Fat Girl:

Fat Girl Judith Moore, 2006 A memoir of one woman's obsession with food sets the author's love-hate relationship with food against her painful longing for a family love and a sense of belonging

The Fat Girl's Guide to Life Wendy Shanker, 2009-08-17 Vibrant, vivacious and gorgeous Wendy Shanker is a fat girl who has simply had enough of family, friends, co-workers, women's magazines, even strangers on the street, all trying and failing to make her thin. With her mandate to change the world and the humour and energy to do it, Wendy shows how media madness, corporate greed, and even the most well-intentioned loved ones can chip away at a woman's confidence. She invites people of all sizes, shapes, and dissatisfactions to trade self-loathing for self-tolerance, celebrity worship for reality reverence, and a carb-free life for a guilt-free Krispy Kreme. Wendy explores dieting debacles, full-figured fashions, and feminist philosophy while guiding you through exercise clubs, doctors' offices, shopping malls, and the bedroom. In the process, she will convince you that you can be fit and fat, even as the weight loss industry conspires to make you think otherwise. *The Fat Girl's Guide to Life* invites you to step off the scales and weigh the issues for yourself

The Unapologetic Fat Girl's Guide to Exercise and Other Incendiary Acts

Hanne Blank, 2012-12-26 This empowering exercise guide is big on attitude, giving plus-size women the motivation and information they need to move their bodies and improve their health. Hanne Blank, proud fat girl and personal trainer, understands the physical and emotional roadblocks that overweight women face in the world of exercise. In this one-of-a-kind guide that combines exercise advice with a refusal to fat-bash, Hanne shows readers how to choose workout options from WiiFit to extreme sports, avoid common sports injuries, get proper nutrition, source plus-size workout gear, and more.

Don't Be a Fat Girl Anymore! Chená T. Flood, 2011-09-16 *Don't Be a Fat Girl Anymore* is a motivating and inspiring narrative about the author's own seven-year weight loss journey. Chen admits what most people won't: She was a FAT Girl. Her story provides realistic and practical strategies for weight loss by giving tips for others to use as they embark on their personal weight loss journey. The author's story will resonate with the typical person struggling to lose weight and keep it off. It is not the story of a starlet who hired a personal trainer and a chef to get ready for her next big movie, but the story of an everyday woman who decided to empower herself by learning how to be healthy. This book is different from other self-help books because it discusses what happens after you lose weight, gain weight, and lose weight again. The author includes reflection questions, a planning tool, recipes, workout schedules, and other helpful tools along with a dose of reality to help readers craft their own road map for a weight loss journey. Pull up a seat and enjoy the ride with a FAT Girl who isn't so fat anymore
