Lloyd Kaufman Mathew Klickstein, 2025-02-17 After nearly fifty years of disrupting media gleefully Rabelaisian uberindie filmmaker Lloyd Kaufman b 1945 has been maligned mocked and worst of all ignored throughout the general course of his wildly eclectic and impactful filmography As the equally huckster ish and self denigrating cofounder and president of Troma Entertainment responsible for the likes of such schlocky midnight movie fare as *The Toxic Avenger* *Sgt Kabukiman N Y P D* *Surf Nazis Must Die* *Class of Nuke Em High* *Tromeo Juliet* and most recently *ShakespearesShitstorm* Kaufman has indisputably left his slimily viscous fingerprints on moviemaking throughout the past half century *Lloyd Kaufman Interviews* gathers together no holds barred commentaries op eds Q As arguments and retorts from the prodigious filmmaker Considering the typical Troma film is known if at all for the brand s signature egregious gore unabashedly scandalous sexual fetishism sophomoric scatology and provocative contrarianism it s easy to understand why Kaufman and his still metastasizing oeuvre go without much notice in the mainstream trades or classroom discussions Like a modern day P T Barnum if there s one way that Kaufman finds a pragmatic hold on the cultural zeitgeist it s through his tsunamic deluge of often vivacious often vulgar often vicious and often most dangerous of all presciently insightful speaking engagements and interviews provided at an almost manic pace across the globe Complete with an exclusive interview conducted by volume editor Mathew Klickstein *Lloyd Kaufman Interviews* is an extensive deep dive omnibus from one of cinema s most indefatigably ardent auteurs who may make us all uproariously laugh but refuses to not be taken deadly seriously

Nightmare Movies Kim Newman, 2011-04-18 Now over twenty years old the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that assess the last two decades of horror films with all the wit intelligence and insight for which he is known Since the publication of the first edition horror has been on a gradual upswing and taken a new and stronger hold over the film industry Newman negotiates his way through a vast back catalogue of horror charting the on screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s through to the slick releases of the 2000s in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears Newman invokes the figures that fuel the ongoing demand for horror the serial killer the vampire the werewolf the zombie and draws on his remarkable knowledge of the genre to give us a comprehensive

overview of the modern myths that have shaped the imagination of multiple generations of cinema goers *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well trodden paths of horror and re discover the classics with a newly instructed eye
