Fiscal Agenda For Nevada:

A Fiscal Agenda for Nevada Robert D. Ebel,1990 **Home Rule in America** Dale Krane,Platon N. Rigos,Melvin B. Hill,2001 Home rule powers are essential parts of the American governing process but they vary widely from state to state This authoritative reference work examines the powers and functions of municipalities and counties that operate under home rule within each state For example the ability of a local municipality to raise taxes annex land or impose regulations is determined by their home rule powers from the states This volume provides a reliable reference work for researchers and students a single source that readers can trust for information about The actions that local governments can and cannot pursue States where power is centralized at the capital and where it is not How home rule varies within each state by governmental function Trends in important issues such as taxes land annexation and citizen access The editors organized the book in three parts an overview of American home rule including its history a state by state description of home rule authority and a comparative appendix that allows readers a quick reference source of powers by state A scholar or governmental expert was selected in each state to prepare the state descriptions Each chapter follows the same outline of content that allows easy comparison between states In an era of power and responsibilities devolving from the national government to states and localities the use of home rule powers has become increasingly important to the health of American government and federalism Researchers and interested citizens will benefit from this comprehensive reference Home Rule in America was directed by Dale Krane of the department of public administration University of Nebraska Omaha Platon N Rigos department of government and international affairs University of South Florida and Melvin Hill the Vinson Institute of Government University of Georgia **Intergovernmental Perspective** ,1987 Each issue concentrates on a different topic

Gambling Cultures Jan McMillen,2005-12-20 First published in 1996 Routledge is an imprint of Taylor Francis an informa company **Sales Taxation** William F. Fox,1992-09-21 This book is a comprehensive analysis of the major issues in state sales taxation Topics such as taxation of services mergers and acquisitions nonprofit organizations media religious organizations and international companies are analyzed by a group of the nation s leading experts on state taxation including representatives of industry government and academia The book identifies long term qualitative and quantitative trends in the sales tax base and rates Likely policy changes during the next decade are pinpointed and their implications discussed Emerging sales tax problems are identified and analyzed and techniques for integrating equity in sales tax design are included This unique volume will be of interest to tax planners and managers in business and tax policy makers and administrators in state and local governments Oil-Dri Corporation of Nevada, Reno Clay Plant Project ,2001 *South Pipeline Project* ,2000 Framing the Dialogue ,1993 **Local Revenue Diversification** ,1989 **Revenue Diversification** ,1994 **Nevada's Great Recession** Elliott Parker,2017-07-26 Of all economic recessions experienced by the United States in the postwar period the Great Recession that began in 2008 was the deepest longest and most

destructive Nevada was among the hardest hit states its people reeling from the aftereffects and the state government also experiencing a severe fiscal crisis University of Nevada economics professor Elliott Parker and then State Treasurer Kate Marshall make sense of what went wrong and why with the hope the state will learn lessons to prevent past mistakes from being made again This is a different kind of economics book Parker uses his expertise from doing research on the East Asian fiscal crisis to give profound insights into what happened and how to avoid future catastrophes Marshall personalizes it by providing vignettes of what it was actually like to be in the trenches and fighting the inevitable political battles that came up and counteracting some of the falsehoods that certain politicians were spreading about the recession Parker and Marshall s book should be required reading for not only every single elected official in Nevada but for any private citizen who cares about the public good

Interjurisdictional Tax and Policy Competition Daphne A. Kenyon,1991 **Clark County, NV**
United States. Congressional Oversight Panel,2009 **Nevada Public Affairs Review** ,1991 **Developing a Dream Destination** James Mak,2008-03-06 Developing a Dream Destination is an interpretive history of tourism and tourism policy development in Hawai i from the 1960s to the twenty first century Part 1 looks at the many changes in tourism since statehood 1959 and tourism s imprint on Hawai i Part 2 reviews the development of public policy toward tourism beginning with a story of the planning process that started around 1970 a full decade before the first comprehensive State Tourism Plan was crafted and implemented It also examines state government policies and actions taken relative to the taxation of tourism tourism promotion convention center development and financing the environment Honolulu County s efforts to improve Waikiki and how the Neighbor Islands have coped with explosive tourism growth Along the way author James Mak offers interpretations of what has worked what has not and why He concludes with a chapter on the lessons learned while developing a dream destination over the past half century

Blue Metros, Red States David F. Damore,Robert E. Lang,Karen A. Danielsen,2020-10-06 Assessing where the red blue political line lies in swing states and how it is shifting Democratic leaning urban areas in states that otherwise lean Republican is an increasingly important phenomenon in American politics one that will help shape elections and policy for decades to come Blue Metros Red States explores this phenomenon by analyzing demographic trends voting patterns economic data and social characteristics of twenty seven major metropolitan areas in thirteen swing states states that will ultimately decide who is elected president and the party that controls each chamber of Congress The book s key finding is a sharp split between different types of suburbs in swing states Close in suburbs that support denser mixeduse projects and transit such as light rail mostly vote for Democrats More distant suburbs that feature mainly large lot single family detached houses and lack mass transit often vote for Republicans The book locates the red blue dividing line and assesses the electoral state of play in every swing state This red blue political line is rapidly shifting however as suburbs urbanize and grow more demographically diverse Blue Metros Red States is especially timely as the 2020elections draw near
