rebel right flank. The march ignited almost continuous fighting at the North Anna, Bethesda Church, and Cold Harbor, where this volume ends. This study includes the various cavalry actions, including those at Spotsylvania Court House, Yellow Tavern, Haw's Tavern, and Matadequin Creek. The Maps of Spotsylvania through Cold Harbor breaks down the entire operation into thirty-five map sets or action sections, enriched with 134 detailed full-page color maps. These cartographic originals bore down to the regimental and battery level and include the march to and from the battlefields and virtually every significant event in between. At least two and as many as ten maps accompany each map set. Keyed to each piece of cartography is a full-facing page of detailed footnoted text describing the units, personalities, movements, and combat, including quotes from eyewitnesses depicted on the accompanying map, all of which make the Spotsylvania story come alive. This unique presentation allows readers to easily and quickly find a map and text on any portion of the campaign, from the march to Spotsylvania to Cold Harbor. Serious students will appreciate the extensive and authoritative endnotes and complete order of battle. Everyone will want to take the book along on trips to these battlefields. Perfect for the easy chair or for stomping the hallowed ground, The Maps of Spotsylvania through Cold Harbor is a seminal work that belongs on the bookshelf of every serious student of the battle.

*The Cavalries in the Nashville Campaign* Dennis W. Belcher,2020-05-08 The Nashville Campaign culminating with the last major battle of the Civil War is one of the most compelling and controversial campaigns of the conflict The campaign pitted the young and energetic James Harrison Wilson and his Union cavalry against the cunning and experienced Nathan Bedford Forrest with his Confederate cavalry This book is an analysis of contributions made by the two opposing cavalry forces and provides new insights and details into the actions of the cavalry during the battle This campaign highlighted important changes in cavalry tactics and never in the Civil War was there closer support by the cavalry for infantry actions than for the Union forces in the Battle of Nashville The retreat by Cheatham s corps and the Battle of the Barricade receive a more in depth discussion than in previous works on this battle The importance of this campaign cannot be overstated as a different outcome of this battle could have altered history The Nashville Campaign reflected the stark realities of the war across the country in December 1864 and would mark an important part of the death knell for the Confederacy **The Battle of Petersburg, June 15-18, 1864** Sean Michael Chick,2015-04-01 The Battle of Petersburg was the culmination of the Virginia Overland campaign which pitted the Army of the Potomac led by Ulysses S Grant and George Gordon Meade against Robert E Lee s Army of Northern Virginia In spite of having outmaneuvered Lee after three days of battle in which the Confederates at Petersburg were severely outnumbered Union forces failed to take the city and their final futile attack on the fourth day only added to already staggering casualties By holding Petersburg against great odds the Confederacy arguably won its last great strategic victory of the Civil War In The Battle of Petersburg June 15 18 1864 Sean Michael Chick takes an in depth look at an important battle often overlooked by historians and offers a new perspective on why the Army of the Potomac s leadership from Grant down to his corps commanders could not win a battle in which they held colossal advantages He also discusses the battle s wider context including politics memory and battlefield preservation Highlights include the role played by African American soldiers on the first day and a detailed retelling of the famed attack of the First Maine Heavy Artillery which lost more men than any other Civil War regiment in a single battle In addition the book has a fresh and nuanced interpretation of the generalships of Grant Meade Lee P G T Beauregard and William Farrar Smith during this critical battle
