*Transgression and Redemption in American Fiction* Thomas J. Ferraro, 2020 A critical study of classic American novels *Transgression and Redemption* explores Catholicism in *The Scarlet Letter* *The Great Gatsby* *The Professor s House* *The Awakening* and *The Sun Also Rises*

*Prussianism and Its Destruction* Norman Angell, 1914

*The Making of British Bourgeois Tragedy* Alex Eric Hernandez, 2019 The rise of the middle class in the eighteenth century has long been taken to usher in a prosaic age synonymous with the death of tragedy an age in which the sheer ordinariness of bourgeois life was both antithetical and inured to the tragic But the period s literature tells a very different story Re assembling a body of print and performance concerned with the misfortunes of the middling sort *The Making of British Bourgeois Tragedy* argues that these works imagined a particularly modern sort of affliction an ordinary suffering proper to ordinary life divested of the sorts of meanings rhetorics and affective resonances once deployed to understand it Whereas neoclassical aesthetics aligned tragedy with the heroic and the admirable this bourgeois and domestic tragedy treated the pain of common people with dignity and seriousness meditating upon a suffering that was homely familiar entangled in the nascent values of capitalism yet no less haunted by God Hence where many have seen aesthetic stagnation misfiring emotion and the absence of an idealized tragicness in the genre this volume sees instead a sustained engagement in the emotional processes and representational techniques through which the middle rank feels its way into modernity By attending closely to this long neglected subject *The Making of British Bourgeois Tragedy* turns the critical account of eighteenth century tragedy on its head It reads the genre s emergence in the period as a vigorous cultural conversation on whose life and whose way of life is grievable as well as how mourning might be performed

**Virgilian Identities in the French Renaissance** Phillip John Usher, Isabelle Fernbach, 2012 Virgil s works principally the *Bucolics* the *Georgics* and above all the *Aeneid* were frequently read translated and rewritten by authors of the French Renaissance The contributors to this volume show how readers and

writers entered into a dialogue with the texts using them to grapple with such difficult questions as authorial political and communitarian identities It is demonstrated how Virgil's works are more than Ancient models to be imitated They reveal themselves instead to be part of a vibrant moment of exchange central to the definition of literature at the time Back cover

novel have neglected the phenomenon of the professional woman writer in England prior to the advent of the sentimental novel in the 1740s Seductive Forms explores the means by which the three leading Tory women novelists of the late seventeenth and early eighteenth centuries challenged and reworked both contemporary gender ideologies and generic convention The seduction plot provided Aphra Behn Delarivier Manley and Eliza Haywood with a vehicle for dramatizing their own appropriation of the masculine power of fiction making Seduction is employed in these fictions as a metaphor for both novelistic production the seduction of the reader by the writer and party political machination the seduction of the

public by the politician This challenging and lively book also explores the debts early prose fiction owed to French seventeenth century models of fiction writing and argues that Behn Manley and Haywood succeed in producing a distinctively English and female form for the amatory novel      **Letters and Wounds** Killiam SABRI,2024-11-30 A unique literary journey where each page is a lyrical and metaphorical step toward understanding our shared humanity Behind every word lies a story of struggle and rebirth of destruction and creation Behind each string of letters there is an epistolary universe with a window into the labyrinth of human emotions Letters and Wounds is a work where the pen becomes a release a lyrical and touching piece that speaks to the universality of our feelings It is a collection of texts inviting the weaving of connections between hearts and minds It is an invitation to reflection and empathy to the discovery of the beauty and power of words and their ability to fully touch the human soul      Jersey Folklore & Superstitions Volume Two G. Morrison also looks at Louri himself as an artist and intellectual in his own right. Much of the aesthetic and technical discussion concerns his grandly eulogistic opera *The Blackamoor of Peter the Great*, understood as both a belated Symbolist work and as a NeoThomist exercise. Despite the importance Louri attached to the opera as his masterwork, *Blackamoor* has never been performed; its fate thus serving as an emblem of Louri's own. Yet even if Louri seems to have been destined to be but a footnote in the pages of music history, he looms large in studies of emigration and cultural memory. Here Louri's life, like his last opera, is presented as a meditation on the circumstances and psychology of exile. Ultimately, these essays recover a lost realm of musical and aesthetic possibilities, a Russia that Louri and the world saw disappear.
