First Vows:

The Mirror of My Self John Pulparampil, This is a revised version of an extraordinary autobiography first published in January 2017 by the Educreation Publishing House New Delhi under the title Gospel According to Myself with four new chapters added to it and also incorporating some changes in some parts the earlier chapters The new headings of the chapters reflect the new perspectives adopted on each of them with an emphasis on being a life long student even at the age of 71 The book contains four major parts a a comprehensive review of Jesuit training for priest hood based on personal experiences as a Jesuit trainee in the Madurai Province of Jesuits in India a a critical review of institution building for excellence in education and training in India focusing experiences in the Jawaharlal Nehru University New Delhi South Gujarat University Surat and Institute of Management in Government Thiruvananthapuram and c experiences in self management from the days of adolescence to the age of seventy and d a philosophy of life evolved by the author on the basis of his vast readings unique experiences in life and prolonged reflection and meditation on the deeper aspects of life lived in national and international contexts In all what he did value concerns have been central to his thinking and actions And nowhere was he ever free from conflicts due to his value concerns in life In his autobiography started in 1975 and completed in 2016 the author narrates and analyses his experiences in the different situations in which he had to take value based decisions and face the consequences for the actions The Philosophical perspectives on his religious experiences and value management conflicts outshine all other aspects of this extraordinary document The spirit of the author enters into a dialogue with those who read the story of his eventful life Dictionary of World Monasticism Steven Olderr,2020-08-10 The roots of monasticism may go back as far as 1700 BCE to ascetic practices in ancient India Since that time the monastic world has naturally developed its own extensive and distinct vocabulary Countless volumes have been written on monasticism yet many do not clearly define obscure or vernacular terms Some terms may be found in standard dictionaries but without in depth explanations This first comprehensive dictionary not a proselytizing work but a reference with historical and biographical focus fills the gap with a worldwide scope covering not only Christianity but all faiths that have monastic traditions including but not limited to Buddhism Jainism and Hinduism *The Lives of the Primitive Fathers, Martyrs, and Other Principal Saints...* by the Rev. Alban Butler... Alban Butler,1799 **The Lives of the Primitive Fathers, Martyrs, and Other Principal Saints** Alban Butler,1799 *Another Nun's Story* Beth Warren,2021-05-12 In 1947 author Beth Warren entered the convent because she believed God called her to a special life of service for His people She had a passionate love for nuns who combined their religious lives with outgoing compassion for others Warren wanted to be just like them She dreamed that answering her Call to religious life would help make the world a better place During the sixties Pope John XXIII asked nuns to look outside their convent walls to see where they were most needed Warren was drawn to working with disadvantaged people but she was told she was a teacher not a social worker She realized that to serve God s

