Literary L.A. Lionel Rolfe, 1981      **Invoking the Beyond:** Paul D. Collins, Phillip D. Collins, 2020-11-22 The Gnostic revival of the Enlightenment witnessed the erection of what could be called the Kantian Rift an epistemological barrier between external reality and the mind of the percipient Arbitrarily proclaimed by German philosopher Immanuel Kant this barrier rendered the world as a terra incognita Suddenly the world out there was deemed imperceptible and unknowable In addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and God swiftly evaporated The way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the Divine Collectively these surrogates could be referred to as the Beyond because they epistemologically and ontologically overwhelm humanity In recent years the Beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world In turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a New Man Their hegemony has been legitimized through the invocation of a wrathful earth goddess a technological Singularity a superweapon and extraterrestrial gods All of these are merely masks for the same counterfeit divinity the Beyond      *Psychedelic Cults and Outlaw Churches* Mike Marinacci, 2023-07-04 A comprehensive

#### **Death and Redemption in London & L.A.**

Lionel Rolfe, 2003 Devastated that his wife and writing partner of 25 years left him on the eve of the new millennium Lionel Rolfe set pen to paper in an attempt to make sense of the dance between men and women But as he began writing a deeper understanding took hold the Grim Reaper stopped by And not just once but again and again The deaths of Carl Kessler the unrepentant Stalinist and trade union organizer and Nieson Himmel a close friend and veteran nighttime police reporter for the Los Angeles Times hit him hard But it was the death of Rolfe's uncle the great violinist Yehudi Menuhin that turned his life upside down In the end the emotional ordeal was a blessing in disguise After all without it the world would not have

DEATH AND REDEMPTION IN LONDON a man wholl change your worldview forever **The Uncommon Friendship Of Yaltah Menuhin & Willa Cather** Lionel Rolfe, 2004 Pleasure and Panic Dan Malleck, Cheryl Krasnick Warsh, 2022-06-15

Booze dope smokes and weed Mind altering mood changing substances have been part of human society for millennia And the history of drugs and alcohol is infused with what we understand as their proper and improper use Pleasure and Panic reveals how cultural fears and social political and economic disparities have always been deeply embedded in attitudes about drugs and alcohol Long before John Lennon testified at Canada's Le Dain Commission in favour of marijuana decriminalization social movements existed to challenge the view that consumption of mind altering substances especially by

young people posed a danger to society The contributors to this collection explore how drugs and alcohol intersect with diverse histories including gender medicine popular culture and business Pleasure and Panic brings a dispassionate voice to current debates about liberalizing drug and alcohol laws and challenges existing ideas about how to deal with the so called problems of drug and alcohol use
