The Last Disciple Hank Hanegraaff, Sigmund Brouwer, 2012-04-19 First century Rome is a perilous city as Nero stalks the political circles and huddled groups of believers To be safe Christians must remain invisible Gallus Sergius Vitas is the only man within Nero's trusted circle willing to do what it takes to keep the empire together He struggles to lessen Nero's monstrosities against the people of Rome especially the Christians But as three Greek letters are scrawled as graffiti throughout the city Nero's anger grows As the early church begins to experience the turbulence Christ prophesied as the

beginning of the last days an enemy seeks to find John's letter Revelation and destroy it Meanwhile the early Christians must decipher it and cling to the hope it provides as they face the greatest of all persecutions **The Last Sacrifice** Hank Hanegraaff, Sigmund Brouwer, 2012-04-19 Helius Nero's most trusted adviser anticipates the death of his sworn enemy the legendary warrior Gallus Sergius Vitas scheduled to die a gruesome death in the arena However the badly beaten man who appears in the amphitheater is not who he seems Rescued by a stranger and given a mysterious scroll Vitas is told he must decipher this letter to find the answers he needs a letter that Helius is also determined to decipher and to keep hidden from Nero As Nero's reign of terror grows so does his circle of enemies **The Last Temple** Hank Hanegraaff, Sigmund Brouwer, 2012-07-20 Set in the turbulent years just before one of the most horrendous events in Jewish history The Last Temple concludes the trilogy of The Last Disciple and The Last Sacrifice Vitas is reunited with his wife and retires to Alexandria determined to live a quiet domestic life But he can't avoid the debts that he owes to the men who saved him and he becomes a key figure in the plot to rid the empire of Nero It sweeps him into the year of four emperors when the Roman Empire is nearly destroyed and takes him back to Jerusalem as Titus lays siege to the great city Only then as the prophecy of Jesus begins to unfold does Vitas discover the true mission set before him and the astounding conspiracy behind it

CONTENDING FOR THE FAITH Christopher H.K. Persaud, 2013-05-21 Doubt and disbelief in God's existence and his plan of redemption for lost humankind is becoming increasingly evident in today's hedonistic self-directed world Many Christian believers even choose to listen to and to acknowledge a feel good now Gospel notwithstanding its deviation from Biblical truth and its possible damning implications Conversely many people are wont to deny the existence of a devil and the reality of a place of unceasing torment and or destruction called hell A good God cannot be so cruel they opine Jesus commissioned his followers to take his Gospel to the far reaches of the Earth and the Holy Scriptures encourage Christians in Jude 1-3 to earnestly contend for the faith More than at any other time in history believers must defend the Christian Gospel and advocate its timeless truths everywhere so that all of humankind may hear about Christ's offer of eternal life in a place named Paradise The miscellany of contemplative inquiries and arguments presented in CONTENDING FOR THE FAITH purposes to do just that endorse and advance the Gospel of Christ and help establish Biblical truth Much too much is at stake for not spreading or not listening to Christ's entreaty **The Apocalypse Code** Hank Hanegraaff, 2010-09-20 Hank Hanegraaff reveals the code to Revelation Breaking the code of the book of Revelation has become an international obsession The result according to Hank Hanegraaff has been rampant misreading of Scripture bad theology and even bad politics and foreign policy Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible not current events or recent history and certainly not any complicated charts The Apocalypse Code offers sane answers to some very controversial questions What does it mean to take the book of Revelation and the rest of the Bible literally Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666 How does our view of the end times

change the way we think about the crisis in the Middle East Are two thirds of all Jews really headed for an apocalyptic holocaust The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today s world Provocative and passionate this fascinating book is a must read for everyone who s interested in end times controversies Lee Strobel Author The Case for the Real Jesus This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts Tim LaHaye Every fan of the Left Behind series should read this book The fog will clear and common sense will return to our reading of the Bible Gary M Burge Professor of New Testament Wheaton College and Graduate School **Evolution** Christopher H. K. Persaud, 2007-12 Darwinian evolution is taught unreservedly to students of science around the world as incontrovertible truth even though many aspects of the theory have been thoroughly discredited while others are woefully lacking in corroboration from a standpoint of proper scientific precept and practice Practical and honest scientists increasingly are acknowledging that evolutionism is biologically and mathematically impossible The outlandish premise is at odds with the laws of physics and manifestly incompatible with genuine geological and paleontological criteria for aging and classifying rocks strata and fossils Evolutionary theory s ostracism of God as a supreme designer and creator of the universe and of life has emboldened many of history s most ruthless dictators who have embraced its disturbing message to commit crimes of unspeakable evil Many millions of people have lost their lives as demagogues fueled by evolutionist inclinations have sought to legitimize sinister proclivities such as racism bigotry eugenics and ethnic cleansing among other perpetrations of antipathy and wickedness It is not unreasonable to assume that many of today s social and behavioral thinkers as well as misguided scientists who support evolutionary theory also nurture predilections that are far removed from wholesome deportment and espouse leanings that show scant respect for the sanctity of human life Evolutionary thought falls outside the precincts of essential moral contemplation and is beyond the realm of real science **Reports of the National Center for Science Education** ,2005

Breaking the Spell Daniel C. Dennett, 2006-02-02 The New York Times bestseller a crystal clear constantly engaging Jared Diamond exploration of the role that religious belief plays in our lives and our interactions For all the thousands of books that have been written about religion few until this one have attempted to examine it scientifically to ask why and how it has shaped so many lives so strongly Is religion a product of blind evolutionary instinct or rational choice Is it truly the best way to live a moral life Ranging through biology history and psychology Daniel C Dennett charts religion s evolution from wild folk belief to domesticated dogma Not an antireligious screed but an unblinking look beneath the veil of orthodoxy Breaking the Spell will be read and debated by believers and skeptics alike [The Ultimate Proof of Creation](#) Jason Lisle, 2009 IN THE ULTIMATE PROOF OF CREATION DR JASON LISLE USES LOGIC REASON AND EVIDENCE TO LAY THE DEBATE TO REST BY EXAMINING THE PRESUPPOSITIONS OF THESE POSITIONS DR LISLE PRESENTS A FRESH AND POWERFUL NEW APPROACH FOR UNDERSTANDING THE ISSUES **Creation-Evolution Debates** Ronald L.