deprived people and live among them she would need to leave her religious Community In Another Nun s Story Warren chronicles her joys and difficulties during her religious life from the 1940s to the 1980s She discusses how being a rebel nun led her to break her vows and left her with unraveled feelings and some guilt But she came to understand she was saying goodbye to an impossible dream so she could pursue one that was possible for her **Ignatian Mysticism** Stephen J Costello,2024-06-27 This work explores the influential Spiritual Exercises of Ignatius Loyola the sixteenth century Spanish soldier saint mystic and founder of the Jesuit Order The Ignatian Exercises including the Examen are brought into dialogue with the psychologies of C G Jung and Viktor Frankl the philosophies of Eric Voegelin and Bernard Lonergan as well as the thought of Teilhard de Chardin von Balthasar and Eastern philosophy Their enduring relevance and implications for the Recovery and wellness movement are also articulated Drawing on key themes such as gratitude forgiveness and consciousness as a springboard for reflection and interpretation the mystical dimension of Ignatian spirituality is emphasised throughout This book will benefit the beginner serious scholar spiritual seeker and anyone intent on gaining an understanding of this unique way of proceeding *Introduction to Religious Studies* Harvey J. benefit of others During his long years of study he discovers happiness through sharing his life with the less fortunate working in the fields with migrant laborers This ever growing desire not only to serve the poor but also to be one of them is a recurring theme in Fr Martinson s diary As a gateway for anyone discerning his vocation or as manna for those already in religious life this diary reveals the secret garden of a Jesuit s formative years sharing many personal joyful and inspiring experiences which as the poet Gerard Manley Hopkins wrote are rife with beauty blooming *Principles of Zen Training for Educational Settings* Hugh Schuckman,2024-10-31 This book provides insights into new developments and persistent traditions in Zen teacher training and education through the use of historical archival research and original interviews with living Zen Masters It argues that some contemporary Euro American social values of gender equality non discrimination rationality ecumenicism and democracy permeate not only the organizational aspects of the Kwan Um School of Zen case study but soteriological processes and goals of the training more widely Each chapter showcases the ways important facets of Zen education from meditation to curriculum development to school management have absorbed Euro American cultural and social ideals in both community and educational practices Giving dedicated scholarly attention and conceptualising new adaptations in transnational Zen communities it constitutes an important and timely addition to the literature and will appeal to researchers and scholars of religion and education Asian pedagogies contemporary Buddhism transnational Zen and Zen education **The Vow** Kim Carpenter,Krickitt Carpenter,Dana Wilkerson,2012 Presents the true story of a couple who fell in love again after the wife Krickitt suffered a traumatic brain injury in an automobile crash and lost all memory of her previous life *The Best for Last* Paulette Camnetar Meeks,2009-12 In *The Best for Last* One Woman s Unusual Tale of Life and Love readers will follow author Paulette Camnetar Meeks as she shares how an ordinary life can be extraordinary You will laugh and you will cry as you walk through Paulette s journey from childhood to her wiser senior years As high school ended Paulette knew she was being called to leave her family and join the Daughters of Charity devoting her life fully to Christ But Paulette was not your stereotypical nun shut away in a convent Instead her heart of adventure caused her to take on many unexpected roles as a bilingual teacher motorcycle enthusiast translator and a single parent foster mom And when Paulette felt God leading her to leave the sisterhood and to begin the search for her soulmate she did not hesitate Readers will be inspired by this story of faith perseverance and love showing that we are never alone or without hope sometimes God saves *The Best for Last* *The Vowed Life* Matthew Bullimore,Sarah Coakley,2023-01-31 This landmark volume from an influential group of Anglican theologians explores baptism as the foundation for living out all forms of Christian vocation in confirmation marriage ordination and religious life It offers theological and pastoral perspectives on the centrality and significance of baptism for a Church that has perhaps lost a sense of the radical commitment that baptism calls for It explores the meaning of vows today as promise covenant oath Rule and explores the difference between religious and secular vows It considers the nature of the vows under which all Christians live and the particular vows such as marriage and

ordination embraced by some Together these perceptive reflections offer a theological and pastoral resource for activating every Christian s the sense of call and response whatever their mode of life **Priest and Patriot** Cynthia

Hausmann,2008-10 Father Carl Hausmann SJ spent his life serving others leading a life of asceticism and holiness as a Jesuit priest in the Philippines He also wrote hundreds of letters to his devout German American family detailing his calling In this intimate biography Father Carl s niece Cynthia Joy Hausmann has translated an expansive collection of letters dating from her uncle s youngest days Through his letters we meet a youngster who buys candy instead of putting his pennies in the church collection Later as a Jesuit student he counsels his father not to take the day s prevalent anti German sentiment personally As a compassionate missionary Father Carl serves lepers on an isolated island Finally in World War II this self sacrificing man shares both the word of God and his meager rice ball with American soldiers imprisoned by the Japanese Up to the hour of his death by starvation Father Carl calms his family s worries about the dangers besetting him Clearly Father Carl s biography illustrates how letter writing is a personal endeavor one that has been virtually lost amid today s technology Father Carl s missives endure as a guidepost for future generations giving us a window into how deeply capable we can be in ministering to others *Unequal Partners* Casey Ritchie Clevenger,2020-05-15 When we think of Catholicism we think of Europe and the United States as the seats of its power But while much of Catholicism remains headquartered in the West the Church s center of gravity has shifted to Africa Latin America and developing Asia Focused on the transnational Sisters of Notre Dame de Namur *Unequal Partners* explores the ways gender race economic inequality and colonial history play out in religious organizations revealing how their members are constantly negotiating and reworking the frameworks within which they operate Taking us from Belgium and the United States to the Democratic Republic of the Congo sociologist Casey Clevenger offers rare insight into how the sisters of this order work across national boundaries shedding light on the complex relationships among individuals social groups and formal organizations Throughout Clevenger skillfully weaves the sisters own voices into her narrative helping us understand how the order has remained whole over time A thoughtful analysis of the ties that bind and divide the sisters *Unequal Partners* is a rich look at transnationalism s ongoing impact on Catholicism
